

A. W. Eberhardt of Chicago and a cousin of O. A. Eastman of Gresham, was a caller at the Eastman home on Monday of this week. Mr. Eberhardt is a commercial traveler for an eastern clothing firm and visits his relatives here whenever he makes a trip to the coast.

Mrs. A. E. Malo attended the graduation exercises of her niece, Miss Madeline R. Ellis, from the Providence academy at Vancouver, Washington, Wednesday evening. Miss Mary Owen, who lives on the Base Line road near Gresham and who was formerly a student at the high school here, graduated at the same time from the Vancouver academy.

GRESHAM LOCALS

Continued from page 1

The children of Mr. and Mrs. R. W. Calkins gathered from various places last week on account of the serious illness of their father, who has had several strokes of paralysis. Lewis Calkins, a brother of the sick man, also came from Los Angeles for a few days' visit. Those from a distance are Mrs. Grace Durant and Mrs. Belle Hesseitine of Klamath Falls, and Mrs. Ethel Shanley of Compton, California. Another daughter, Mrs. Elsie Leming, lives in Montavilla and a son, Lewis, lives at home. Mrs. Durant and Mrs. Hesseitine and their uncle returned to their home on Wednesday. Mr. Calkins' condition is considerably improved.

W. K. Hamilton and his family, Harry, Allen and Anna Hamilton, and the former's sister, Mrs. Latham, all of Eugene, Oregon, came to Gresham for Memorial day.

Miss Neva Jackson spent the weekend at Salem, visiting with friends. While there she attended a picnic of deaf mutes.

R. E. Cannon and little sons, Jack and Billy, drove to Alsea Bay for a visit with friends and to enjoy fishing. He was successful in landing three fine salmon and also caught crabs and trout.

Mrs. Willard P. Jones is enjoying a visit from her sister, Mrs. S. H. Kenney and little son of Waterville, Minnesota. Mrs. Kenney plans to spend about six weeks visiting here and in Portland.

B. G. Boswell spent two hours last Sunday afternoon counting cars from his home on South Roberts avenue. He counted only those going toward Portland and found that between 4 and 6 o'clock 349 cars passed his door.

The Rev. H. R. Gebhardt, formerly pastor of the Zion Evangelical church here, who recently moved from Gresham to Los Angeles, writes the Outlook of a trip which he and his family recently took to Woodland to attend the annual district conference of his church. The distance was about 450 miles and gave them the opportunity to view many scenes and places of interest in California. They saw beautiful groves and vineyards and one fig grove of 12,000 acres. They visited Oakland and San Francisco and had a look at the old mission buildings at San Miguel and Ventura. Mr. Gebhardt is pastor of the only English speaking church of his denomination in Los Angeles, hence looks upon the entire city as his field.

A number from Gresham attended the funeral Monday afternoon of Mrs. Maria Smalley, wife of the Rev. B. F. Smalley, pastor of the Alberta Free Methodist church. The Rev. E. N. Long was one of the pallbearers, which body was composed entirely of ministers.

Mr. and Mrs. H. W. Evans moved Saturday to Portland, where Mr. Evans is employed by the Chambers Undertaking company. They have an apartment at 423 Killingsworth Ave.

About the happiest little boy in Gresham Sunday was Roger Kidder who, on the advent of his 9th birthday, was so far recovered from his recent affliction of infantile paralysis as to be able to deposit his nine pennies, representing a penny for each of his years, in the Sunday school birthday box and to extinguish the nine candles, as is the custom at the Methodist Episcopal Sunday school. It is believed that the little boy is on the way to permanent recovery.

Mr. and Mrs. August Johnson and the former's brother Gustav, came from Ryderwood, Washington, a Long-Bell logging camp, to spend the week-end with relatives and friends in Gresham and Powell Valley. Gustav Johnson, who was seriously injured when a three-foot log rolled over him last January, has been discharged from the hospital and is at the home of his brother regaining his strength. Fortunately, he fell in a slight hollow otherwise he would have been instantly killed. His face was imbedded in the earth and his feet were driven into the ground to his heels. He had several broken ribs and a fracture of the skull. His recovery is considered little short of miraculous.

Mr. and Mrs. Ralph Davidson and son Linville spent Decoration day at Independence, Oregon, visiting with relatives and friends. The trip was made more especially to decorate the graves of the parents of Mr. Davidson who are buried there.

Edward Stubbs returned Wednesday from a visit of several days with his grandparents, Mr. and Mrs. Dale of Estacada.

Mr. and Mrs. C. M. Quicksall and boys are enjoying a fishing excursion on the Deschutes river.

The Best Book of All

Fifteen years ago Dr. Chas. Eliot compiled the famous "Foot Shelf of Books," the equivalent of a liberal education.

Recently he added another book to this list—the bank book.

He discovered that intellectual liberty is closely connected with financial liberty, and that a bank book—"if not left in spotless and undisturbed serenity," can accomplish this.

A bank book issued by the First State Bank is a book that children can read and understand. It will

Bring Happiness
Promote Thrift
Assure Success
Win Public Respect and
Increase the Power—of those who use it.

Start your shelf with the best of them all—the bank book.

"If it were possible to inject the quality of saving into every boy, we would have a great many more real men."—Sir Thomas Lipton.
