

TROUTDALE

The home of Mr. and Mrs. W. C. Spence was the scene of a very pretty wedding Wednesday, May 12, at 4 o'clock when their daughter Miriam and J. T. McGinnis were joined in wedlock. The wedding took place on the lawn in front of an altar made of cedar boughs and roses with large pots of rhododendron at each side. The bride made a beautiful picture in a dress of white georgette crepe with a wedding veil held in place with a coronet of orange blossoms. Barbara Spence, niece of the bride, also of the groom, and Jack Spence, nephew of the bride, acted as train bearers. The bride carried a bouquet of sweet peas and lilies of the valley. Miss Alice Spence, sister of the bride, maid of honor, wore a dress of satin crepe and carried a bouquet of lavender sweet peas. Fred Matches of Dayton cousin of the bride was best man. The Rev. E. R. D. Hollensted, pastor of the community church officiated before about 55 guests mostly relatives and young friends of the couple. The wedding march was played by Miss Ruth Wallace of Portland, cousin of the bride. Mrs. Wallace Spence, sister-in-law of the bride, sang "I Love You Truly."

The groom is the second son of Mr. and Mrs. H. C. McGinnis and has lived in Troutdale a number of years and

has held a position in Gresham at the Raker & Son garage for the past seven years.

The wedding supper which followed the ceremony was served on the lawn. At one large table the bridal party was seated. Mr. and Mrs. McGinnis will be at home to their friends in their new home in Troutdale after they return from a short wedding trip.

A very enjoyable family dinner was given at the home of Mrs. Frances Fox last Sunday, "Mother's day", when Mrs. Fox had all the members of her immediate family with her. They were Mr. and Mrs. Albert Fox and daughter Frances, Mr. and Mrs. Emanuel Fox and son of Portland, Mr. and Mrs. Melvin Short and daughter of Washougal, Milton Fox and Mrs. Minnie Biederman of Troutdale, and Mr. and Mrs. Wehoffer of Portland.

Mrs. L. A. Harlow has been invited to attend the dinner given by the Soroptimist club of Portland at the Hotel Benson next Monday evening in honor of Mrs. Bertha Landis, mayor-elect of Seattle.

Appropriate services were held at the community church last Sunday. The Rev. E. R. D. Hollensted preached a sermon on "Mother" and Mrs. L. A. Harlow very beautifully sang "Little Mother of Mine."

Mrs. Scott, of Salem, spent a few days with her son, C. E. Scott and family.

Mr. and Mrs. Carl Zelbeck and Mrs. Mary Parsons and son, Dale, spent Saturday evening in Portland at the home of Mr. and Mrs. Samuel F. Harlow.

Mr. and Mrs. L. V. Calkins have moved from the Powell property into the rooms in the rear of their store.

The fish commissioners had surveyors of Portland out to survey the mouth of the little Sandy Tuesday. They are trying to get it opened up so the fish may enter the Sandy.

Mr. and Mrs. Geo. Parish and daughter Othelda and little Roberta Robinson spent the week end in The Dalles with Mrs. Parish's brothers, Chas. and Pete Vogal.

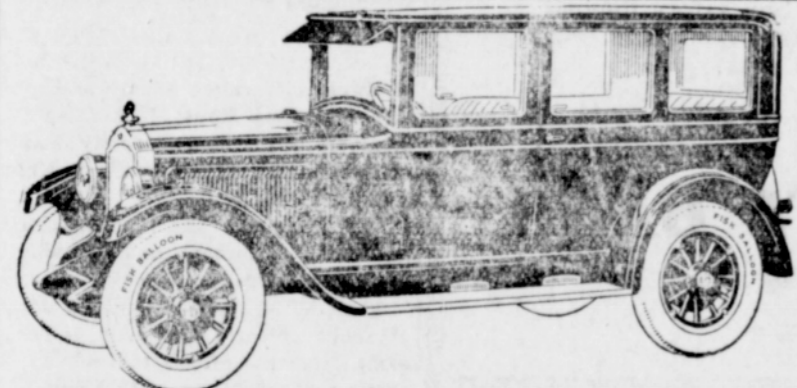

Mrs. Frances Fox, Mr. and Mrs. W. C. Spence and Mrs. L. A. Harlow were among the members of Troutdale chapter O. E. S., who enjoyed the dance and card party given last Friday evening by the past matrons and past patrons associations at Al Kader temple in Portland.

A nephew of Mrs. Fox, Milton Block and family of San Francisco are on their way by auto to make a short visit here.

The Social committee of the Troutdale Eastern Star, under the chairmanship of Mrs. Minnie Biederman, gave a very successful dance at the city hall last Saturday evening. There

America welcomes it with open arms

On no other occasion has any new motor-car so stirred the interest and enthusiasm of the motor-wise American public as has this new "70" Willys-Knight Six. So superior is this car in its phenomenal power, so different in its many advantages, it is easy to understand why its grip on the public imagination has been so intense and so far reaching.

This new "70" Six applies the principles of high-speed engine construction to the Knight Sleeve-Valve motor with startling results. With a 2 15-16-inch bore and 4 3/4-inch stroke this new Sleeve-Valve Six engine delivers greater power per cubic inch of piston displacement throughout its complete range, than any stock American motor-car engine built today.

In speed and power the new "70" Willys-Knight Six literally out-performs all other stock cars of comparable size. It affords an unequalled combination of liberal room with modern compact appearance. It has a long, racy effect with moderate actual length. Here is an economy of weight never before achieved in a car of its type.

Gone!— ALL WASH DAYS!

Gone— all hand rinsing and wringing!— Instead
Spin-Rinse. Spin-Dry

WASHDAY is rapidly becoming as obsolete as the Dodo. In its place has come the wonderful, simple **Savage Wringerless Wash Hour!**

Instead of a day's slaving over washboard and tub—or a half day's work with the ordinary power washer, the Savage with its "Spin-Rinse, Spin-Dry" puts through load after load—from hamper to line, in the hitherto unheard-of time of 18 minutes per tubful. Not just washing, mind you, but rinsing, bluing and drying three large loads with-

in the hour! And the Savage ends all lugging and lifting of pails.

And best of all, no wringing, no "hand" rinse, no use of "sec" tubs—no removing or replacing pieces of laundry or of the machine between operations. Even filling and emptying is done without pails or hand labor.

You'll want a free test of this most advanced time and trouble saver—the Savage. Phone or call before next washday.
