Fancy an apple without a skin! The rain would soften it, the sun would shrivel it and dry it, the wind would buffet it and blow its particles away. It wouldn't be an apple very long—without a skin!

An apple's skin is just like a coat of Rasmussen paint.

A thin, tight skin of Rasmussen Pure Paint on the surfaces of your buildings will protect the wood, metal and other material against rot, decay and delapidation.

Treat your building investments as nature treats the apple. Give them real protection—a coat of Rasmussen Pure Paint.

Ask your dealer for Color Cards.
Ask your painter for an estimate.

RASMUSSEN PORCH FLOOR PAINT

—performs two functions. It protects the floor from the wear of footsteps, and also from the sun and rain.

For this reason it has wide use on porch floors, steps and boat decks. The colors remain permanent.

Rasmussen Porch Floor Paint is ready to use, spreads quickly and uniformly, and dries thoroughly.

SANDY

The five-year-old daughter of Mr. and Mrs. Fred Brock of Sandy was knocked down by an automobile driven by Sam Harlow of Troutdale about 9 o'clock Tuesday evening, but aside from being badly shocked it is not thought she sustained any serious injury. The Harlow machine was proceeding through the main street of Sandy at a speed which has been estimated by witnesses to be somewhat in excess of the 20 miles allowed by law. The child darted away from two adults accompanying her into the direct path of the oncoming car, the driver of which made an effort to avoid striking her. The machine swerved to one side and missed hitting her directly, but she was knocked down by the rear fender. It is thought her worst injuries consisted mainly of fright. Mr. Harlow rendered every assistance possible for the little one.

The citizens of Sandy have presented a petition to the Sandy city council that all dances given in public buildings be closed at 12 o'clock. It is expected that the council will announce its decision soon.
