A printer received an inquiry from a surgeon who wanted bids on several thousand letterheads, different sizes, grades and colors, and he wanted the form held standing. The printer wrote back:  
"Am in the market for one operation for appendicitis, one, two or five-inch incision, with or without ether; also with or without nurse. Quotations must include putting appendix back and canceling the order if found sound. Successful bidder is expected to hold incision open for 60 days as I expect to be in the market for an operation for gallstones and I want to save the extra cost of cutting."

**Death of Willie Barlow.**  
(By G. N. Sager.)  
Again we are called upon to chronicle that one sad little word that, since life and death began, has filled so many human hearts with grief—"Gone." This time it is Willie Barlow the 16-year-old son of Mr. and Mrs. G. W. Barlow. Last Saturday the young man, in company with a number of companions, went bathing in the Columbia river near Camas, Washington. The boys had been in the water but a short time when Willie was heard to call for help but before assistance could be rendered by his companions he sank to rise no more. However physicians pronounced death due to heart failure, as no water was found in the lungs.  
Wm. E. Barlow was 16 years of age and was a pupil in the Pleasant Valley school during the past few years. He was popular among his mates and universally loved by all who knew him. His untimely death came as a terrible shock to his folks and to the community.

He leaves to mourn his death a father and mother, Mr. and Mrs. Geo. W. Barlow, two sisters Ruth and Ruby, and two brothers Leon and Lila. Interment was at Damascus cemetery, and the grave was covered with a mass of beautiful flowers.

The house was filled and an entertaining program was rendered. The Rev. O. F. Larson, of Damascus, and the Revs. John Nordell and Andrew Johnson, of Haley were present and made fitting remarks for the occasion, as did also a number in the congregation. A solo was rendered by Mrs. O. F. Larson, accompanied at the piano by Miss Frances Arvidson, also a solo was given by Miss Olga Noreen, with her sister, Miss Amy Noreen at the piano. A male chorus from the Saron Lutheran church gave a selection which was much appreciated. A gift of a purse of money was given the Rev. Mr. Wilner from his congregation and the young people presented him with a handsome fountain pen. **Section Line Paving Started.**  
Preliminary work has begun on the paving of the Section Line road which is to be done this year between 82d street and Gresham. The road has been plowed between Brunner station and the Rockwood road and it is expected that the laying of the first concrete will be begun Saturday. As considerable time is required for the hardening of concrete, the road will probably not be completed as a whole before the first of the year. The contractors hope to make headway on as much as a mile a week of the thoroughfare, but with necessary delays it is thought it will be several months before the paving is ready for traffic into the city.

**Pastor Thanks His People.**  
On the eve of our departure for another field of labor we wish to extend our heartfelt appreciation to our many friends in Powell Valley, Damascus, Haley and Gresham for their many kindnesses during the past three years. You have met us with smiling faces and words of comfort for which we are thankful. We have especially enjoyed the fellowship of the members of the Mission church,—their brotherly love and generous spirit. We have been blessed and edified in many ways through our association with you. It is with reluctance we leave you. To the other churches and pastors we wish to extend sincere thanks for the reciprocity and understanding in our Christian life and work. We all ought to be one in Christ Jesus and may it be so. Farewell.  
O. J. WILNER AND FAMILY.
