

CHANGES MADE IN PAGEANT PROGRAM

Important changes have been announced by Lionel Dobell in the pageant program for the coming week-end, which involves the rearrangement of the schedule in several details. The religious pageant, "Saul, King of Israel," has been cancelled. There will be no performance Sunday evening. The Mardi Gras, scheduled for Tuesday evening, has also been cancelled and in its place will be a costume recital featuring excerpts from the operas "Martha" and "Pagliacci," also the Sextet from "Lucia."

The recital will be given under the direction of Signor Roberto Corruccini, teacher of the art of singing Italian bel canto, and a singer, chorus master, prompter and musical director in a number of great grand opera companies in the United States. He will present Miss Margaret Masonek, lyric soprano, as Martha; Mrs. Katharine Corruccini, contralto, as Nancy; Ausby K. Bishop, baritone, as Plunkett; Ned Hockinson, tenor, as Lionel, in "Martha."

The program will include from "Martha" the duets "Amongst the Gay and Gallant Nobles;" "What a Chatter;" the quartet of the market, "O See, How at Us They Are Looking" from the first act. From the second act the quartets will be sung "Come in Ye Timid Damsels," "Damsels, Yonder Is Your Chamber," "I'm Filled With Consternation," "Spinning Wheel Quartet," and "Midnight Hour." In the third act will be given the arias "My Poor Lionel Will Die," "Dismal Care," "None So Rare, None So Fair," and "The Last Rose of Summer."

The selections from "Pagliacci" will be "Prologue," "Ballatella," and a duet. Mrs. Helen Heppner and Miss Katherine Dinsmore will be the accompanists, and Mrs. Adah Losh Rose the prolocutor. The Gresham band will play prelude and interlude.

On July 4 will be held a great patriotic pageant and fireworks, and on Monday night "A Night in a Persian Garden," a classic production by professional performers with wonderfully beautiful costumes and in an Oriental setting.

All these numbers will be on the Gresham fair grounds and will begin promptly at 8:30 o'clock.

Gresham Woman Honored

MRS. MINNIE EASTMAN
Newly Elected President of American Legion Ladies' Auxiliary, Department of Oregon.

MRS. EASTMAN HONORED AT LEGION CONVENTION

The highest honor in the gift of the American Legion auxiliary recently in session at Prineville, Oregon, was extended to Mrs. O. A. Eastman of Gresham, who was elected president for the ensuing year. This election came to Mrs. Eastman well merited, as she has served in responsible positions in the auxiliary with credit to herself and to the order. She has been president of the local auxiliary, and district committeewoman, has several times represented the Gresham auxiliary in state conventions and has represented the district in the national convention.

Mrs. Eastman accompanied Mr. and Mrs. Albert Camp to Prineville, where Mr. Camp represented the Gresham Post and Mrs. Camp the auxiliary. They drove to Eugene and were joined by Mr. and Mrs. John Marshall, brother-in-law and sister of Mrs. Camp. From there they drove over the McKenzie pass and to the convention city.

Mrs. Rose Wilcox of Estacada was made district committeewoman for this district.

What you want, when you want it—Want ad. It.

Berries for Shipping Coming to Cannery

Cuthbert raspberries for shipping to eastern markets are being brought in to the cannery by members of the co-operative association. Great care is being taken to get these in first-class shape and to keep them so, and growers are given instructions for handling the fruit in the following letter from the manager, D. E. Towle:

"Before you read this our first car of Cuthberts will be rolling to eastern consumers. We wish to ship 25 cars in the next two weeks and we want every member who can to help with this new market opening by bringing in all the nice fresh firm Cuthberts nicely packed with well filled hallowcks, with the covers nailed on, with the cleats on the outside, with a lath nail in each corner. Don't use more or less than four nails, stamp your grower's number on each end of the crate, keep as cool as possible, and deliver twice daily so the berries can be rushed to the chilling room. We think it will pay you well to help with the new enterprise. For the next 30 days we must do all in our power to take care of the berry crop as we need all the tonnage possible to supply the demand for our berries. No fear of an over supply this year.

"Now just a word about cherries. It is true that the hot wind damaged the Royal Annes to some extent by bruising and discoloring the fruit. This was unfortunate but farmers are used to this treatment, so we will have to watch carefully not to include the bruised and discolored cherries. We need all you can supply at good prices, also Lamberts and Bings at fancy prices. Please bring in samples and we will be pleased to give you desirable information as to the handling and will help you to get the most money possible for your cherry crop.

"Just a word about cannery crates. We should not have a crate shortage this season but at this writing the crates are all out and it looks that way. We can prevent a famine by bringing in the reserve crates. Please do so. Do not hoard so many, but let your neighbors have crates to use.

"All members who have more shipping crates or extra deck boards or covers than they need, please return them to the cannery for others to use. In the matter of pickers if you have more than you can use call up your neighbors and see if they are short, and if all are supplied direct them to the cannery office and we will place them and you will render a service and help your fellow members."

