COLUMBIA HEIGHTS

The last meeting of the season of the Corbett Parent-Teacher association was held recently, when the following officers were elected for next year: Mrs. Claude Woodie, president; Mrs. F. Oleman, vice president; Mrs. Rugroden, secretary and Mrs. P. Andersen, treasurer. One of the main features of the meeting was the discussion of serving hot lunches to the children next year, and how to handle the situation. A committee has been appointed to meet with the school board and find out if help can be expected from the district. The Corbett chapter was asked to give five dollars to help entertain the delegates next fall at a banquet at Chanticleer Inn. The matter was laid on the table to a later date.

Mrs. F. Reed and Mrs. Edgar Wilson of Corbett attended the meeting of the County Health association in Portland last week and report a very interesting session. R. W. Hoyt and County Commissioner Smith were speakers. Miss Mary Billmeyer, county health nurse, made an excellent report of her work among the school children in the county during the past year. She spoke of the necessity of having a place to care for tubercular patients, and one more nurse to handle the cases. Mr. Smith expressed his belief that a place would be provided in the near future. Mrs. Janet Lumsden of Fairview presided. Mrs. Moffitt of Latourell Falls represented that place at the meeting.

Virginia Ferrin, piano teacher of Portland, had charge of the musical program at Troutdale Saturday night in connection with the Eastern Star meeting.

Mr. and Mrs. P. Andersen were callers at the U. G. Smith place at Linnemann Sunday, and admired the Smith home, which is one of the prettiest on the Powell Valley road.
