PLEASANT HOME

Next Sunday is George Washington's birthday. A week ago last Thursday was Abraham Lincoln's. These facts will be especially recognized in the church service of the Methodist church Sunday morning. The Boys' Glee club will sing a song in keeping with the spirit of these men, and the pastor will preach on the subject, "Overcoming the Handicaps of Life." There will be much of interest to the young people in this message. Every patriotic citizen who is not a regular attendant of some other church is invited to this meeting. The Epworth League meets at the church Sunday evening at 7 o'clock. The subject is "Our Country's Christian Cornerstones." The leader is Herman Walters. The Boys' Glee club meets Monday evening at the home of Bill Elliott who is one of the members—the assistant director.

Methodist Colts and Pleasant Home Epworth League basket ball teams meet Tuesday evening at the grange hall.

The Ladies Aid meets Wednesday at the home of Mrs. H. J. Carlson.

March 7 is the date of a very fine entertainment to be given under the auspices of the Methodist Ladies Aid at the Orient school auditorium by the Triple Chimes company of Portland.

Two interesting basket ball games are in prospect for the fans and their friends, one of which will be the game

between the Baptist Cubs and the Powell Valley boys on Saturday night, February 21, at Orient hall, and the second will be on Wednesday evening, February 25, when the Arleta Baptist team will play the Baptist Bear Cats at the same place.

NOT in the possession of unusual genius, but in the remarkable combination of perseverance and ordinary qualities: exalted idealism—honest courage—broad human kindness—and practical common sense—were George Washington's common assets. Let us always remember Washington, whose birthday we this week observe.

When the little voice of discouragement whispers in your ear—think of Washington. He heard it—it fairly screamed at him. He met reverses—he was forced to retreat at times—encountered failures—but they only inspired him on to greater efforts—and in the end, victory and glory were his.

LIST PRICE FOR YOUR OLD CAR!

Here is an offer that will startle the entire automobile world and motoring public. It is so unusual it may at first thought arouse criticism, but you will see it is a perfectly sound, straightforward business proposition.

Thirty-seven owners of 1924 or 1925 model Fords, Chevrolets, Overlands and Grays will receive full factory list price on their cars, and Dodge and Maxwell owners a liberal allowance, in trade on New 1925 Model Velie automobiles. This startling proposition is made possible through cooperation with the Velie factory advertising department.

AN OFFER TO 37 AUTOMOBILE OWNERS

THE PLAN

- (a) We have divided the city and suburbs into 37 sales districts. One car will be sold, on this plan, to an owner in each of these 37 divisions.
- (b) Any 1924 or 1925 Ford, Chevrolet, Overland or Gray is eligible, if it is in salable condition. There are "no strings tied" to this offer. You get a "trade-in" allowance for the full factory new list price of your car.
- (c) Each purchaser agrees to use a spare tire cover on which is the wording "The New Velie" and our company name.
- (d) This offer will be promptly closed when the 37 cars are sold. First come, first served.

THE OBJECT

This is a new departure in advertising. A certain amount of the Velie factory advertising budget is being used to quickly place 37 New 1925 Model Velie automobiles on the streets of Portland.

Is there any better advertisement than a satisfied owner? Watch for them.

MY PERSONAL GUARANTEE

To the Public:

I have been in business in Oregon for 12 years, during which time I have sold hundreds of cars to the public.

I will personally guarantee that every one of the cars offered in this sale is the latest 1925 model, and that they will be sold for the next fiscal year as current models.

We are not offering a number of old models; every car is backed by a factory that has been in business since 1901, with assets of millions of dollars. This is a clean-cut advertising proposition on our part—it's an unusual opportunity for YOU!
