Unnecessary Expenditures Cut Road Mileage.

Our annual road bill is approaching the billion-dollar mark. The cost of state highways, not to mention county roads, runs up to astonishing totals—millions and millions of dollars per state.

With thousands of miles of road to be paved in practically every state, and available funds for only some hundreds of miles, it is essential that the officials charged with the expenditures of the taxpayer's dollar study types of pavement which will give the maximum wear and mileage at a minimum of expense for first cost and maintenance.

The California Oil World criticizes the highway program in California, which it claims, calls for an unnecessary expenditure of \$10,000 a mile for highway repair work where cement concrete is used for surfacing, when more satisfactory results could be secured with asphaltic concrete at a great saving.

It is necessary to lay a heavier course of cement concrete over a broken or shattered piece of road than would be required with asphaltic concrete, because the cement does not have the elastic qualities of the asphalt to bind the broken and loose particles of the road base into a shock absorbing resilient mass.

ARBOLEDA

Mr. and Mrs. Floyd Halladay entertained on Friday evening of last week with a masquerade party and dance at the Arboleda clubhouse. Mrs. Halladay's sister, Mrs. Elliott F. Wood, of the Hawaiian Islands was the guest of honor. About 30 guests attended and many beautiful and comical costumes were worn. Prizes were awarded as follows: first prizes, Mrs. E. F. Wood, hula costume; J. C. Finnell, Jewish costume; second prizes, Mrs. C. G. Robinson, old-fashioned costume; W. R. Locke, lady's costume.

Mr. and Mrs. Frank Ott and children and Mrs. Emma Snodgrass of Portland were the guests last Sunday of Mr. and Mrs. W. R. Locke.

A dancing party was given at the Arboleda clubhouse Monday evening by Mr. and Mrs. D. W. Bridgefarmer and Mr. and Mrs. J. C. Finnell in honor of Mrs. Bridgefarmer's sister and brother-in-law, Mr. and Mrs. Ben Gable of Maupin. In addition to the dancing, many games were enjoyed.

George D. Scott of Marion, Kansas, is a guest at the home of W. V. Church.

Mr. and Mrs. W. R. Locke had as guests Tuesday evening, Mr. and Mrs. C. F. Wendland of Portland.

Mr. and Mrs. J. C. Finnell entertained Wednesday evening with three tables of 500. In addition to the host and hostess, those present were Mr. and Mrs. D. W. Bridgefarmer, Mr. and Mrs. Ben Gable of Maupin, Mr. and Mrs. C. G. Robinson, Mr. and Mrs. Floyd Halladay and Mr. and Mrs. Roy Darling of Portland.

The Methodist Ladies Aid will meet on Wednesday afternoon with Mrs. Martin Lennartz. As this is the first meeting since the summer vacation period, it is hoped that all members will be present and an effort made to renew the interest in the work for the winter.

Mrs. M. Lennartz, who has been visiting her sister in Kansas City and her mother in Milwaukee, Wisconsin, arrived today at her home here.

Today was the last session of the daily vacation Bible school at the Orient school. Next Monday evening, Labor day, a demonstration will be given at the schoolhouse at 8 o'clock of the memory work that has been done during the two weeks. There will be a recital of psalms, songs and other things that have been memorized. Also at this time a presentation will take place of certificates won for attendance and memorizing, and also prizes awarded to winners of the memory contest. There also will be the final session of the Bible contest, in which the boys will participate against the girls. The public in general is invited to be present at these exercises.

Are Your Teeth in Bad Shape?

If you have a bad tooth, perhaps what you need is a gold crown to cover it. If some teeth are missing, they can be replaced by what is called bridgework, which means that new teeth are fastened in by attaching them to other natural teeth in your mouth.

Or maybe you need artificial plates, which can be made so natural looking that it is not easy to tell them from real teeth.

The best place to have this kind of dental work done is at an office where Registered Dentists use the E. R. Parker System, because these dentists make special arrangements with out-of-town patients, so that fewer visits are required and you don't have to call so often.

Prices are always reasonable, and no charge is made for examinations and advice. There are thirty-one offices where the E. R. Parker System is used.
