ALUMNI DEFEATED BY HIGH SCHOOL TEAM

The football season closed with a victory over the alumni, the final score 25-0. The alumni threatened to score twice, but the high school line held in the pinches. The main difficulty of the alumni was their inability to hang on to the ball. The babes profited greatly by the fumbles of the ex-high school warriors. At one time, Lunday, safety for the alumni, fumbled a punt which Orville Johnson recovered and ran 30 yards for his only touchdown of the season. A forward passing attack was attempted in the last quarter by the graduates, but the ball was too slippery. Between quarters and during the alumni's time-out periods, the high school heroes displayed a fine exhibition of mad sliding, which was greatly applauded by the fans.

Gresham High has played 10 games this season, winning 5, losing 4 and tying 1. The second team has played four games and won all of them.

Wednesday noon the senior and sophomore basket ball teams started the battle for class championship. The final score, after 3 minutes over-time had been played, was 2-2. Although the checking was close on both sides, the main reason for the low score was the inability of the players on both sides to make accurate shots. The game was exciting every second. The seniors showed up well in team work, while the sophomores did more individual playing. Jack Dowsett, captain of the senior team, and George Wadsworth, captain of the sophomore team, were both confident of a victory.

Conservatism in banking means simply being careful. Individuals should not endorse every business proposition that is brought to them—and bankers MUST not.

While we desire to accommodate every one it often becomes necessary for us to say "NO." Not infrequently we have saved business men from severe loss by refusing to aid them.

After it is all over they appreciate our service.

We are continually consulting and advising with people on financial and business matters and we cordially invite such conferences. Our patrons appreciate our advice and seek it because we are conservative.

Basket ball practice started Wednesday night, and about 40 boys turned out to try for the team and squad. Although Jack Dowsett is the only letterman left from last year's squad, there is sufficient material to build a winning team.
