GRESHAM LOCALS

Mrs. O. A. Eastman and Mrs. James Elkington returned Thursday evening from the founders' celebration which was held at Astoria, beginning on Monday of this week. Mrs. Eastman attended as a representative of the state auxiliary to the American Legion, of which she is president. They report a splendid time and the historical setting of the anniversary of the founding of Astoria in 1811 as most interesting and instructive. The 125-foot monument which was dedicated at this celebration has a 525-foot spiral frieze which runs from the base to the top of the column. This frieze is composed of historical pictures concerning the founding of the present city and the Lewis and Clark expedition.

Mrs. Ella B. Sanford, field worker for the national W. C. T. U., will give an address at the Methodist Episcopal church next Sunday evening at 8 o'clock, to which all are invited.

Miss Bernice Hargrove of Berkeley, California, who was a resident of Gresham several years ago and a graduate of the union high school in its first class, 1915, visited with friends here on Wednesday. Miss Hargrove, whose musical ability was recognized by her friends here before she left for California, is now supervisor of music in a training school conducted by the board of regents of the University of California as a model school for observation by student teachers in the university. She is a graduate of that institution and has taught for several years.

Mrs. S. R. Kitzmiller has as her guest her sister, Mrs. Maria L. Price of Montecello, Indiana, who expects to remain here for the rest of the summer.

Mr. and Mrs. E. S. Rickard and two children are occupying one of the Heiney houses on Roberts avenue while Mr. Rickard is engaged in the making of maps connected with the geological survey being made of the Sandy river. Their two-year old child is ill at present with German measles.

Miss Harriet Haley, of Troutdale, is the guest of Miss Marian Clow for several days.

Mr. and Mrs. H. W. Cooley are planning to go at once to Yakima, where they will work in the fruit harvest.

Mrs. H. S. Clow entertained the executive board of the W. C. T. U. at luncheon Thursday. Those present were Mrs. C. O. Horning, Mrs. W. F. Honey, Mrs. B. L. Walrad and Mrs. B. W. Emery. Preceding a social hour the time was spent in perfecting plans for the coming state convention which is to be held in Gresham in October. In the afternoon the ladies repaired to the home of Mrs. Mary McManus where the regular business meeting of the local W. C. T. U. was held.

Mr. and Mrs. Jas. Naylor and daughter Thelma plan to leave in a day or two for Netarts, where they expect to spend the remainder of the summer. They are going in the interest of the health of Thelma, who has suffered serious after effects following an attack of diphtheria six months ago. It is hoped that sea air and sea food will have a beneficial effect on her. The 142-acre dairy and grain farm on the Base Line road belonging to the Wm. Reid estate which has been for several years under the management of Mr. Naylor, is now under the care of Carl Rethwisch, who has been engaged there for about a year.

Mrs. Jennie Bauerley of Centralia, Washington, who has been visiting for several days with her daughter, Mrs. Frank Kinyon, returned to her home today.

Two Gresham business men had an automobile mishap on their way to work this morning, which did slight damage to each car but which, aside from nervous shock, did no personal injury. It all happened at the intersection of Wallula avenue and Powell street, when Chase E. St. Clair drove into Powell street. He had come to a stop to give right of way to Wm. Henry. W. B. Tuerck was attempting to pass Henry's car, and neither he nor St. Clair saw the other until the latter was well in Powell street. To avoid a collision Tuerck turned suddenly into Wallula avenue, grazed the rear of St. Clair's car and turned over.

Mrs. H. E. R. Johnson and daughter, Mrs. F. E. Doscher and the latter's two children, Frank Jr. and Helen, of Boise, Idaho, arrived Saturday for a five day's visit with Mrs. Johnson's son, W. R. Johnson, and family. The trip was made by auto and they returned Thursday, accompanied by Harold Johnson, who will visit for a short time.

The Rev. S. F. Pitts went to Seattle Monday to attend the ministers' conference of the Christian and Missionary Alliance, returning yesterday.

Dr. A. W. Botkin was called Sunday to attend the 6-year-old daughter of Mr. and Mrs. Lowe at the Cameron-Hogg mill who that afternoon had broken an arm while bathing in the Sandy river. She fell on a rock, fracturing the bone in the elbow joint. At last reports the child was doing well.

B. S. Clark has gone to eastern Oregon to be gone a week on business and incidentally to help advertise the Multnomah county fair.
