He and his wife were out to Gresham Sunday and attended the picnic of the Zion Evangelical Sunday school at Meinig's grove.

The 16 girls composing the parasol drill, which was put on Friday at the dedication ceremonies of the Burnside bridge, reflected great credit on themselves and their instructor, Mrs. A. J. Kruger, by the graceful manner in which they executed their drill. While the weather was disheartening, to say the least, the affair was a wonderful success in every way and a time long to be remembered. The Gresham girls participated in the east side parade, which was met on the bridge by the west side girls. After the passing of the parade, the bottle was broken christening the new bridge and the Gresham girls showered the county officials and the sponsor of the bridge with rose petals. Following this they gave their dainty parasol drill which was provocative of much applause.

Air Mail Grows in Popularity.

The postoffice department has granted permission to Walter T. Varney to resume service on the Elko-Pasco Air Mail route June 1, provided planes fly daily on schedule time for a week prior to that date. According to latest reports planes are running on schedule and a successful start is anticipated. Souvenir mail is piling up in Pasco for the first flight; the new Whirlwind motors are giving a wonderful performance; and the contractor expresses himself as more than pleased with the general outlook. Varney is in Boise, Idaho, ready to act as relief pilot in event of any unlooked for emergency.

Motor Re-conditioning

That's What Your Car Needs

"It'll make your motor good as new!"

If your motor has lost all its old-time pep and power; if its get-away is poor, then a thorough re-conditioning is the tonic it needs.

A worn motor means carbon—carbon means increased gas and oil consumption.

You can't expect to wear out two or three sets of tires without wearing some parts of the motor.

Bring your car to us today. Let us look it over. We're motor specialists. We'll give you a definite price on the job in advance.

We guarantee an expert mechanical job and will use only the best parts.
