IS IT... "as good as BUICK"?

Before you are persuaded, by an extra allowance on your old car, to buy some car you might not otherwise choose, compare the new car offered you to Buick.

Does it have a "sealed chassis"? Has it a torque-tube-drive? Has it mechanical 4-wheel brakes? Has it a ten-plate, multiple-disc clutch? Has it a Fisher body? Has it adequate and efficient nation-wide service facilities? Has it more than a million enthusiastic owners?
