

ROCKWOOD CHURCH TO GIVE ENTERTAINMENT

An entertainment which is expected to draw wide patronage will be given at the Rockwood church next Saturday evening, September 26, when the 8-reel screen, "A Man Without a Country," will be shown. This picture is built on the wonderful story by Edward Everett Hale by the same name. It teaches lessons in loyalty, love of country and the duties of citizenship in an impressive manner.

The entertainment will begin promptly at 8 o'clock. There will be special music in connection with it and following the pictures light refreshments will be served. The proceeds will go to help clear up expenses in connection with the church.

A Trial

PLEASANT HOME

A meeting of the Portland Baptist superintendents and Sunday school workers will be held Friday night, September 24, at the Pleasant Home Baptist church. It will begin with a supper at 6:30, followed by a program. Among the interesting numbers of the program will be the Billy Sunday quartet from Portland, also Mrs. Grace Bloxham, of Los Angeles, who will give several readings. There will also be a discussion led by Dr. G. G. Laughlin on the subject of evangelism in the Sunday school. Everyone is cordially invited.

Why not buy lumber direct from the mill? Sandy Lumber Co., phone Sandy 223.—Adv.

Insurance funds for farm loans. No commission or brokerage. Very easy terms. B. W. Thorne.—Adv.

MRS. MARY PETERSON REGAINS HER FARM

Through a decision rendered by Judge Evans in the circuit court a few days ago Mrs. Mary Peterson, of Gillis, will regain possession of her premises there which she had leased to Solomon Kaucher. He had rented the place for five years, but had failed in arrears for the rent and had failed to make other improvements around the property which he had promised. When it was attempted to evict him, he resisted and made every effort to remain in possession of the ranch, according to evidence brought out at the trial.

The case first came up in justice court in July, but on account of the disputed title to the place, it was necessary to certify the litigation to the circuit court. By the decision of the judge, the defendant will be forced to vacate at once. W. J. Cooper represented Mrs. Peterson in court and the case for Mr. Kaucher was handled by Attorney Dan Kenny, of Portland. Although there was a jury present, Judge Evans gave a direct verdict, as the evidence was clearly in favor of the plaintiff.

ROY STONE PASSES AWAY DURING SLEEP

A useful life came to a peaceful close sometime during Saturday night when Roy Stone, aged 44 years, passed away during sleep from chronic heart trouble. He had been an invalid for many years but, nevertheless, had been active in community and civic affairs and leaves a host of friends. Mr. Stone's home was at Fairview where he leaves a widowed mother, Mrs. Eliza Stone, two brothers, Clyde and Cedric H., and a sister, Mrs. Lena Anderson.

The deceased was a member of the Fairview city council and six of that body acted as pallbearers at the funeral which was held this afternoon at 2 o'clock at the Smith Memorial Presbyterian church. He was also a member of the Fairview grange and that body officiated in the services at the grave. He was buried in the Masonic cemetery at Park Rose. The Rev. E. R. D. Hollensted preached the funeral sermon. Arrangements were under the direction of the Gresham Funeral parlors.

FAIRVIEW

The Woman's society of Smith Memorial Presbyterian church will hold a tea Thursday afternoon at the home of Mrs. C. E. Bunn. Mrs. Stewart Briggs, Mrs. Christine Donough and Mrs. C. G. Fancher will assist the hostess.

The card party which was to have been given by the Fairview grange Thursday evening, September 23, has been postponed until later on account of the death of Roy Stone, treasurer of the grange.

POWELL VALLEY

The 25th wedding anniversary of Mr. and Mrs. Frank Gustafson was celebrated at the Mission church Sunday afternoon in the presence of many friends and relatives gathered for the occasion. The Powell Valley male chorus sang, also a solo was rendered by Mrs. K. J. Hagberg, accompanied by Miss Martha Hagberg. Mrs. Gustafson's mother, Mrs. Augusta Palmblad, sang a song of her own composition and Mrs. Gradin gave a reading which she had composed. The Rev. O. F. Larson, August Peterson, E. Satterstrom and John Vicklund each gave fitting remarks. Three ladies who were the bridesmaids at the wedding 25 years ago were present and served again Sunday at the silver wedding. They were Mrs. Richard Gustafson, Mrs. Erick Erickson and Mrs. C. Ahlquist. Little Pauline Magnuson acted as flower girl. The couple was presented with a handsome set of silverware, the gift of friends and relatives, also the eight children gave their parents a set of china. A number were present from Portland and Tigard.

A bazaar will be given by the Home and Foreign Missionary society at the Saron Lutheran church on Saturday evening September 25, beginning at 8 o'clock. Coffee and cake will be served. Those who have articles out to be finished are requested to get them to the church before the bazaar begins.

Mrs. H. P. Christensen and her daughter, Mrs. Mary Gander, with the small son of Mrs. Gander, drove up from San Diego a short time ago to spend a week or so visiting relatives and friends.

