

EXPENSES NEARLY EQUAL TO RECEIPTS

An adjourned meeting of the fair board was held last night at which the first rather complete report was made of the finances of the recent fair. Secretary H. J. Pulfer reported the receipts of the fair to have been nearly \$37,000 with a few items still outstanding. Taking into account all the bills on hand and estimating some other items not yet billed it appeared the net proceeds from the fair would be between \$500 and \$1000.

These figures and estimates cover only the year's fair and do not include the new work, such as the entrance arch, bleachers, etc.

The estimated receipts of this year's fair are higher than for any previous fair by about \$6000 dollars, which increase indicates larger attendance and use of grand stand and bleachers.

The expenses for almost everything in connection with the fair have mounted skyhigh, and it was somewhat of a surprise to the board to have the expenses of this year's fair nearly equal the receipts.

There are many unfinished matters pertaining to the fair and the plans for new race track and buildings are still rather indefinite. Something will be done but just what is undetermined.

Kenneth Roberts is making a plat of the new race track and soon the architects, Theilen & Angell, will submit plans for new buildings and development of the grounds.

In order to get some of these things under way early it was decided to meet again early next week and the board adjourned to next Tuesday night at the city hall.

Methodist Episcopal Church Services.

Bible school at the Methodist Episcopal church will meet at 10 o'clock with classes for all ages, well qualified instructors and warm welcome for strangers.

The pastor, Dr. Chas. W. Huett, will preach at 11 o'clock taking as a subject "True Greatness." There will be special music.

The Epworth League will meet at 7 o'clock for devotional meeting. Miss Frances Welling will be the leader and the topic will be "Workmen by the Way." It is expected that the delegates who represented the League at the recent institute at Falls City will give a report of the Institute for the benefit of those who could not go.

In the evening the pastor will give a sermon lecture taking as a theme "India, Ceylon and the Mohammedan World." These world travel topics are proving of real interest to the people privileged to hear them and Dr. Huett speaks from first hand knowledge as he passed over that route on his way to America from Japan.

The mid-week service will be held on Thursday evening at 8 o'clock in the church parlor. This is a meeting for prayer and Bible study and all who love the Lord and are trying to serve him are cordially invited to be present.

Free Methodist Services Announced

Services will be held as usual the coming Sunday at the Free Methodist church with Sunday school at 10 a. m. and preaching at 11. The subject of the sermon will be, "Faith That Saves." There will be preaching in the evening at 8 o'clock following the young people's meeting at 7.

The monthly meeting of the Woman's Missionary society will be held at the parsonage Wednesday afternoon, August 19 at 2 o'clock.

Autos Collide on Troutdale Bridge

An auto accident took place at the east approach to the Troutdale bridge about 10 o'clock Thursday night when a Buick, westbound, collided with a Ford going east. There is a curve at this place and it is said that the Buick, a machine from Boise, Idaho, was on the wrong side of the highway. No one was seriously injured, although a man was brought into the Pup grille of Chas Drake where first aid was administered for a cut on the head. A front fender and axle of the heavier car were broken and the Ford fared somewhat worse, according to reports, and it had to go to the repair shop.

NEW ROAD BUILDING TO DODGE PARK

The steep grade of the Crissey hill on the pipe line road west of Dodge Park will in the future be eliminated by the new grade a mile in length which is being made. The grade of the old road is estimated to be from 10 to 18 per cent and very narrow and difficult in places. The new road will be not over 6.4 per cent grade and will require the services of 25 men several months before the work is completed. R. E. Kremers of Portland is in charge of the contract for the construction of the new bridges across the Sandy at Dodge Park and across the Bull Run rivers.

Improvements are also going on for two miles of the city's road to the Bull Run headworks, the roadway being regraded and widened in places. Rock has been laid for a mile from Larsen's bridge to Bull Run. Three thousand yards of rock were laid last month under the supervision of Geo. TenEyck.

