GRESHAM LOCALS

A brush fire just outside the western city limits of Gresham called out the fire department Sunday afternoon, but on arriving on the scene the local boys decided there was no immediate danger and left it in the hands of those who had started it, men who were clearing land in the vicinity. The fire had been burning for a week or more but those in charge evidently got frightened Sunday and thought it was beyond their control, hence the turning in of the alarm.

Miss Hester Thorpe, who has just returned from a week's motor trip to Vancouver, B. C., with the Pettingers of Oswego, left Wednesday for Corvallis, where she will join Miss Grace Harding and Miss Gladys Moore. The three will then proceed to San Francisco via the coast route in Miss Harding's car. They expect to be gone several weeks.

Mrs. A. H. Wright left Sunday night for Yellowstone National park where she will meet a party of friends. After a tour of the park they plan to go to Colorado to visit for several weeks.

E. Dhulst has purchased the F. J. Erz farm of 40 acres located one-fourth mile west of the Lusted school-house, and have taken possession within the past ten days. The sale of the farm was negotiated through B. W. Thorne. Mr. Dhulst and family occupied the Linnemann place for several years but recently left there and enjoyed a tour of Belgium and other European countries. On their return they began to look around for a place of their own which resulted in the purchase of the Erz ranch. There is a large house on the farm, with full cement basement and bath. A spring on a higher level than the house furnishes a gravity water system. It is a most desirable home and was bought with the stock and complete equipment and this year's crop.

Mrs. J. E. Metzger and children, Gwendolyn and Robert, Mrs. J. S. Carlson and Mrs. Walter Metzger and daughter, Doris, are spending several weeks at Seaside.

D. M. Roberts has invested in one of those fine new electric ranges which the Portland Electric Power company is leaving in a number of homes in this vicinity and elsewhere.

Mr. and Mrs. Victor McCrosky, of Portland, the latter remembered as Miss Etta Anderson, of Powell Valley, were pleasantly surprised Saturday evening by a party of friends which included a number from Gresham and vicinity, Mr. and Mrs. Henry Tilgner, Rinar Mattson and the Misses Lillian Lekander, Eliza Bechil and Grace Welch.

B. O. Boswell received a card Sunday from his wife who left Thursday for Emporia, Kansas. When the message was written she was on the rear of an observation car at Pocatello, Idaho. The thermometer registered 104 degrees.

Mr. and Mrs. R. Honrath and family left Sunday after visiting with the relatives of the latter, the Bailey and Raker families, for a week or longer. They will stop in Berkeley, California, for a visit with three sisters of Mrs. Honrath en route to their home in Florence, Colorado.

Mr. and Mrs. S. Herrick, of Kansas City, Kansas, cousins of Mr. and Mrs. E. E. Welling, dropped in Sunday at the Welling home to spend a day, as they are making a tour of the west. The two families drove to Salem for the day to visit with Mr. and Mrs. Emmett Welling.

Mr. and Mrs. Philip Bratzel and daughters, Frieda and Katherine, have returned from the Gladstone chauntauqua where they camped for a while and enjoyed several of the programs. They report the musical numbers and the addresses of the sessions as most delightful and entertaining.

Mr. and Mrs. J. C. Cochrane, of Grants Pass, arrived Sunday to visit with Mr. and Mrs. H. W. Cooley, old acquaintances. A brother, E. R. Cochrane, and wife were here a short time ago from Rogue River for a brief visit with the Cooleys. They resided near Gresham about ten years ago and will be remembered by many.

Mrs. H. H. Ott and son, David, and her sister, Miss Violet Perret, went to Seaside a week ago Monday and on Wednesday of last week were joined by Dr. Ott and John Hessel, who remained until Sunday, the entire party returning home at that time.

Born to Mr. and Mrs. Frank Rau, of Portland, on Saturday, July 17, an 8-pound boy who has been named William Franklin. The mother was formerly Miss Mabel Michel.

S. E. Palmquist and family enjoyed the past week in several jaunts around the country. On Tuesday they drove to Brush Prairie to visit the father of Mr. Palmquist and on Wednesday they went to Newberg and visited with Mrs. Palmquist's brother, Joe Magnuson and family. They drove to Sherwood on Thursday where Mrs. Palmquist's sister and family reside and while there they also chatted with E. A. Kessler, a former Gresham resident. Gust Larson had charge of the auto top shop during the absence of the proprietor.

Miss Marie Bohles, who recently came to Gresham from Chicago to visit her brother-in-law and sister, Mr. and Mrs. E. F. Mack, residing west of Gresham, has become so well pleased with the Oregon country and Gresham in particular that she has decided to stay and has accepted the position of beauty culture operator at the Bailey Beauty shop. She takes the place of Miss Thelma Koopang who left recently for Peoria, Illinois. Miss Nellie Currin, of Portland, a niece of Mrs. G. A. Cox, took Miss Koopang's place temporarily until permanent arrangements could be made. Miss Bohles comes highly recommended and has had eight years' experience in beauty therapy.

Mr. and Mrs. M. C. Smebsrud and two children, of Portland, have taken rooms with Mrs. Ed Smith for a month. They came out during the berry season and later he has been employed at carpenter work on the Brown building.

Ralph Stanley gave a picnic for his 25 berry pickers on Wednesday. The evening was spent at the Sandy river near the club house where all enjoyed themselves greatly. Eugene Chiodo treated his berry pickers to a wienie roast on Saturday evening of last week, about 65 being present. It was also the occasion of the seventh birthday of his daughter Eugene.

The W. C. T. U. will hold its regular monthly business meeting at the home of Mrs. Mary McManus on Thursday afternoon.

A pole of the P. E. P. electric light line burned all through Monday night in the north part of Gresham and was extinguished for the second time this morning after the pole was about half burned through at the base. The fire started late Monday evening in rubbish around the pole but was thought to be out after a pail of water had been poured on it, but in the morning it was burning briskly and was only put out after clearing away the trash and chopping away the burned wood, in addition to water. It will be necessary to replace the pole.

A quiet celebration of his 84th birthday was given the Rev. J. H. Wood on last Friday night by his sons I. T. and Will Wood and all their families able to be present. Mrs. Annie Wright, a near neighbor and a close friend of many years, was also present. A huge bouquet of gladiolas was sent for the occasion by Howard Lake of Gillis. The Rev. Mr. Wood has been ill and confined to his bed for several days.

(See additional locals on page 2)

NOTICE!
M. W. of A. MEMBERS and friends of Gresham Camp are invited to attend picnic to be held Sunday, July 25, 1926, at Little Jack Falls, one mile east of Rainier, Oregon. Let's go!
C. J. LUNDQUIST, Clerk.

Firestone GUM-DIPPED TIRES

Cut-away section of Gum-Dipped Balloon showing magnified cord untwisted into fifteen smaller cords, composed of many little fibers, all thoroughly saturated and insulated with rubber by Gum Dipping.

Car owners have never been able to buy tire mileage at so low a cost per mile as they can buy Firestone Gum-Dipped Tires today. And never before have they been able to buy tires so comfortable, safe and trouble free.

This is possible because of the highly skilled research engineers who have developed special machinery and processes for manufacturing Gum-Dipped Tires, combined with economical national distribution through efficient Service Dealers, many equipped with the latest Firestone methods of repairing High Pressure, Full-Size Balloon, Bus and Truck Tires.

Firestone's long fight against the British Rubber Restriction Act has saved car owners millions of dollars.

We can serve you better with these wonderful tires and save you money. Come in today.