ANDREW PULLEN AND MISS KATIE HILL WED

Andrew Pullen, son of Mrs. W. E. Beagle, and Miss Katie Hill, daughter of Mr. and Mrs. Chas. Hill of Spray, Oregon, were quietly married on June 25, in the Methodist parsonage at Canyon City, in the presence of the bride's parents. After the ceremony the young couple left for a two weeks' honeymoon trip to the different beaches and resorts. Both the bride and groom attended the Gresham high school. Mr. and Mrs. Pullen will live in Gresham on their return.

Aged Odd Fellow Dies in Home

Rolla C. Herring, a charter member of the Odd Fellows lodge of Estacada, died at the Odd Fellows home Thursday evening, June 25, at 6:30. Mr. Herring was born March 4, 1848, at Genesee, N. Y. He was taken to the Odd Fellows home about five years ago where he remained until death came, caused by cerebral hemorrhage. Funeral services were held under the auspices of the Odd Fellows lodge of Estacada, at 2 p. m., Saturday, June 27, under the direction of Joseph E. Gates, Gresham. Interment was in the Odd Fellows cemetery, Estacada.

New Pharmacy to Open to Public on July 3d

The Taber Pharmacy is the name chosen by Chas. N. Taber and Wm. Thom for their new business enterprise which will be open to the public on Friday, July 3. The store is located in the Osburn building in one of the newly finished rooms which has a frontage of 23 feet and a depth of 64. It is admirably suited for its purpose, is light and clean and is furnished with new fixtures for lighting, shelving, etc. An iceless ice cream cabinet has been installed, and a modern fountain. Three refreshment booths, each capable of seating four persons, will be provided.

Chas. N. Taber, son-in-law to Wm. Thom, will be the prescription pharmacist. He is experienced in this line, having spent several years in the work both in the east and in Oregon and Washington. He has recently moved to Gresham from Longview, Washington. Miss Dorothy Cooper will assist in the store during the summer.

SECRETARY JARDINE IS HEARD BY GRESHAMITES

Gresham, June 27, 1925.—Gresham Outlook:—It was a very interesting talk Mrs. Mills and I listened to today at the Chamber of Commerce luncheon in Portland, by the United States secretary of agriculture, who is out on an information trip. He stated he was covering the western part of the country now instead of the south, southeast and northeastern states because it is so far away and he is taking advantage of the long time before congress meets again. He hardly expects to get so far away again during his administration. He objected to being forced to talk as this was a trip to listen to the farmer's ills and get suggestions and advise first hand.

His illustration of the co-operation among growers of the Sun Maid raisin growers of California was what he hoped all lines, as prunes, berry and other growers would carry out. His illustration of selling the Chinese a dozen raisins at a time in an envelope for their smallest piece of coin, that made a field for thousands of tons of surplus raisins was a master stroke by the co-operative manager. A number of us past students of the Kansas agriculture college of which he was president for seven years, had a reserved table and gave the yell.

P. E. MILLS.

The Importance of Hen Fruit

Few people who keep hens or eat eggs realize what a big thing the egg industry is. The United States produces about 2,000,000,000 dozen eggs annually; but China, the largest producer in the world, produces more than 3,000,000,000 dozen. Before the world war Russia was the largest egg-producing country in the world, the United States.

In 1923 China exported more than Russia has dropped below China and 91,754,000 dozen eggs, either in the shell or preserved in some form. Of this total 24,000,000 pounds (preserved) representing about 12,000,000 dozen in the shell, went to the United States.

The United States exports only about 30,700,000 dozen eggs, and imports from 12,000,000 to 15,000,000 dozen in preserved form. These large importations tend to depress the price of American eggs in the American market; so a republican congress placed an import duty of 8 cents per dozen on eggs in the shell, and 6 cents per pound on preserved eggs. The tariff of 1913 admitted eggs in the shell per pound or 10 per cent ad valorem.

The farmers who produce eggs are entitled to protection against Chinese eggs, in the shell as well as preserved.

Railway Brakeman Injured on Train

J. Carter of Sellwood, brakeman of the Mt. Hood local, freight train on the Bull Run line, was injured near the cannery in Gresham when he was raked off the car by a pile of ties placed too near the track. He suffered severe bruises but was not thought to be seriously hurt. He was examined by Dr. Inglis and was sent to Portland in an ambulance.

July 13-18—Elks national convention in Portland.

July 28-Aug. 2—Multnomah county fair at Gresham.

TWO AREAS GET SEVERE SHAKING

Wide areas in Montana and in California have during the past two days suffered severe earthquake shocks, causing many millions of dollars of property loss though comparatively small loss of life.

In Montana, Bozeman, Helena, Great Falls, Billings, Manhattan, Livingston and other cities have suffered damage to public buildings and railroad service and auto travel has been interrupted.

The quake in California centered at Santa Barbara but was felt practically all over southern California at Santa Barbara practically all large buildings were demolished or damaged. Latest reports placed the killed at 12 and a score or more injured.

There is said by geologists to be no connection between the two quakes coming so close together in widely separated areas. They just happened to come about the same time.

