

HALEY

There will be services at the Baptist church at Haley on Thanksgiving day at 11 a. m. The Rev. Bjorkquist will speak, after which dinner will be served. The Mission circle will render a program at 2 o'clock, to be followed by a missionary offering. All are cordially invited to spend the day at this service.

MULTNOMAH GRANGE TO HAVE DEBATE

The subject of "Do farmers have any more trials than others?" will be the main feature of a discussion which is apt to prove spirited when the Multnomah grange meets for its lecture hour at Orient hall, November 28, at the regular meeting of the grange. Morris H. Wheeler and H. L. Ball are the leaders of the sides which are expected to bring out the strong points in the debate of this interesting question. The program will be varied, including a group of Scotch songs by the Rev. William Fairweather, pastor of the Pleasant Home Baptist church. C. E. Spence, state market agent, has been invited to deliver an address.

FAIRVIEW

The Fairview grange will give an entertainment on Friday evening, November 27, at the city hall. The program is in charge of Mrs. E. H. Stenberry of Portland and consists of original readings and impersonations, with several musical numbers. Lunch will be served after the program. A small admission will be charged. Everyone is cordially invited.

Mrs. John Strecken, who has made her home with her daughter, Mrs. Elsie Brooks, for the past three years, left Friday for Los Angeles where she will visit with another daughter, Mrs. Rhoda Doyle, and other relatives during the winter.

Cream Prices.

The Sandy Creamery is paying 58 cents at the creamery and 56 cents on the route for butterfat.—Adv.

PIONEER RESIDENT OF KELSO DISTRICT DIES

Torkel G. Jonsrud, pioneer resident of Kelso, Oregon, passed away Sunday afternoon, at the home of his son, Gilbert Jonsrud, at the age of 90 years. The deceased was born near Oslo, Christiania, Norway, March 20, 1835. He came to the United States in 1854 and lived in Wisconsin for a time, later moving to Minnesota. He taught school and was proprietor of a bank and served for several terms as senator in the state legislature of Minnesota in the early 70's.

In 1877 he moved to Shedd, Oregon, and in November of that year came to Kelso, where he spent the last 48 years of his life. For 30 years he served his community as justice of the peace, or until his 75th year, and was widely known and respected throughout Clackamas county. He was well versed in law and followed political and world events with interest to within a few weeks of his death. It was through his efforts that the school at Kelso was established in the early days.

He leaves three sons, Gilbert and Robert Jonsrud, of Kelso, Oregon, and John Jonsrud, also a daughter, Mrs. Gertrude Andrews, of Pleasant Home, besides 26 grandchildren and 10 great-grandchildren. His wife died a year ago. The funeral services will be held Wednesday, November 25, at 1:30, from the Lutheran church at Kelso, with interment in the Sandy cemetery. Arrangements are in the hands of the undertaking firm of J. E. Metzger.

HOT LUNCHES INCREASE QUALITY OF SCHOOL WORK

Something over \$40 was realized at the social of the Parent-Teacher association last Friday evening at the Powell Valley schoolhouse. This amount will be applied on the salary of Mrs. George Williams who is very capably filling the position of cook at the noon hour at the school when the children are served with appetizing dishes, consisting principally of the addition of a hot bowl of soup to their cold lunch. This is said to be proving very satisfactory indeed and is making for greater efficiency in the school work of the pupils.

The teachers of the Powell Valley school, Miss Marian Robertson and Mrs. Helen Camp, with the aid of their larger pupils, canned a large quantity of tomatoes this fall, also took care of many vegetables which would later be utilized for the warm lunches and to those who have so generously donated these vegetables and other ingredients for soup, they feel at this time that it is fitting to express their appreciation for the same.

They are indeed grateful to the patrons of the district and especially they wish to thank those on the outside who have contributed to make the lunches possible. Among those who have been very liberal in this regard are Mr. and Mrs. Charles Soderquist, J. J. Robertson, Jim Anderson, a Fairview gardener, and Mr. and Mrs. Geo. Dietl of the Sanitary Meat market.

SANDY BLUFF

Willie Fowler was very pleasantly surprised Saturday night when a number of his friends gathered at the Fowler home to help celebrate his birthday. A fine time was enjoyed by all. A delicious lunch was served.

Mr. and Mrs. Robt. Gray entertained company from Portland on Sunday. A. C. Browning from Sandy Lumber company spent Sunday with his son, Clarence. Mr. Browning met with a slight accident when a cable in some way swung around striking him around the ankle.

Louise Matthews, daughter of Mr. and Mrs. J. O. Matthews, is having considerable trouble with her eyes and speech from the after effects of the diphtheria she had several months ago.

Mr. and Mrs. Jack Mauter motored over from Vancouver Sunday to see the new boy at the Chas. Wilkenson home.

Mr. and Mrs. G. C. Wilkenson visited with G. S. Wilkenson Sunday and also called at the Chas. Wilkenson home.

