

GRESHAM LOCALS

Mrs. C. A. Sloan and daughter, Miss May Sloan, who has just completed her sophomore year in the Gresham high school, will leave Saturday for their farm home near Craigmyle, Alberta, Canada, where Mr. Sloan has been during the past winter. They have a wheat ranch there and farm on an extensive scale. When leaving for Oregon something over two years ago they disposed of their place on the crop payment plan, but were obliged to take it back on account of the failure of crops.

Mr. and Mrs. Frank Kinyon returned Tuesday from a vacation trip

to British Columbia, and after remaining in Gresham for one night only, left Wednesday morning for southern Oregon points where they will explore the Oregon caves, making a side trip over the line into California.

Another fine concert was given by the Gresham band on the streets Saturday evening to a large and appreciative crowd which lined both sides of Powell and Main streets for nearly a block in each direction. The boys composing the band have made rapid strides in their work since beginning the study of band music under the instruction of their leader, Dr. H. C. Johnson.

The Rebekah Welfare club will meet with Mrs. A. Hoover on Monday afternoon. Mrs. Harry Warden and Mrs. Ella Hensley will serve. All Rebekahs are cordially invited to attend.

Mr. and Mrs. L. V. St. Clair are planning to leave on Saturday for Orofino, Idaho, where their son lives, and where Mr. St. Clair expects to work in the timber. After a visit with her son, Mrs. St. Clair will return to Gresham.

Mrs. Cecil Metzger, leader of the Gresham Sewing club, was presented with a beautiful hand-painted bread plate by the members of the club on the occasion of their picnic last Friday. The club girls completed their work 100 per cent.

Mr. and Mrs. Charles Taber and son, Billy, are expected to arrive on Saturday of this week from Longview, Washington, to make their home in Gresham. For the present they will occupy the Raney house on Third street, just off Roberts avenue. Mr. Taber has been connected with the Y. M. C. A. community house work in Longview and a short time ago the acquaintants of himself and wife tendered them a farewell banquet, at which time Mrs. Taber was presented with a silver bread plate. Mr. Taber, who is to be the proprietor of the new drug store in the Osburn block on Main street, says that the new fixtures for the building will be in place about the tenth of the coming month.

Wood and a student in the home economics department of Oregon Agricultural College, has been elected to the Phi Kappa Phi national fraternity, being one of 18 O. A. C. students to make the organization this year. This honor is based on scholarship and student activity. She was also honored by having her name on a plaque to be hung in the home economics building, signifying that she has been considered to have best carried out the ideals of the department during her course. Ten seniors were nominated by the faculty and Miss Wood was elected by vote of the students of the department for this honor.

Mrs. Carl Dahl and children are at Grass Valley on a visit with relatives. The Gresham Auxiliary to the American Legion sold 500 poppies for wearing on Decoration Day. The returns from the sale of the flowers is given to a fund to be used for the relief of sick veterans and their families, after the small cost of making them has been paid to soldiers in the veterans' hospital.
