JOHN LIND BURIED AT PLEASANT HOME

A large crowd gathered at the Mission church in Powell Valley Sunday afternoon to pay the last respects to an old friend and neighbor, well beloved by all, John Lind, who died Friday morning at his home on the Boring road. He would have been 85 years of age the coming month. Mr. Lind was born in Vernland, Sweden, and came to America in the spring of 1857, settling in Linford, Kansas. He married August 7, 1879, Miss Regina Sandstrom, to which union four children were born, only one of whom, Mrs. Martha Green, of Portland, is now living. In March, 1881, they came to Oregon and in 1895 his wife died. In June, 1899, he married Miss Ida Kall, who, with three daughters, Ruth, Edith and Anna, survives him. Two Grand children, Theodore and Norman, also survive. The Linds came to Powell Valley about 5 years ago from the Kelso neighborhood, where they had been engaged in farming.

The Rev. O. J. Wilner had charge of the funeral services and spoke very feelingly, in both the English and Swedish languages, of his pleasant relationship with the deceased. Mr. Lind was converted in early young manhood and had been an active Christian worker the greater part of his life. He was much gifted in spiritual exhortation and will be greatly missed from his activities in the Mission church in Powell Valley. There were many beautiful floral contributions. Mrs. Karl Hagberg sang, accompanied on the organ by her daughter, Miss Martha Hagberg. The pallbearers were H. P. Christensen, John Vicklund, August Peterson, Carl Sedg, J. J. Johnson and O. F. Ekstrom. The concluding services were held at the Pleasant Home cemetery.

PLEASANT HOME

On account of the funeral of Mrs. Grace Wheeler, which will be held on Wednesday afternoon, the meeting of the Pleasant Home Methodist Ladies Aid has been changed from Wednesday until Thursday afternoon, at which time it will be held at the home of Mrs. John Ickler. Tea will be served and a silver offering will be taken. The district Sunday school association will meet in the Pleasant Home Baptist church Sunday. Dr. Milliken, of Portland, director of religious education for the Baptist young people, will speak in the morning and the Rev. Andrew Johnson, of Haley, will lead a discussion in the afternoon. A basket lunch will be served at noon.

LUSTED

Born to Mr. and Mrs. Walter Hossner on Sunday, October 18, a 9-pound son who has been named Ronald Walter.

BORING

Brenton Vedder, superintendent of schools of Clackamas county, will speak at the Damascus grange which meets at the I. O. O. F. hall in Boring next Saturday night, October 24, at 8 o'clock. Everyone is welcome to attend.

ROCKWOOD

Rockwood grange held a very enjoyable meeting last Saturday night. Jas. G. Kelly, master of Pomona grange, his wife and daughter were present. Mr. Kelly made some interesting remarks in regard to the entertainment of Pomona which will be at Rockwood on November 4. It is hoped that Mr. Martin, national grange lecturer, will be present at that time. Supper was served last Saturday by the men, and their friends are congratulating them on their splendid success. It was decided to give a card party at the grange hall next Saturday night, October 24, to which the public is invited.

CAMP HILL

The Camp Hill Woman's club will hold a harvest dance and 500 card party, Friday evening, October 23, at Bunn's new poultry house on Barker road. Committee in charge consists of Mrs. C. Lettow, Mrs. Wm. Hornecker and Mrs. H. C. Johnson. The public is invited.

Important Notice

On and after November 1, 1925, we will do a strictly cash and carry business.

It will pay you to investigate our prices. Watch for them in this paper of October 30.

Vocal Prodigy

Miss Marion Talley, 18 year old daughter of a telegraph operator, will sing in the Metropolitan Opera Company. Hailed as a vocal prodigy, her fellow townspeople of Kansas City gave a benefit which enabled her to study in Europe for the past three years, and paved the way for her present success.

COLUMBIA HEIGHTS

Preparations to entertain between 200 and 250 delegates of the Parent-Teacher association convention at a luncheon at 1 o'clock Friday, October 30, was the main business at the P.-T. association meeting at Columbian High last Thursday evening. Mr. and Mrs. Morgan of Chanticleer Inn will entertain the delegates and have kindly donated their house for the party. The local circles will assist the host and hostess and most of the food has already been donated. The Corbett Parent-Teacher association will contribute ten gallons of salad. Columbian High has just received three new typewriters of the Underwood type and it is needless to say that the students are pleased. The senior and junior classes, chaperoned by Miss Joy Crockett, attended the production of the play, "Lightning", given at the Heilig theater.

Ward Evans has just returned from his hunting trip with two deer. Mr. and Mrs. H. Rickert are making extensive improvements to their little bungalow at Corbett.

Forrest Taylor and Miss Anne Berryman, of the Forrest Taylor Stock company, spent several days at Chanticleer Inn last week.