RAINBOW SHOWER GIVEN MISS MAUD MICHEL

Miss Maud Michel was given a miscellaneous shower Wednesday evening by three of her friends, Mrs. Bessie Long, Mrs. Mary Dodge and Mrs. Willa Grass, at the home of Mrs. J. G. Metzger in honor of Miss Michel's approaching marriage to E. O. White, a Portland business man. About thirty guests were present at the function, a number of whom were from Portland and surrounding towns. The motif for the occasion was the rainbow, paper festoons of rainbow hues stretching from one corner of the room to the other. One corner was fastened to the wall, but at the other end of the "rainbow" dipped into the fabled pot of gold, which in this instance held not gold but parcels of various shapes and sizes which proved to be beautiful gifts from the friends of the bride elect. Shaded colored lights placed at intervals in the rainbow enhanced the pretty scene. Vases of golden glow were scattered throughout the rooms. Games were played, after which ice cream and wafers were served.

Miss Michel is the daughter of Mr. and Mrs. P. Michel of Gresham. She is a graduate of both Gresham Union high school and the Monmouth normal and after teaching in the Gresham grade school for a number of years accepted a position in the Portland schools, which position she now holds.

Gresham Udenominational Services

Sunday school will be held at 10 in the morning as usual next Sunday at the Gresham Udenominational temple, after which cars will leave immediately for Sandy river west of the Troutdale bridge, where baptismal services will be held. Transportation will be furnished to all not having their own cars. Preaching will be held at the temple in the evening at 7:45. Prayer meeting is held every Tuesday evening and Bible study every Friday evening at the temple. All are invited to these services.

REV. H. J. RANTON, "COWBOY EVANGELIST"

The Rev. H. J. Ranton, of Des Moines, Iowa, brother of the Rev. E. G. Ranton of Pleasant Home, is shown here in his cowboy dress. He will speak in the Boring community church at 10 o'clock, in the Pleasant Home Methodist church at 11:15 and at Sandy at 8 o'clock Sunday evening, August 16. He was reared in Montana without Christian training; the result of which was a wild life of

sin, and discouraged, thinking there was no hope in life for a young man, he decided to commit suicide. He was then brought to surrender his life to God and a year later began to preach. He has chosen for his field of labor the neglected rural community and has been used in winning many people in such places to the Christian life. He is known in the middle west as the "Cowboy Evangelist."

MRS. ALEXANDER EASTON DIES OF PNEUMONIA

Mrs. Ann Gertrude Easton, aged 54, died at her residence in Gresham on Wednesday, August 12, from pneumonia, from which she had suffered for the past week. She was born in California and previous to coming to Gresham two and a half years ago, had lived at Bull Run. She is survived by her husband, Alexander Easton, a stepson, Eugene, a foster daughter, Helen Jane, two sisters and a brother, Mrs. Jane Klum, Asiland, Oregon, Mrs. Helen Scott, Beverly Hills, Calif., and George Churchman, Tacoma, Wash. Funeral services were held this afternoon at the Holman Undertaking parlors, Portland, with interment in the Milwaukie cemetery.

Woman Suffers Broken Wrist

It has been found that Mrs. A. W. Anderson, living near Anderson station, was hurt more seriously than was supposed when she fell two weeks ago, breaking one of the bones of her wrist. It was thought at that time that the ailment was nothing more than a sprain, but as it failed to respond to treatment a more thorough examination was made and it was found one of the bones was fractured. Her arm is now in splints and it is expected her recovery will be rapid. Mrs. Anderson suffered a stroke of paralysis about a year ago.

FRANK TACHERON WEDS MISS MABEL RENNE

Frank Tacheron, a former Gresham boy and youngest son of Mr. and Mrs. George Tacheron, wedded Miss Mabel Renne last Saturday evening, August 8, at the home of the bride's parents in Portland. The ceremony was performed by the Rev. A. S. Hisey, who exactly two years before had officiated at the wedding of the groom's sister, Marie, and Emmett Welling. Miss Eva Tacheron was bridesmaid and Harry Renne, brother of the bride, was best man.

The bride wore a gown of white crepe satin with panels of lace and a full length veil arranged with orange blossoms. Her bouquet was fashioned of bride's roses, white sweet peas and lilies of the valley. The bridesmaid's gown was of green chiffon over silver and her bouquet was of pink roses.

