Bobby had eaten the soft portions of his toast at breakfast and piled the crusts on his plate. "When I was a little boy," remarked Pa, "I always ate the crusts of my toast."  
"Did you like them?" asked Bobby, cheerfully.  
"Yes," replied the father.  
"You may have these, then," said Bobby, pushing his plate across the table.

They have recently moved to 305, Seaside Blvd., Long Beach.

Mr. and Mrs. Chase E. St. Clair gave the final course of a 7-course, progressive dinner last Sunday afternoon and evening. Twenty persons participated in the affair and all the other stopping places were in Portland.

Announcement has been received by Gresham relatives of John Cornutt of Riddle, Oregon, of his marriage on December 24 in Roseburg with Miss Pearl Royer of Rice Creek. The groom is the son of the late Archie and Mrs. Maggie Cornutt, and formerly lived near Gresham. The young couple will reside at Wendling where Mr. Cornutt is employed.

A. E. Kessler, who disposed of his barber shop equipment about three months ago to R. D. Bailey, has bought the Sherwood barbering business at Sherwood, Oregon, and will take possession about the first of the month. A committee has been appointed, consisting of Mr. and Mrs. Arthur Dowsett, Mr. and Mrs. Joseph Haley and Mr. and Mrs. E. W. Aylsworth, which will have charge of necessary arrangements. All members of the Eastern Star and the Masonic lodge, with their friends, are invited to attend.

The W. C. T. U. will hold a social meeting at the home of Mrs. W. J. Ott on Thursday afternoon, January 22, beginning at 2:30. It is expected that the state president, Mrs. Mary Mallett, will be present and report on the jubilee convention which she attended in Chicago last October. The anniversary of national prohibition will also be fittingly touched upon. The Misses Augusta Hahn and Margaret St. Clair will render musical numbers.

At the recent meeting of the Zion Evangelical Ladies Aid, formerly known as the Martha Ladies Aid, the work was standardized under the new name of the Evangelical Women's union. The Gresham circle of the union will meet on the second Thursday of each month and the Victory circle will hold its meeting on the third Thursday of each month. The ladies of the union will begin at once to make arrangements for a bazaar which will be held next November, presumably on a large scale. The ladies will conduct a bake sale on Saturday, January 31.

The Sew and So circle of the Methodist Ladies Aid will meet at the home of Mrs. Frank Peak on Wednesday, January 21. All members are requested to be present.

Virgil Howell and his daughter, Edith, of Yachats, Oregon, spent Saturday with the Rev. and Mrs. E. N. Long. For some time Mr. Howell has been contemplating a change from the coast to this part of the state, and during his stay here last week rented 10 acres of the old Cathey homestead near Cotton station, which was formerly occupied by David Cathey and family, and expects to move to his new location sometime in February.

Word has been received that Mrs. A. M. Wilkinson, who underwent an operation for hernia about two weeks ago in Portland, is recovering nicely and will probably be home inside of another week.

Mr. and Mrs. William Trimble and three children, Lois, Wayne and Lyle, left Sunday for Molalla, where they had lived prior to coming to Gresham a year ago. Mr. Trimble will be employed in the timber near his home.

**Governor Arrested**

Jonathan M. Davis, dirt farmer, ex-Governor of Kansas, and his son Russell, 28 (below), have gone back to the farm awaiting hearing Jan. 23d, on the charge of bribery in connection with the alleged sale of pardons to state convicts. They were arrested an hour before Mr. Davis stepped out of office. The governor pleaded not guilty. The son was trapped accepting \$1250 of marked money.

They expressed themselves as much pleased with the situation of the Gresham manufacturing plant.

The second semester in high school started yesterday with the following students entering: Henry Brink from Lusted, Joe Lawler from Fairview, Viva Anderson from Gresham, Harriett Anderson from Boring, Juanita Tyson from Troutdale, Carrie Simonsen and Alma Yocum from Orient. This brings the total registration to 291.

A slight change in the system of examinations and the credit therefrom will be observed in the high school from date. The average of the last three six-week periods will be multiplied by two and the final examination grade added and that sum divided by three. It is felt this plan will enable the teachers to better determine the work of the student.

On Friday night the high school plays Woodburn high school on the local floor. On Saturday night it plays Parkrose at Parkrose.

All regret very much to lose Wayne and Lois Trimble who have gone to Molalla and entered the Molalla high school. Wayne was a senior and Lois a junior.

It is requested that at all future meetings in the gymnasium no cars be parked on the right hand side of the driveway from the street to the gymnasium. This is necessary so that people may unload at the end of the cement walk leading to the gymnasium and not be compelled to walk through the mud.

"The last half of the school year is now with us and we are on the downward grade," says Principal Cannon. "There were too many failures the first half of the school year and this we regret. However, there will be opportunity for students to do more consistent work the remainder of the year and thus redeem themselves. Parents are urged to visit the school and in the case of low grades, we solicit their cooperation in making conditions better for their children."
