

COLUMBIA VIEW

Several threshing crews are busy east of the Sandy but reports from everywhere indicate that the yield is poor. What looked like fine grain turned out to be heavy straw. A heavy rain is hoped for to save the late potatoes and cabbage.

The stockholders of the Rooster Rock Water corporation met Saturday evening at the Columbia View farm and elected the following officers for the ensuing year: P. Andersen, president; Fred Shultz, vice president; Mrs. Marie Morgan, secretary. The directors elected were Julius Meier, Edward Ehrman and Mrs. Morgan. Mr. Anderson will continue as treasurer.

The evening was very pleasantly spent and after refreshments were served Mr. and Mrs. McKay were presented with a silver sandwich tray by their friends. Both responded to the presentation speech and assured their friends that in the future they will always have a warm place in their hearts for those of this community who have been such loyal supporters during the seven years when Mr. McKay was principal of the Columbian high school. He has built up the school and leaves a splendid record. Friends stayed until a late hour and departed wishing Mr. and Mrs. McKay a happy future in their new field of education.
