

FAIRVIEW GIRL AND GRESHAM BOY MARRIED

A pretty home wedding was solemnized at the residence of C. N. Buckner in Fairview Sunday morning at 10 o'clock when Miss Myrtle Buckner became the bride of Carl Soderquist, the ring ceremony being performed by the Rev. J. Stanford Moore in the presence of about 50 friends and relatives. The newly wedded couple left immediately for British Columbia where they will spend a week, after which they will be at home to their friends in the new home which they have purchased in Roseway. The bride was beautiful in a gown of pale blue silk crepe de chine. She was extensively entertained prior to her marriage, Mrs. J. W. Moller giving a

miscellaneous shower for her on Wednesday afternoon of last week which was attended by about 40 friends and relatives of the bride. Many beautiful and useful gifts were received, after which ice cream and cake were served by the hostess. Two other showers given her last week at Lents, one on Monday evening by the Women of Woodcraft lodge, of which she is a member, and the other at the home of Mrs. Boyles of Lents on Friday evening. The groom who is the son of Mr. and Mrs. Charles Soderquist, well-known ranchers in the Cedar district, is employed in a wholesale house in Portland.

TROUTDALE, OREGON

TROUTDALE BUILDING WORK GOES FORWARD

Troutdale is forging right to the front of late in the matter of building operations, several of the most important structures lost in the late fire to be replaced with bigger and better housings. John Larsson has begun the erection of a one-story concrete garage to take the place of the one burned on the 15th of May. The excavation is about completed and actual construction work is to go forward this week. G. E. Maxwell of Portland has the contract for this building.

N. S. Long's new 50 x 50 concrete building is progressing rapidly, the concrete for the second story to be run this week. There are to be ten living rooms upstairs which it is understood are to be used as apartments and two store buildings on the ground floor, one to be used as a confectionery and the other for the postoffice. It is said that J. S. Hudson has purchased the site where the old postoffice stood prior to the fire, from John Larsson. It is thought he will erect a building there later.

A. D. Tiller is busily engaged in remodeling his confectionery and in rebuilding his garage which was destroyed in the fire. The new garage will be of concrete. It was burned to the ground, but the house remained standing, the only residence left in the block at the time of the disastrous blaze in May. He is also putting in a new garage back of the residence property owned by him and which is occupied by Milo Coons.

At a meeting of citizens and engineers it was decided to tear down the Haley and Chalker buildings in blocks 4 and 6 respectively in Troutdale, as they had been condemned by the council. Fred Chalker of Gresham was in Troutdale a few days ago making arrangements to raze the house, which is the property of his parents who are now in California. The Haley building will also be disposed of in a short time.

BIRTHDAY OF EASTERN STAR MEMBER HONORED

Troutdale Chapter O. E. S. has established the custom of celebrating the birthdays of the older members who are seldom seen in the chapter room.

Following this custom, Mrs. Julia Snover received a pleasant surprise Thursday, July 9, when the worthy

matron, Mrs. Elizabeth Markell and other members of the order came to spend the afternoon with her.

The large porches, shaded by beautiful maples and orchard trees were found delightfully cool through the warm afternoon.

Refreshments of iced punch and cake were enjoyed by all.

Besides the worthy matron there were present, Mary Spence, Isabella Low, Katie Jonas, Eliza Stone, Margaret McKay, Hannah Shaw, Jessie Zimmerman, Jessie Millar, Clara Stone, Anne Copeland, Janet M. Lumsden, Margaret Knarr, Mrs. Robert Stone, and the honored sister Julia H. Snover.

As Mrs. Snover is also a charter member of Fairview grange and has been a resident of Fairview for more than 30 years, several other old friends called during the afternoon bringing flowers and congratulations.

Among those present were Mrs. Carrie Townsend and daughter Eva Stone, Mrs. A. L. Stone, Mrs. Struck and Mrs. R. C. Brooks, Mrs. Bliss with her mother Mrs. Engels, Mrs. Moore of Newberg, Mrs. Peterson, Mrs. Anderson and Mrs. Burns, Isabel Zimmerman and Helen Camp.

PASSING OF PIONEER WOMAN AT BULL RUN

Mrs. Annie Lowe, aged 65 years, who had lived two miles east of Bull Run for the past 43 years, passed away at the home of her daughter, Mrs. M. V. Findley in Gresham on Saturday, July 11. She had been in poor health for a number of months, spending several weeks in a Gresham sanitarium last winter, since which time she had resided with her daughter. She was born in Illinois. Mrs. Lowe is survived by four children, three daughters and a son, Mrs. M. V. Findley of Gresham and Mrs. Jackson Warren, Mrs. George Errend and Lloyd Lowe of Bull Run. Funeral services were held this afternoon from the Methodist church, in charge of the Rev. E. G. Judd. Interment of the remains was made in Douglas cemetery. The husband of the deceased died about a year ago.

"The best worker on the ranch"

"Yes, sir, that old Ford hasn't soldiered a day since I took to using this new Zerolene 'F' for Fords."

Ford owners who "tried out" Zerolene "F" for Fords when it was first put on the market have been sticking to it ever since.

Zerolene "F" for Fords is made by the Standard Oil Company's patented vacuum process. It lubricates all the bearing surfaces where oil is needed, especially the wrist-pin bearings and the upper half of the cylinder walls, which are frequently "oil-starved" when an unsuitable lubricant is used. The result is improved gasoline mileage, quicker starting and increased freedom from carbon and other motor troubles.

A Ford is an A-1 transportation investment. Protect your investment by proper lubrication.