PLEASANT VALLEY

The Ladies Aid bazaar and supper will be held at the Pleasant Valley community church Friday evening, December 4. A short program will be rendered in connection with the sale.

ROCKWOOD ENTERTAINS COUNTY COUNCIL P.-T. A.

The Multnomah County Council of the Parent-Teacher association met at Rockwood Saturday, Nov. 21, with a large attendance, quite a number coming from Portland.

To fill a vacancy caused by resignation, Mrs. Tyson, of Rockwood, was elected second vice president.

Circles reporting, with some of their worth-while activities, were: Corbett, Mrs. Ed Woodie, president, reported plans on foot for hot school lunches; Gilbert, Mrs. Ed Monical, president, has great pride in its school orchestra. A campaign for new members has recently been held, also a reception for the teachers, and a motion picture show is planned for November 25. Pleasant Valley has recently bought a victrola. Powellhurst, Mrs. Henry Moll, president, has had a reception for teachers, school board, and new members. Activities include a recent program and candy sale, and hot school lunches are to be served soon. From Russellville, Miss Jennie Fleming reported much interest in social service work, and effective juvenile sanitary work. Rockwood also has much interest in cleanliness by the school children. The members have had a membership drive recently. Troutdale, Mrs. J. R. Hailey, president, gave a Halloween party for the school children. Members of the circle are studying Oregon history. Lynch is alive and active, according to the president, W. O. Shaver. Circles represented from Portland were: Couch, Mrs. Ross, president; Fernwood, Mrs. Bush; Richmond, Mrs. G. W. Krumba; Irvington, Mrs. Gabriel; Glencoe, Mrs. F. B. Merry; Sunnyside, B. I. Elliott; all much interested in social hygiene classes. Buckman circle was the first to send in council dues since the new affiliation.

Different county chairmen made interesting reports. Miss Jennie Fleming, good literature, recommended that the Ten Commandments be taught in schools, backed vigorously by Mrs. Gabriel, the new state president; Mrs. Geo. Fortner, P.-T. A. literature; Mrs. H. E. Holmes, service shop, made an appeal for donations for the shop. Provisions of all sorts, canned goods, jellies, jams, books, clothing (washed). Publicity, Mrs. H. F. Stevenson; Mrs. Elmer E. Cook was appointed juvenile chairman; Mrs. E. C. Thayer, legislative chairman, urged all members to send to the secretary of state for the Oregon Blue Book. She made a most interesting comparison between school affairs in Oregon and California, especially in regard to free text books, and taxes, leading her hearers to believe that they were well off in the latter respect. Mrs. J. J. Lynch, club work, reported many prizes won at recent fairs.

Mrs. W. W. Gabriel, the new state president, made a few well chosen remarks, after which the following program was given by Rockwood circle; readings, Miss Jennie Fleming; solo, Mrs. L. P. Dagget; song, "When the Frost is on the Pumpkin" school girls. A most interesting talk by Mrs. A. C. Emmons, of Riverside Drive, on "Art Work in the Schools", led to many questions and much discussion. Mr. Crout, of the Montavilla Improvement club, presented a petition taking steps toward a new high school in Montavilla.

The Rockwood ladies served a chicken dinner. The next meeting, January, will be held at Powellhurst.

ROCKWOOD

The Rockwood Epworth League will give a short play and a basket social on Wednesday evening of this week at the church, for the benefit of the new church building. Everyone is cordially invited.

A Thanksgiving prayer meeting will be held in the church on Thursday evening at 7:30.

The organization of a fine orchestra is well under way and made its first appearance at the church services Sunday evening. Anyone who can play an instrument or wishes to learn, may call on the pastor, the Rev. Ralph Bowman, any time and receive information. The regular practice occurs on Saturday evening.

POWELL VALLEY

A program will be given at the Mission church on Thanksgiving evening to which all are invited. Refreshments will be served. While no charge will be made for the refreshments, a collection will be taken, the proceeds of which will be applied to religious work.

See for Yourself Our elegant line of Christmas Greeting Cards, in lots of 25 or more with your name printed in any style you desire. Prices very reasonable. Gresham Outlook.

First Number Lyceum Course Given. Edwin M. Whitney, first number of the lyceum course, appeared before a very appreciative audience in the gymnasium last Tuesday night. He read "Turn to the Right" impersonating 12 characters. The audience was not large enough to justify the cost of getting a man the caliber of Mr. Whitney to be with us and it is hoped that the next two numbers of the lyceum course, which come January 11 and February 9, will be better patronized.

Annual Football Game. The annual football game between G. U. H. S. and Woodburn is to be played next Thursday on Stapleton field. The game will start at 10:30, to afford those that will have a big dinner an opportunity to see the game before they eat. This is the last football game of the season for the high school and they will put up a good fight.

