CORBETT

One of the most pleasant social affairs of this vicinity of recent date was the reception for Mr. and Mrs. Fred Hicks at Chanticleer Inn Thursday evening of last week on their return from the beaches, where they had been for their wedding trip. The affair was a surprise for the newlyweds, planned by Mesdames Morgan, Hicks and Henkle, and as the young couple entered the spacious, brilliantly lighted and beautifully decorated reception room, Mrs. Clara Larsson at the piano began playing a wedding march and the guests arose to greet them and offer best wishes to the bride and congratulations to the groom. The bride was overwhelmed by the surprise, but quickly recovered and met the situation admirably. The evening was spent in social chat, dancing and singing. Refreshments of ice cream, coffee and cake were served. Mr. Hicks also treated the guests to a liberal supply of bonbons and cigars. At a late hour the guests departed, thanking Mr. and Mrs. Morgan for their generous hospitality.

The country home, "Mauncha," of Mr. and Mrs. Julius L. Meier was the scene of a brilliant wedding Wednesday evening, February 18, when their daughter, Miss Elsa Meier, and Frederick Ganz of San Francisco were married. Edgar Coursen presided at the pipe organ during the wedding service, which was performed by Rabbi Wise. The rooms, which overlook the Columbia gorge, were likened unto a fairy land of choice and beautiful flowers.

Mrs. Mary Udey, Fay, John, Albert and James Davis, and Stella and Nora. Two of the children, Mrs. Ruth Norden of Portland and Mrs. Ferny Queer of Bridal Veil, were unable to be present. Several fine pieces of individual silverware were presented by the children to their parents. The evening was spent in social diversions and closed with refreshments. The couple was married in Kansas in 1900 and came to Oregon three years later, settling on the farm near Corbett, where they have since resided.

LIST PRICE FOR YOUR OLD CAR!

Here is an offer that will startle the entire automobile world and motoring public. It is so unusual it may at first thought arouse criticism, but you will see it is a perfectly sound, straightforward business proposition.

Thirty-seven owners of 1924 or 1925 model Fords, Chevrolets, Overlands and Grays will receive full factory list price on their cars, and Dodge and Maxwell owners a liberal allowance, in trade on New 1925 Model Velie automobiles. This startling proposition is made possible through cooperation with the Velie factory advertising department.

AN OFFER TO 37 AUTOMOBILE OWNERS

THE PLAN

- (a) We have divided the city and suburbs into 37 sales districts. One car will be sold, on this plan, to an owner in each of these 37 divisions.
- (b) Any 1924 or 1925 Ford, Chevrolet, Overland or Gray is eligible, if it is in salable condition. There are "no strings tied" to this offer. You get a "trade-in" allowance for the full factory new list price of your car.
- (c) Each purchaser agrees to use a spare tire cover on which is the wording "The New Velie" and our company name.
- (d) This offer will be promptly closed when the 37 cars are sold. First come, first served.

THE OBJECT

This is a new departure in advertising. A certain amount of the Velie factory advertising budget is being used to quickly place 37 New 1925 Model Velie automobiles on the streets of Portland. Is there any better advertisement than a satisfied owner? Watch for them.

MY PERSONAL GUARANTEE

To the Public:

I have been in business in Oregon for 12 years, during which time I have sold hundreds of cars to the public.

I will personally guarantee that every one of the cars offered in this sale is the latest 1925 model, and that they will be sold for the next fiscal year as current models.

We are not offering a number of old models; every car is backed by a factory that has been in business since 1901, with assets of millions of dollars. This is a clean-cut advertising proposition on our part—it's an unusual opportunity for YOU!
