

GRESHAM OUTLOOK

Published every Tuesday and Friday at Gresham, Oregon, by the Outlook Publishing Co., H. L. St. Clair, Editor and Manager.

One year, \$1.50, six months, 85c, three months, 50c. Single copies, 10c. Combination rates with all the Portland Dailies.

ADVERTISING Rates reasonable. Our representative will call.

Entered as second-class matter March 3, 1921, at the Postoffice at Gresham, Oregon, under the Act of March 3, 1879.

A STRENUOUS WEEK. Fair week is always a strenuous week for many in Gresham and vicinity.

We can speak for the directors from observation and experience that their work is strenuous and covers not one week but several months.

We doubt if another fair has been held here where every thing went off with such a fine spirit of harmony and cooperation as marked the one just closed.

THE HUMAN FACTOR. Automobile accidents are on the increase as a result of the heavier summer travel and lack of care.

District attorneys from 18 counties of Oregon affected by the Stanfield bill by which the government returns to these counties over five million dollars due them in withheld taxes from the O. & C. land grant have met this week to devise uniform plans for making application for this money.

Portland's water supply, like Portland's financial bases, appears to be adequate and unaffailing even in a dry season.