Those attending the wedding from here were the parents of the groom, his uncle, Paul Tacheron of Monmouth who was visiting here, Miss Violette Perret, Dr. and Mrs. H. H. Ott and Mrs. Alice Viulleumeir. Mr. and Mrs. Emmett Welling of Salem were also in attendance.

After a brief wedding trip Mr. and Mrs. Tacheron will go to Seattle to make their home.

Mr. Tacheron has been employed for the past year in the Luxury kitchens in Portland and goes to take charge of that company's branch in Seattle.

SCHOOL DAYS ARE JUST AROUND THE CORNER

School days for several hundred children and young people of Gresham and immediate vicinity will begin again very soon, after the long summer vacation, and the streets will again be filled with rollicking, laughing youth on their way to and from school.

The high school will open its doors on September 8 and the grade school on September 14.

Approximately 400 children were in the Gresham grade school last year and 300 in the high school, and there is every reason to suppose that the enrollment this year in these institutions will be larger still. Both schools retain the principals who have had several years experience here and in both schools there will be a goodly number of old teachers with a sprinkling of new.

In the high school, besides Principal Roy E. Cannon, the teachers will be Miss Miriam Inglis, Miss Eve Hutchison, Miss Dorothy Dickey, Miss Marjorie Machen, Miss Augustia Hahn, Miss Ulala M. Strattan, Miss Hope McKenzie, Miss Hazel Wasson, all former members of the high school faculty, also Miss Elizabeth Parker of Portland, Miss Portia L. Kidwell of Pilot Rock, C. W. Kruger, coach; Kenneth D. Fendall, agricultural teacher; and Lyle R. Mason, a Gresham boy, who will teach in the commercial department.

Twelve teachers will be required in the Gresham grade school besides the principal, C. M. Quicksall, to supply the teaching force of the growing school. They are, Miss Ida E. Nordine, Mrs. Mary L. Krueger, Miss Rachel J. Chezem, Miss Virginia Broughton, Miss Christine Johns, Mrs. Grace Ogilbee Lane, Miss Adele Schenk, Mrs. Pearl Hayden, Miss Helen Hoss, Miss Kathryn Inwood, Mrs. Gladys Hoyt and Miss Alice J. Leekley. Of these teachers Miss Inwood and Miss Leekley are new and Miss Schenk returns to school after a year's study in the Oregon normal.

Indian Still Held in Jail

Judge Deich is of the opinion that the reservation is the place for Robert Parr, Umatilla Indian, who was in Gresham during the fair week as a roper with the rodeo and who was arrested on the charge of contributing to the delinquency of a girl near Gresham. He is still held in the county jail although his attorney has been making strenuous efforts to get him released in order that he may have an opportunity to fill his contracts with various rodeos and fairs throughout the country. Parr is a ward of the government and has a ranch on the reservation. He is now being held for action of the grand jury.

Japanese Gets into Trouble

Trouble began for M. Tamura, a Troutdale Japanese, when he attempted to appropriate the entire flow of Beaver creek for irrigation purposes, resulting in the death of thousands of trout and salmon. He was arrested on the charge of maintaining a dam without proper fishway and fined \$50, according to report. Tamura was ordered to remove the dam immediately.

Zion Evangelical Church Services

Services at the Zion Evangelical church next Sunday will begin with Sunday school at 10 o'clock, which will be followed at 11 by preaching in the English language by the pastor, the Rev. E. Horstmann, who will take for his subject, "The Chief of Sinners Saved." At 11:50 he will preach in the German on the subject, God's Righteous Judgments. The monthly church day and meeting of the Junior league will be omitted this month.

Gresham Community Church, Bible Standard.

Services will be held as usual at the Bible Standard Community church in Gresham next Sunday, beginning with Sunday school at 10 o'clock, followed by preaching at 11 by the Rev. Earl Crook, who will preach again at 8 in the evening. Prayer meetings are held every Wednesday evening at 8 o'clock.
