Vincent, county president, will give an address. The Woman's club of Sandy will be the guest of the Union and a varied program of musical numbers and readings will be given.

The piano recital given by Miss Helen Althaus, pupil of Mrs. James Sterling, on Tuesday evening was an interesting musical event. Miss Althaus gave her fine program in a pleasing manner, and Miss Metta Brown, cousin of Mrs. A. C. Althaus and a teacher in the Portland schools, sang a number of selections in a rich, pleasing voice. The Methodist Episcopal church was decked with flowers for the occasion and a large number of friends of Mrs. Sterling and her pupil enjoyed the program.

Mrs. James Bushong and daughter Willa left today for Seattle to be gone for a week or ten days. While they are absent they will select living quarters and make the arrangements for the home of Miss Bushong and her fiancé, Robert Hayes, whose wedding will be an event of June.

Claire Calkins, wife and two children of Hermiston, Oregon, stopped over Tuesday night with their uncle, C. H. Calkins and family. They were on their way from eastern Oregon to Eugene. Mrs. Marian Lambert also visited with her parents, Mr. and Mrs. Calkins, on Monday.

The Rev. August Youngren is expected to be in Gresham next Tuesday evening and will conduct a preaching service in the Free Methodist church in the Japanese language to which any and all Japanese in Gresham and vicinity are invited.

Unless the weather interferes, there will be a concert by the Gresham band on the corner of Main and Powell streets Saturday evening, beginning at 8 o'clock. At this time the program will be repeated that was given in front of Raker's garage last Saturday evening. Dr. H. C. Johnson is the director of this band, Frank Gibbs the manager and Otto Magnuson the secretary and treasurer. The members composing the band are as follows: Clifford Gibbs, Frank Vergler, Paul Rusher and Dale Altman, cornets; E. F. Mack, Fred Tojabe, Albert Stout and Walter Tillstrom, clarinets; Floyd Mack, Harry Lewis and Vearl Howell, altos; Clair Gullickson, Allen Lind and F. E. Scott, trombones; C. P. Edwards and Orville Davidson, saxophones; Claude Welch and Otto Magnuson, bass horns; H. E. Thayer, snare drum; Al Burge, bass drum; Dr. H. H. Ott and Melvin Peterson, baritone.

YOUR WORKING PERIOD

At the age of 15 years—when most children have to leave school—the American Experience Table of Mortality gives us 50 years to live—50 years to work.

If we earn the modest average of \$20.00 a week, in those 50 years we will earn \$50,000.

Save 10 per cent of that—a reasonable plan.

\$2.00 a week, saved for 50 years will mean \$16,603.31—a neat fortune.