Mrs. Minnie Rasmus, the well known writer and dramatic reader, just left for the south where she will spend the winter. Mrs. Rasmus, during her stay here, made many friends by her gracious and sweet personality. She will long be remembered by those who were so fortunate as to be present when she gave the "White Robed Stranger" at the Columbian High recently.

Mr. and Mrs. McKay spent Saturday in Portland.

Mrs. Lottie Benfield will leave for Pasadena, California, with her son-in-law, W. Cromsten, who has been visiting with old friends here for some time. Mrs. Benfield will spend the winter in the south. The Women's Advertising club of Portland will dine at Chanticleer Inn this evening, tables for 60 having been reserved.

Mr. and Mrs. Edward Ehrman and maids left for Portland Thursday after spending the summer here at their beautiful summer home. The Ehrmans have installed an electric pump to furnish water for their two large fishing ponds which are alive with thousands of little trout. Mr. and Mrs. Ehrman have taken up quarters at the Benson for the winter.

C. Bramhall's new residence is almost completed and looks very nice.

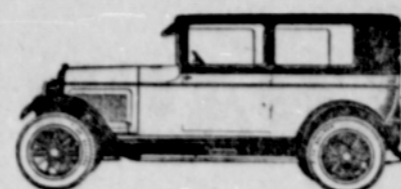

Mrs. Marian Crane is making arrangements to remodel her summer house. C. Woodie will be the builder. Mrs. V. Farrin, a music teacher of Portland, has established a class at the Corbett grade school where she meets her pupils on Saturdays. She is a pupil of Gertrude Kendrick.

CORBETT

Miss Hazel Butler, a student of Columbian high school, suffered a painful and annoying accident last Monday when a Ford, which she was attempting to crank, kicked and struck her on the right wrist and broke the large bone of the arm just above the wrist.

Born to Mr. and Mrs. Walter Mann they on October 2, a son, at the home of Mrs. Harriet Timmerman in Gresham. The boy, who is the first grandchild of Mr. and Mrs. D. G. Butler, tipped the scales at 7 pounds.

FAIRVIEW

The Halloween social held by the Parent-Teacher association at the schoolhouse Friday evening was a most successful and enjoyable community affair. There was a gratifying representation of parents and friends, and the committee consisting of Miss Beryl King, Mrs. E. S. McElwain and Miss Reta Ellis deserves much credit for the arrangement. A movement was well started toward providing curtains for the stage. Reports were given of the progress of plans for the hot lunches. Many old members paid dues and new ones joined the Parent-Teacher association.

The boys and girls made a creditable exhibition of their gym work under the direction of Miss Beryl King, and it is hoped that these evening gatherings may be continued during the winter months.

Mrs. J. H. Peterson will entertain at her home Friday evening with a tea at which a silver offering will be taken. This social will be for the benefit of the Ladies Aid of the Methodist Episcopal church and all are cordially invited.

TROUTDALE

Richard Knarr, who was formerly engaged in the handling of sand, gravel and cement bricks with his father, J. R. Knarr, is erecting a new home for himself and wife on his 40-acre tract known as Sandy Dell. This

tract is located about a mile south of Troutdale on the west bank of the Sandy river and Mr. Knarr is planning to sub-divide the acreage into acre tracts and place them on the market for sale. The elder Mr. Knarr is continuing the sand and cement business alone.

The social committee of the Troutdale Chapter of the O. E. S., composed of Mrs. George Lumsden, Mrs. Minnie Biederman and Mrs. L. T. St. Clair, have planned for the second of a series of card parties to be given Wednesday evening, October 21. The playing will begin promptly at 8:30, followed by a program and refreshments.

"Truth in Meats"

ABERDEEN-ANGUS STEER "QUEENMERE 24TH"

Grand Champion Pacific International Livestock Exposition, 1924. Bred, fed and exhibited by Gogdon and Battles, Yakima, Wash.

At the Pacific International Livestock Exposition to be held in Portland this year, October 31st to November 7th, it is proposed to give a demonstration which will carry out the idea of "Truth in Meats."

Assisting in this work will be the Department of Agriculture, colleges of Oregon and the Pacific slope, packing-house people, stock-yard officials and commission men, and retailers as well. Six to eight live animals, nicely bedded down and properly cared for, will be graded from prime to common, and over the head of each will be posted the price on foot at which its kind is selling in the stock-yards that week. Directly back of them, in a refrigerator, will be shown carcasses from animals of a similar lot. These carcasses will also show the selling price

from the packer to the retailer. Farther down in the refrigerator, will be shown the regular wholesale cuts of meat usually sold in the trade. These, too, will carry their proper pricing as regards the various grades.

Finally, in a counter will be seen all the retail cuts from these various packing-house lots; they in turn showing exactly what a choice cut from the choicest animal should sell for; bearing in mind all the time that the overhead in the retail store is just as much, pound for pound, on a common animal as it is on a choice one.

The purpose of this entire demonstration will not be to prove that the retailers are getting too little or too much for their meat, but rather to show the relative value of prime as compared with common meat.
