## GRESHAM LOCALS

Word has been received from W. H. Congdon of Vernonia, Oregon, that his brother Frank of Brainard, Minnesota, passed away on June 29 following a stroke of paralysis. Mr. Congdon writes: "I am the only one left of seven brothers, having lost three brothers and three sisters since I made a trip east in 1917. Father Time has been busy with his scythe in this family, there being only three left out of 12."

Maurice Brown of Santa Monica, California, visited at the homes of Thomas Wiles, C. M. Harrison, C. E. Rusher, and other Gresham friends last Tuesday and Wednesday evenings. Mr. Brown, who is temporarily employed on the passenger steamer "Admiral Shley," is the son of Rev. and Mrs. J. Montcalm Brown, who formerly lived in Gresham where Mr. Brown was pastor of the Methodist Episcopal church for two years.

W. C. Burch left Wednesday morning for Lookout mountain, about 24 miles northwest of Carson, Washington, where he is dispatcher and fire lookout at the Hemlock, Wind River district, ranger station. This will be Mr. Burch's eighth year at this station. He has gone every year about this time and remains until the season of fire danger is passed, usually about October first. He will pack to the station, a distance of 14 miles from Hemlock. His son Claire will spend most of his vacation with his father at the station.

Dr. and Mrs. George F. Hopkins of Tacoma, Washington, and their daughter-in-law, Mrs. George F. Hopkins, Jr., of Portland, were callers Wednesday on Dr. and Mrs. A. Thompson and Mr. and Mrs. H. L. St. Clair. Dr. Hopkins was pastor of the Methodist Episcopal church in Gresham 13 years ago and his family will be remembered by many here. Their daughter May served as a missionary in Japan for a year, but on account of ill health was forced to give up the work. She is a teacher in the Tacoma schools, as is her sister, Mrs. Winifred Osborn, whose husband is an invalid. Vernon has a wife and little daughter. Their home is in Los Angeles.

Miss Olga Noreen arrived Sunday evening from Los Angeles, where she has studied for the past year in the Los Angeles Bible Institute. She will spend the greater part of the summer at the home of her parents, Mr. and Mrs. G. A. Noreen, and expects to continue her studies in the fall.

Miss Frieda Peterson, who is to be the bride of Newell Fancher in the near future, was honored by a miscellaneous shower on Thursday evening at the home of Mrs. Mildred Fancher. The rooms were prettily decorated in pink and white, with roses and sweet peas. Miss Peterson received many beautiful gifts. After playing several interesting games, refreshments were served. About 25 guests were present.

Miss Clara Shireman of Cedar Rapids, Iowa, who has been a guest of Miss Emma B. Johnson for the past month, left Monday for Seaside where she will spend a few weeks before returning to her home.

Miss Edna Angell left today for a visit in St. James, Minnesota, and Dundee, Illinois, with relatives. She will be met in Illinois by her mother who is coming from England, and who will come to Oregon with Miss Angell before returning to her home.

Mrs. R. D. Bailey visited friends in The Dalles the early part of this week.

Mrs. John F. Bamford and daughter Miss Ruth Bamford of Seattle, visited at the K. A. Miller home on Thursday.

Mrs. K. A. Miller, Mrs. James Sterling, and Mrs. E. E. Welling were delegates from the Gresham chapter to the Oregon Conference W. H. M. S., held at Corvallis from June 23 to June 25.

Mrs. Edna Bunting and children entertained friends from Woodland, Washington, and Portland on Wednesday evening.

Mrs. Ettsel T. Jones of Bremerton, Washington, is visiting with friends and relatives in Gresham.

The Ladies' Aid of the Methodist church met with Mrs. C. E. Jackson on Wednesday. After the regular meeting they were joined by their husbands and friends and a picnic supper was enjoyed.

Miss Elizabeth Johnson has returned to her duties as postmaster after a very enjoyable vacation trip to Colorado.

Rev. E. N. Long with his wife and daughter, Lois, is spending a few days at Newberg visiting with Mrs. Long's sister, Mrs. R. M. Massey and family. He expects to move his family soon to Oakland, Kansas, where his father is very ill. Mr. Long made a trip recently to Kansas but was obliged to return to Gresham. He will remain in the east indefinitely but some day intends to return to Oregon. The Rev. W. T. Klotzbach has moved into the parsonage and will take charge of the work of the Free Methodist church, succeeding Mr. Long.

A fire alarm was sounded yesterday morning about 9:30, calling the firemen and equipment to the lot back of the Methodist parsonage where a small blaze had been discovered on the roof of the woodshed by the pastor, Dr. C. W. Huett, who was working in the back yard. A small smoldering bonfire was burning about a hundred feet away from the shed and it was thought a spark must have blown onto the roof. The dryness and excessive heat of the day were conditions favorable to a fire.

Dr. Frank Peak and Geo. F. Honey have gone on a brief trip to Trout Lake, Washington.

Much anxiety is felt by friends of Miss Florence Honey as to her safety in war-torn China. Miss Honey, who has been in China for a year and a

half, was scheduled to sail for home on June 15. A letter written by her a few days before that date described the situation as serious and expressed the fear that she might not be able to get on board the vessel that was to bring her home. Her father, W. F. Honey, left early this week for Vancouver, B. C., on a business trip and while there planned to make every effort to learn whether his daughter has sailed or not. No word has been received from him to date. John Honey and his mother left yesterday by automobile for Vancouver to be present when the vessel arrives from the Orient.

Among those who came to attend the wedding of Miss Winifred St. Clair and Raymond Roger were Principal O. C. Hadley of the Athena high school and Mrs. Hadley, and Miss Merle Best of Pendleton, and Miss Kimball School of Theology, Salem, and Mrs. McCormick, and many college friends of the bride from Salem, Portland and other cities. Many busi-

## THE WAY TO WEALTH

SAID Benjamin Franklin, "is as plain as the way to market. It depends chiefly on two words—Industry and Frugality. That is, waste neither Time nor Money but make the best use of both. Without industry and frugality nothing will do; with them—EVERYTHING"

The officers of the First State Bank endorse this simple rule without reservations.

An account in this bank will materially aid you in achieving success.

It will give you a standing in the community and entitle you to the friendly and helpful advice and assistance of this banking institution.

"Without frugality few can become rich, and with it few would become poor."—Samuel Johnson.
