All interested in the musical part of the church program, are invited to join the choir. The next meeting will be Tuesday evening, January 20.

**Law to Protect Dogs.**

Many dogs are killed, maimed or lost on the highways and in cities by falling off or being thrown off the running boards of motorcars. The Oregon Humane society has prepared a bill for enactment by the legislature to provide the protection of a guard rail or fender to prevent such accidents. The bill is defined as an act regulating and prohibiting the carrying of dogs on the external parts of automobiles, declaring the violation of this act a misdemeanor, prescribing penalties therefore, and fixing jurisdiction of offenses for violation of this act.

Say it the Want Ad way.

### NEW CHEVROLET GIVEN HARDEST OF TESTS

Evolution of the new Chevrolet, which made its initial bow at the New York Automobile Show this month, was marked by hard, exacting yet interesting labor extending over a period of more than a year.

As far back as 1923 automotive and metallurgical experts started drawing plans for the new automobile. Sample cars were made, containing the 40 odd now improvements, including disc clutch, springs, axles, manifold, etc., and these cars were turned over to selected drivers working directly under the engineering staff for the hardest tests human ingenuity could devise. Every detail in the new car was forced to prove itself more than adequate for any demands it might be called upon to fulfill.

The new semi-elliptic springs underwent harder usage than any car owner could give them in five years. Day and night drivers tore over bumpy roads, taking railroad crossings, ruts and inequalities at high speed. The drivers were working under orders to "bust those springs if you can."

The new axles, front and rear, were subjected to similar trials. Every strain expert drivers could think of was placed on the axles, which had already withstood severe laboratory tests. Stresses that ordinary driving never would cause were placed on the new channel steel frame and its five sturdy cross members.

In fact every detail that is incorporated into the new Chevrolet was tested, improved and re-tested until it scored 100 per cent before it was adopted. In this way it was possible for the Chevrolet company to go into quantity production at once, secure in the knowledge that its new line would more than meet any requirements car owners would place on it.

### FORMER RESIDENT HERE DIES IN DECATUR, ILL.

Word has been received of the accidental death of Joseph Worden Bridge in his home city, Decatur, Illinois, on December 29, following an accident in the rail road yards, where he was a foreman. He was caught between a flat car and a loading platform and crushed so badly that he died soon after at a hospital. Funeral services were held on December 31 and were attended by hundreds of people. The pall bearers were all men who had been closely associated with him for years.

Mr. Bridge, who was a resident of Pleasant Home from 1902 to 1904, was born in Lozanoport, Indiana, October 11, 1858. He is survived by his widow, two sons, Ray of Petaluma, California, and Harrison of St. Louis, Missouri, also a brother, S. F. Bridge of Battleground, Washington, and three sisters, Mrs. Jennie Bailey and Miss Loretta Bridge of Canby, Oregon, and Mrs. Mary Christensen of Troutdale, Oregon.

### DINNER PARTY HONORS DEPARTING FRIENDS

Mr. and Mrs. G. W. Armstrong, proprietors of the White Knoll poultry farm, 5 miles east of Gresham, gave a delightful dinner Tuesday evening in honor of J. P. McClure, who leaves soon for Livingston, Montana, and Grandpa Hugh McClure, who expects to leave for Grand Rapids, Michigan, in the near future to visit a daughter.

Those present besides the guests of honor were Mrs. J. Q. McClure and son, Hugh, Mr. and Mrs. Walter Cooley and daughter, Hazel, Mr. and Mrs. J. E. Gaskill and two children, Evelyn and Dewey, Mr. and Mrs. L. P. Manning and Mr. and Mrs. G. W. Armstrong, son Walter and baby Eva.

After a bountiful chicken dinner, with all its accompaniments, the evening was spent in playing cards. The guests departed at a late hour unanimously in the opinion that Mr. and Mrs. Armstrong are most excellent entertainers.

## Have Your Car Overhauled

No one but a car owner can understand the joy of driving from a repair garage with motor purring again as if new.

And there is as much satisfaction from our viewpoint, when the job has been done here; maintaining the reputation this shop has always enjoyed of having the best mechanics in Gresham.

Everyone drives his car these mild winters, nevertheless, there is always a certain amount of repair necessary. You will be astonished at the improvement when we turn it back to you.

Maybe a new set of piston rings. Maybe only carbon removed. Maybe a carburetor adjustment—a loose nut here—a new rod there. But no matter what the ailment may be, we have the expert eye to locate and the knowledge to make repair.

We guarantee the repair work which we do on any make of car.
