Plenty of Powder for Farmers.

Farmers of the Pacific Northwest and sections of the country are assured of plenty of pyrotol for the next five years, according to T. E. Doremus, northwest manager for E. I. du Pont de Nemours & Co., which concern is reconditioning and repacking surplus war material for the department of agriculture which in turn is making pyrotol, an explosive, available for the farmers at low cost.

Mr. Doremus said that while a disastrous fire at the government's storage magazines near Nashville, Tenn., destroyed large quantities of smokeless powder, only a small portion of that allotted by the war department to the department of agriculture was burned.

"The pyrotol program of the government is not affected to any degree by this fire," said Mr. Doremus. "The United States government practically guarantees to the farmers sufficient pyrotol to cover three years, operations on the farms and the probabilities are that the war department will later decide to transfer an additional quantity of smokeless powder to the department of agriculture, which will mean that the farmers will be able to pyrotol based on the original plan and that this explosive will be available for at least five years through the county agents and at a very low cost."

Mr. Doremus was led to make this statement owing to rumors being spread in the agricultural districts that a large part of the government's powder supply was burned and that pyrotol would be off the market in about a year.

PLEASANT HOME

The Ladies Aid of the Methodist Episcopal church will hold its annual bazaar and supper Saturday evening, November 29, which will be followed by an excellent program. The occasion will furnish an opportunity for the purchase of some very practical and beautiful Christmas gifts as well as for a very pleasant evening.

A surprise party was given at the Methodist church Saturday evening in honor of two of its members who have rendered helpful service to the church, G. H. Bickford and Mrs. Alta Gentry. More than 100 persons were present and listened to the interesting program which was given by the gospel team from Willamette University. At the conclusion of the program Mr. Bickford was presented with a revolving globe of the world and Mrs. Gentry with a handsome fountain pen, in appreciation of the many ways in which the church has been helped through their services. Refreshments were served.

Multnomah Grange to Meet Saturday.
Multnomah Grange will meet in regular session at its hall at Orient next Saturday. Members are reminded that the noon hour will be featured by a Thanksgiving dinner. A short program has been prepared by the lecturer, George W. Allder.

UNION

The Union Parent-Teacher association will hold its annual bazaar Saturday, November 22, beginning at 8:15 at which time an interesting program consisting mainly of musical numbers has been promised by the committee in charge. Following the program an auction of fancy work and various articles suitable for Christmas gifts will take place. Home-made candy will be on sale and a delicious lunch will be served in the basement after the auction. The proceeds of this sale will be used for the general betterment of the school.

Mrs. Kennedy, president of Clackamas County Council of the Parent-Teacher association, and Mrs. Wesley, secretary of the Council, gave very interesting addresses as a part of the program which was put on by the Parent-Teacher association last Friday evening. Mrs. Wesley recited briefly how the hot lunch problem was disposed of in the Oswego school and while no definite plans have been made yet it is almost a certainty that plans will mature whereby hot lunches will be served to the pupils of the Union school during the cold months.

The association also drew up a resolution petitioning the county court to allow the county superintendent more funds with which to carry on his work.

POWELL VALLEY

The Deborah Ladies Aid of the Swedish Mission church will hold a sale and bazaar at the church Saturday evening, November 22, at which time many articles of fancy work, also clothing, such as aprons, house dresses, etc., will be on sale. The young people will serve refreshments. It is suggested by the ladies that many of the articles which will be on sale at this bazaar will serve as appropriate Christmas gifts.

The Parent-Teacher association will meet on Friday evening, November 21, at the schoolhouse for its regular monthly meeting. It is expected that a radio receiving set equipped with a loud speaker will be installed to entertain the audience. Refreshments will be served as usual. Miss Marian Olson accompanied Carl and Frances Arvidson from Portland for their week-end visit with friends and relatives in Powell Valley.

VICTORY

The Parent-Teacher association will hold its regular monthly meeting on Thursday evening, November 20, at 8 o'clock at which time a radio program has been arranged. The meeting had been previously announced for Friday evening, but the date was changed to Thursday as this was the only evening a radio receiving set could be secured.

FAIRVIEW

Union Thanksgiving services will be held at the Smith Memorial Presbyterian church Sunday morning, November 23. The Rev. E. R. D. Hollensted will preach the sermon.