The Rev. and Mrs. E. Sandeen, Mrs. C. A. Lindgren and Mrs. Bert Olson attended the district convention of the Home and Foreign Missionary society which was held at Astoria last week. While there they were much interested in viewing the Astoria monument which was recently dedicated.

The Powell Valley canning club team, composed of Trelia Howell and Frances Ekstrom, will demonstrate on the first day of the state fair at Salem next Monday, September 27. This team will compete for the state championship with teams from various counties of the state. It will be the first attempt of this team to compete at the state fair, but several years ago, under the leadership of Mrs. Alta Gentry, the Powell Valley canning club won the state championship.

SANDY

The registration at the Sandy high school now stands at 106, of which number 43 are freshmen. Principal George Orr begins this year his third year and is assisted by an able corps of teachers. Neal Horr is at the head of the manual training department and is the instructor in the boys' athletics. The remainder of the high school faculty is as follows: Miss Alaila Ostrum, mathematics and girls' athletic coach; Miss Arleigh Kammerer, home economics; Miss Hilda Thorne, English, glee clubs and orchestra; Miss Helen McCormick, history and language; Miss Edna Thompson, commercial department; Mrs. Ruby Lloyd Brown, piano.

The Sandy band has been re-organized with 39 pieces under the leadership of Mr. Orr, principal of the high school. The orchestra, consisting of 15 pieces, is under the direction of Miss Hilda Thorne, who also has charge of the glee clubs. "Mountain Echoes," the high school publication, will be off the press the coming Saturday for the first time this year.

DOMESTIC ELECTRIC REFRIGERATION

With the advent of warm weather a new problem presents itself in connection with the economical and safe preservation of family foods. The modern way is by means of domestic electric refrigeration. It brings you—

CONSTANT COLD CLEANLINESS UNFAILING SUPPLY ECONOMY CONVENIENCE

We shall be glad to have you come in and let us explain the numerous advantages of domestic electric refrigeration.

PORTLAND ELECTRIC POWER CO.

Warm Weather Diet.

(By John Joseph Gaines, M. D.)

Swimming is an ideal method of bringing every body muscle into use. As a nerve invigorator, exercise in water with the minimum of clothing on, outclasses the medicine bottle a thousand to one.

However, most good things have perils lurking beneath their tempting exteriors.

The danger of drowning today is practically nil, so wise are the precautions taken; but the man of 50 or more, who cherishes a 48 inch waistband, and who innocently carries a deceptive heart-lesion, may start something impossible to stop by taking the sudden-violent plunge. The corpulent figure is neither safe nor artistic in the "high dive." The man over 50 had better refrain from aquatic feats that make his heart "thump."

Swimming-races are dangerous when attempted by amateurs. I saw recently a young man of perfect build, swim across a small lake to beat a record; the contortions of his heart immediately after, and which lasted an hour or more, were enough to alarm an experienced cardiologist.

Swimming is one of the pleasures which should never be overdone. And, a full stomach is bad company to have along, when doing fancy strokes, particularly if you are a "tired business man" unaccustomed to athletic feats in water. But moderate exercise in the realm of our finny brethren, when the temperature is right, is one of the very best agencies for circulation, muscle and nerve.

Sale Will Be Under Cover

23 COWS

2 to 7 years old; 18 fresh with calves by foot, balance bred to freshen November to February.

Herd Bull, 14 Calves, Bulls and Heifers

This herd has been bred up for years for production. The average milk test runs from 5.3 to 5.7 with an average production of over 400 pounds of butter fat per cow. Some of them are 50-pound milkers. The herd has been under federal supervision since 1918 and has been an accredited herd for three years. They are also in the Clark County association. Individual test and production will be given at the sale. The main blood lines are

Golden Glow, Vive La France, Hood Farm and St. Mawes

Individuals of these lines of breeding have been sought from the Pacific to the Atlantic oceans. As good a herd as there is in the Northwest for type, size and production. There has not been a case of abortion in the herd in seven years.

Tuberculin tested by Dr. A. C. Brown and certificate of health goes with each cow. Also shipping certificate.

TERMS—Six months' time will be given if desired, on approved security. Those desiring credit please make arrangements with their local banker, or the clerk, before day of sale.

And as to the cost of

PIPE AND PIPELESS FURNACES

To Montag "ventilated heat" and Montag fuel conservation is added Montag superior materials and construction. Quality is not stinted to make a price.

For Montag builds for quality— heating efficiency, long-lived installation— not cheapness.

And because Montag manufactures right here, with practically no freight to pay on his manufactured furnaces, Montag can, and does, put the extra savings into the quality of Montag Furnaces.

And so, in a Montag Furnace installation, you get—

- 1—Ventilated heat
- 2—fuel conservation
- 3—best materials and construction
- 4—at a remarkably low cost!

Investigate NOW!

When you purchase a Montag Furnace you have obligated Montag to heat your home adequately—and with satisfaction to you.

Get in touch with the authorized Montag installer in your locality and be prepared for winter. Write, phone, call on
