

CAMP HILL WOMEN GIVE ENTERTAINMENT

The Camp Hill Woman's club opened its social season Friday, November 23, with a dance and card party at the spacious new poultry house of Bruce Bunn on Barker road. One hundred people were present. The room was brilliant with electric lights and gay with autumn foliage and decorations suggestive of Halloween. Fine music was furnished by the Lynch orchestra of six pieces, Dr. Johnson of the Gresham band donating his services for the occasion.

The door prize was given to Orville Davidson and honors at cards went to Mrs. George Fortner and George Middleton. Refreshments of cake, coffee and popcorn were furnished the guests by the club women. Much of the success of the party was due to the efforts of the chairmen, Mrs. Hornecker, Mrs. Lettow, Mrs. Steele and Mrs. Johnson.

Mr. and Mrs. Bunn were ideal hosts and the affair was so enjoyable that other similar parties have been planned for the fall and winter.

ARBOLEDA

Mrs. Peter Borgan entertained the Joker club at her home Friday afternoon of last week. An enjoyable afternoon was spent at cards. Honors were won by Mesdames I. V. Sater and H. C. Bourne.

Mr. and Mrs. J. C. Finnell and Mr. and Mrs. A. D. Finnell were the guests Sunday of Mr. and Mrs. Ralph Benson of Portland.

Mrs. Fannie Wilson and Mrs. Ludlum of Portland were the guests last Sunday of Mrs. Peter Borgan.

Mr. and Mrs. Roy Darling and children of Portland were dinner guests on Sunday of Mr. and Mrs. D. W. Bridgefarmer.

Mrs. J. C. Finnell attended a mah jong party Tuesday in Portland at the home of Mrs. Floyd Case in Walnut Park. Mrs. Finnell claims to be an amateur at the game, however, she carried off first prize.

Mr. and Mrs. Peter Borgan motored to Keiso on Monday. They report an enjoyable trip.

D. W. Bridgefarmer had a forest fire to fight in his own back yard Tuesday. Mr. Bridgefarmer had been burning stumps and Monday night under a strong wind the fire spread rapidly. However, the fire was controlled with no damage done.

Mrs. Charles Hull and Miss Gwendolyn Hull were guests at the home of Mrs. Susie Thompson.

Mr. and Mrs. Peter Borgan left Wednesday for Eugene where they will spend several days as the guests of Mr. and Mrs. A. B. Ausman.

The "country fair" held at the Arbolede clubhouse last Saturday was a big success. The merrymaking began at 6 p. m. and lasted until midnight and during this time the nine booths were kept busy. The fishpond was the most popular with the kiddies and of course the booth where the real kisses were sold was the most popular with the men folks; while the fortune teller was sought by everybody. Dancing, also, was enjoyed during the evening.

GILLIS

Mrs. M. L. Hillyard is the lady who was given a pleasant surprise party on Monday afternoon, October 19, at her home near Gillis, rather than Mrs. M. L. Wheeler, which the correspondent incorrectly understood.

TRUCK SERVICE MOVES CLUB MEMBERS' STOCK

A regular schedule has been worked out this year in connection with the transferring of the livestock of the territory in and around Gresham to the Pacific International exposition at north Portland. Today the fleet of trucks of the Gresham Transfer & Storage company is making the rounds and gathering up boys, girls, pigs, cattle, etc., all in one grand melee so to speak and bustling them over to the exposition grounds where, for a week to come, they will be the center of attraction for the thousands who will attend.

It has required some study on the part of W. D. Kinder, county club agent, to do this, but everything started off like clock work and much of the inconvenience of former years when each exhibitor had to look up a means of conveyance has been avoided. In like manner at the close of the big show, the club members with their exhibits will be brought back to their homes.

MULTNOMAH CAMP, OPEN HOUSE SUNDAY

Multnomah Camp No. 77, Woodmen of the World, will keep open house next Sunday, November 1, in connection with the dedication of the camp's new hall at East Sixth and Alder streets. The hall will be open to members and friends from 11 a. m. to 11 p. m.

This is one of the largest fraternal orders in Portland, having in its several camps over 10,000 members. This camp has about 6500 members and is the banner camp of the order. Over 100 members live in Gresham and vicinity.

The new hall will be one of the show places of Portland and the public should welcome this opportunity to view the entire building.

The dedicatory exercises will be held at 2 p. m. Head Consul I. I. Boak and other head camp officers will be present and participate.

AN APPLE A DAY KEEPS THE DOCTOR AWAY

The National Apple Shippers' Association has renewed its appeal for national cooperation in spreading the gospel of the apple during "National Apple Week," October 31-November 7. With a desire to respond in the most effective way possible the Union Pacific offers to broaden and make more complete the use of its now famous "150 Recipes for Apple Dishes." This valuable publication, which really originated in the Portland office of that System, bounded so suddenly into public favor that the management at headquarters decided to reproduce it in quantities to meet the enormous demand, and it will be good news to all who are interested in the apple to learn that it has now passed the eighth edition exceeding 1,150,000 books. It has not only reached every portion of the United States, but has leaped into Europe and was in fact the cause of the big apple movement now sweeping over England and some of her colonies.

Experts in culinary departments in hundreds of institutions throughout the land testify that the recipes are without exception the best collection known, and not one in the book that will not stand the most exacting test of domestic science. The book is now available without expense to any one concerned and will be mailed in single copies or quantities to any address on request to Wm. McMurray, general passenger agent of the Union Pacific System at Portland, Oregon.

This offer is made in the faith that it is the best means yet devised of promoting a larger and more intelligent use of the apple, in which Oregon and Washington are so vitally interested and which all students of the science agree is the best dietary food with which nature has blessed us.

"Haven't had one made in ten years and I would not want to give you one of those."
Possibly you dig up an old portrait and stand a lot of joshing like—
"I remember when they did their hair that way."
OR—
"I used to have a tie like that; weren't they funny?"

Cheering the sad ones, loving the bad ones,
Always doing our bit,
Helping the glad ones, soothing the mad ones,
Trying to make them fit,
Working for humanity, helping each other