Important drainage improvements are taking place on the high school premises where about 400 feet of tile are being laid along the west side of the campus to provide outlet for the excess of water which gathers on both sides of the road leading from the street into the school grounds on the south of the building. When arrangements were made for the permanent drainage of the basement, the water then collected on the road. Last week during the heavy rains the road was completely flooded and the school authorities decided to do what they could to remedy the condition. Two cement traps are to be constructed, one on each side of the road near the pavement, and these will assist the surplus water to drain off through the tile to the lower end of the school grounds. There was some talk of constructing a septic tank to take care of the extra water, but this plan was abandoned in favor of the cement traps and drainage tile.

It cannot be understood why the residences on the west side of Main street, directly across from the high school, experience no trouble in dealing with the excess water problem. Basements are excavated there and apparently are not inconvenienced by flooding.

Drainage Tile Being Laid.

It cannot be understood why the residences on the west side of Main street, directly across from the high school, experience no trouble in dealing with the excess water problem. Basements are excavated there and apparently are not inconvenienced by flooding.

SERVICE

With a saving

Announcing a service innovation for automobile owners.

Have your car

Completely Serviced

by competent workmen where all work is guaranteed.

\$17.50

Our winter service offer last year met with such hearty response that we are again giving you an opportunity to avail yourself of this saving.

The labor cost of the operations listed in this circular would ordinarily amount to more than \$25.00, but we are offering it all for \$17.50. The service is open for acceptance any time from November 15 to December 15.

THE OPERATIONS ARE AS FOLLOWS:

WHEELS—

Jack up car; remove rims and wheels. Clean, inspect and re-pack wheel bearings. Replace wheels and adjust. Inspect rim lugs, rims, and axle. Align front wheels.

ELECTRICAL—

Tighten, clean and adjust breaker points. Inspect generator brushes (renew if necessary). Clean commutator. Inspect starting and ignition switches. Inspect all wiring and tighten all connections. Test and water battery and vacuum terminals.

BODY AND FENDERS—

Tighten all body bolts. Tighten fender brackets to frame. Tighten fender bolts. Tighten windshield top brackets. Tighten floor boards. Tighten engine pans.

MOTOR—

Clean carbon and grind valves. Adjust valve tappets. Clean spark plugs. Tighten motor support bolts. Tighten generator chain. Clean out gas lines and strainers. Clean out vacuum tank.

BRAKES—

Adjust and equalize foot and hand brakes.

SPRINGS—

Tighten spring shackles. Tighten spring clamps to axle. Tighten spring clips to axle. Tighten springs rebound clamps and bolts. Reoil spring saddles.

OIL AND GREASE—

ENTIRE CAR—

Drain crank case. Clean oil strainer. Refill crankcase to proper level with new oil. Wash out transmission and fill to proper level. Repack universal joint. Repack propeller shaft bearings. Wash out and fill differential to proper level. Repack steering gear. Grease spring bolts, steering knuckle and tie rod bolts. Grease reach rod connections at both ends. Grease fan and water pump bushings and distributor shaft. Oil rear generator bearing. Oil horn armature. Grease clutch release bearing and inspect flexible grease tube. Oil brake cams and brake connections. Oil clutch pedal shaft connections. Oil spring leaves with penetrating oil. Oil all door locks, hinges, and hood clamps.

COOLING SYSTEM—

Install new hoses if needed. Tighten all hose connections. Tighten water pump gland nuts (repack if necessary). Tighten radiator frame. Tighten radiator core to shell. Take up end play in fan and adjust fan belt.

STEERING—

Thoroughly examine and tighten up steering connections. Adjust steering gear. Tighten steering column to dash and toe board.

CLEANING—

Remove grease and dirt from motor with oil spray.

Final Inspection and Road Test

This offer applies to any 4-cylinder car and any 6, excepting Franklin. Eight-cylinder cars not included at this special price.

COME EARLY AND AVOID THE RUSH.

Plan to leave your car two full working days. The labor cost is \$17.50. Material, Oil and Parts Added.

The Old Standby in a New Dress

—the same dependable remedy that over a period of more than fifty years has been found so reliable in the treatment of catarrh and diseases of catarrhal nature.

The outside of the package only has been altered. To facilitate packing and reduce breakage in shipping, the paper wrapper which has identified the Pe-ru-na bottle for many years has been displaced by a substantial pasteboard carton.

Pe-ru-na cannot be made any better. Three generations of users testify that Pe-ru-na is the best remedy in the world for catarrh and diseases of catarrhal origin.

The remedy our fathers and grandfathers used with so much satisfaction is still the standby for the ill of everyday in thousands of American homes.

PE-RU-NA
The Original and Reliable Remedy for Catarrh

Sold Everywhere Tablets or Liquid

Send 4 Cents for booklet on catarrh to the Pe-ru-na Company, Columbus, Ohio