The quakes have continued at intervals since the first severe shock but with lessened force.

LOCAL WOMEN ASKED TO HELP KIDDIE KAMP

A number of women met with Miss Louise F. Shields yesterday afternoon to plan community cooperation with the Kiddie Kamp. Miss Shields requested donation of old linen, such as sheets and pillow slips, also old magazines for cut-out pictures for the children, and expressed a need for blunt pointed scissors. Plans are under way for a Sunday school session to be held on Sunday afternoons for the children. A committee to arrange for it consists of the Rev. E. T. Judd, Mrs. W. T. Klotzbach and Mrs. H. L. St. Clair. Twelve children between the ages of 18 months and 12 years were on hand Monday morning, which Miss Shields considered good for the opening and considering the fact that the Kiddie Kamp opened sooner than was expected. Provisions have been made for 100 children.

Many Citizen-Soldiers at Camp Lewis

Many citizens from this county are in training at Camp Lewis. The list includes about 70 from this county, mostly from Portland.

Seven hundred student-soldiers from Oregon, Washington and northern Idaho are being trained at this camp. Courses are given in infantry, field artillery, cavalry, engineers and signal corps.

The camp is commanded by Colonel F. T. Arnold, cavalry, chief of staff of the 96th division. He will be assisted by regular army and reserve officers.

Sanitary and health conditions are being carefully watched. Organized athletics and supervised recreation form an important part of the instructional program. The moral welfare of the student-soldiers is being looked after by Chaplain John W. Beard and Chaplain Edwin Burling. Protestant, Catholic, Jewish and Christian Science services are held in camp each Sunday.

NATIONAL GUARD COMPANY RETURNS

The Gresham company of the national guard, Headquarters Co., 186th Infantry, arrived home from the annual two-weeks' encampment on Saturday evening, browned by sun and wind and somewhat thinner than when they went, from the strenuous drills and the rigor of camp life. The boys agree that it was a fine two-weeks' experience, and well worth the effort. The hospitality of the people of Medford has become a proverb among them. There seemed to be nothing too good for the guard boys, and accommodations were freely granted and favors shown in every possible way.

As a remarkable evidence of the generosity of Medford citizens the boys tell of a two-day trip to Crater Lake, Klamath Falls and other places of interest which was given them through the courtesy of Medford people. Four hundred and sixty-seven automobiles were proffered to transport the entire camp, and the caravan was five miles long, said to be the largest peace-time caravan in history.

Jake Kuch of the local company had an escape from death which was said to be almost miraculous. He was offered a ride late one evening when he was returning to camp from Medford by a man driving a coupe. As the seat was full Kuch stood on the running board and held onto the window frame. His driver was evidently intoxicated, as he drove off the road, hit two mail boxes and broke them off and hurled Kuch 20 feet into an irrigation ditch, where he was found the next morning about 5 o'clock. He had been lying unconscious in the ditch into which the water was turned some time in the early morning, but fortunately his head was out of water. He was removed to the hospital where he recovered from his accident after two or three days.

Gresham's company was the first to detrain in Portland. Those who attended the encampment were, Major Edward W. Van Horn, 1st Lieutenant Clifford G. Schneider, 2d Lieutenant Cleveland A. Bliss, Staff Sergeant James R. Horr, Sergeants Jackson F. Jones, Ralph L. Davidson, Thomas G. Cooper, Francis W. Peak, Corporals Newell C. Fancher, Paul A. Bliss, Harrison M. Squire, William C. Wise-cup, Privates Orville P. Davidson, Dewey A. Gibbs, Harold J. Hudson, Richard H. Lane, William H. Maybee, Sidney F. Paul, Clair W. Burch, Mar-ion A. Butler, Ace L. Ferguson, Kenneth S. Griffis, Jake C. Kuch, Everett W. Lake, Bernard A. Robertson.

GRESHAM BUSINESS MAN WEDS HOOD RIVER GIRL

The marriage of Kenneth C. Roberts, son of Mr. and Mrs. D. M. Roberts of Gresham, and Miss Georgia Chambers, daughter of Mr. and Mrs. Joseph Chambers of Hood River, was solemnized in the Christian church of Hood River on Thursday, June 25, at 11 o'clock, the Rev. Mr. Hall, pastor of the church, officiating. Mrs. Hall played the wedding march. Mrs. Otto Hall of Hood River was bridesmaid and B. F. Aldrich of Portland acted as best man. The church was beautifully decorated for the occasion with pink and white roses. The bride was beautifully gowned. She carried a shower bouquet of Ophelia rosebuds and white sweet peas. After the ceremony a luncheon was given at the Columbia Gorge hotel. Among the guests at the wedding were Mr. and Mrs. Roberts and daughter, Miss Alice, parents and sister of the groom.

Mr. and Mrs. Roberts motored to Pilot Butte Inn at Bend, attended the American Legion at Prineville and will visit Crater Lake and other points of interest in southern Oregon. On their return they will make their home in Gresham. The groom is commander of Gresham Post American Legion.

Too late to classify.
