Mr. and Mrs. Frank Cooley and two children, of Eugene, visited Sunday with the former's uncle, H. W. Cooley and family. Mrs. Hazel Stockton also spent the day at the home of her parents.

Mrs. Glen Davidson and Miss Martha Hagberg were the hostesses Friday evening for a delightful miscellaneous shower given Miss Letitia Pulfer at the home of Mrs. Davidson, in honor of the approaching marriage of Miss Pulfer and Roy Crabtree. The decorations were in pink and white and a delicious luncheon was served. About 20 close friends of the bride-elect were present and she received many handsome gifts. The evening was spent in playing games.

Mr. and Mrs. E. M. Ward and children drove to Hillsboro Sunday. Albert Richey, who has spent the summer with his grandmother at that place, returned to Gresham with his parents and enrolled at the grade school Monday.

Miss Lena Wright, daughter of Mrs. Anna Wright of Gresham, and an associate, Mrs. Frances Cary, have leased a place near Oswego lake and put in a line of home baking, including delicatessen products.

Mrs. James Anthony, of Fruit Valley, Washington, spent Wednesday and Thursday as the guest of Mrs. B. W. Emery. She was formerly Miss Hattie Pierce, a teacher here for many years. Mrs. Gale Slocum and baby, of Corvallis, a niece of Mr. Emery, was also a guest in the home at the same time.

Ivan Winsor of Juneau, Alaska, arrived in Portland Friday evening. While there he will be on official duty in the district office of the United States Department of Agriculture. He is also visiting his aunt, Miss Emma B. Johnson, in Gresham. The latter part of this week he leaves for Montana where he will visit his parents and friends.

Mr. and Mrs. Preston, of Portland, who are interested in forming a class in violin, will give a recital at the high school Thursday from 12:40 to 1:10. Miss Alice Prindle, head of the music department in the high school, who has been a soloist in the Washington state college for the past three years, will sing. All are invited to attend this recital. Mr. and Mrs. Robert Blair and Miss Case, of Portland, gave a pleasing recital on Monday at both the high and Gresham grade schools. Mr. Blair appeared in violin solos and he and his wife rendered a duet. Mr. Blair also gave a vocal solo and Miss Blair presided at the piano. The recital was much appreciated by the boys and girls of both schools.

In the contest staged by the Hessel Implement company on three days of last week for the greatest mileage per gallon to be attained by the new Overland Whippet, Frank Mickelson, of Dodge Park, won the \$25 credit on a new machine, with 31 miles; George Alexander scored a trifle better on Friday with 31.7 miles and on Saturday Fay Davis got the award with 29.5 miles. The Outlook was represented in the contest by Leslie St. Clair who made 29 miles to the gallon.

A meeting of all the committees of the W. C. T. U. state convention will be held on Thursday afternoon at 2:30 at the library. It is hoped every committee will be represented in full.

W. C. Burch has returned from a hunting trip near Roseburg. He guided a hunting party of five to the head waters of the Umpqua river and on his return trip had the good fortune to shoot two deer within a mile and a half of the city limits of Roseburg. Others in the party also scored their limit.

Mr. and Mrs. R. N. Carothers, of St. Johns, spent Saturday night and Sunday at the former's father, C. A. Carothers.

The Rev. and Mrs. J. H. Wood returned Friday evening from Seaside where they had spent two weeks. They returned home at least two weeks sooner than they had intended on account of the illness of Mr. Wood. He was taken with nervous ailments while there and was obliged to consult a physician. He is now resting much easier and feels there is no place like home.

Mr. and Mrs. Albert J. Krueger entertained with a 500 party on Saturday evening at which 19 guests were present. Four tables of cards were played and refreshments were served. Johnson and the latter's nephew, Ivan Winsor of Juneau, Alaska. Several of the party climbed to Camp Blossom, where they found considerable snow. The recent cold weather on the mountain caused the freezing and bursting of many water pipes.

Callers on Saturday at the Outlook office were Mrs. Grace Exley and her mother, Mrs. Elizabeth Dougherty, of Portland, and Mrs. Mae Dougherty Newman of Palo Alto, California. All are former residents of Gresham.

Dr. George Inglis returned home Friday from a ten-day business trip to Saskatchewan, Canada. He reports a fine trip and lots of snow and cold in the Canadian country.

W. C. Alderson, county superintendent, was visiting the Gresham grade school and others in this vicinity on Friday.

YOUNG COUPLE MARRIED, BRIDEGROOM DETAINED

The marriage of Asahel Jesse Hockett, a medical student of the University of Oregon, and Miss Anna Lelah Childers, daughter of Mrs. Cora Evans, formerly of Gresham, took place at the residence of Dr. and Mrs. A. Thompson Saturday afternoon in the presence of Mr. and Mrs. Howard W. Evans, Miss Lucile Morelock and Mrs. Thompson. Dr. Thompson officiated in his usual genial manner and the happy couple left immediately for Portland where they will reside. The bride is well and favorably known in Gresham. She has been employed in a Portland department store for several years where she also has a wide circle of friends.

The bridegroom appeared to be considerably perturbed and violated almost every known parking ordinance when he left his machine at Dr. Thompson's residence where the ceremony was to be performed. Deputy Sheriff Squire, an old friend of the Childers family, added to his disquietude when he drove off with the light roadster of the couple and placed it in a local garage where it was held while the groom was questioned as to what had become of the rear license plate, which was missing. A motorcycle cop was on hand to "arrest" the law violator, but the sweet pleadings of the bride won for them a respite and they left Gresham to the accompaniment of tin cans which had been thoughtfully tied under their auto.

METHODIST PASTORS HEAR APPOINTMENTS

The appointments for the coming year which were read on Sunday afternoon at Corvallis at the close of the annual conference of the Methodist Episcopal church, showed a few changes in the pastorates of that denomination in this vicinity. Gresham church will be served by the Rev. Harold V. Wilhelm, who comes from Brighton, Colorado, the point to which Dr. C. W. Huett has gone. The new pastor is driving and is expected at any time. E. W. Withnell will return to Pleasant Home and Boring, and Harry Bickford to Pleasant Valley. Fairview and Rockwood will be served by J. F. Dunlop, H. R. Bowman and J. Stanford Moore are not taking pastorates this year on account of health conditions, but will enter into some other employment. Earl B. Cotton goes to Madras, E. G. Ranton to Nehalem, and Melville T. Wire to Pendleton. Dr. A. S. Hisey remains superintendent of the eastern district.

A communication from Mrs. C. W. Huett tells of the meeting of the Rev. Mr. Wilhelm and the Huetts at a filling station in Idaho. The two pastors and their families took adjoining cabins in an auto camp and had an interesting visit.

PEOPLE KNOWN HERE UNHARMED BY STORM

Friends of Mr. and Mrs. A. G. Cushman, the latter a daughter of Mrs. M. Johnson, will be pleased to learn that they came through the Florida storm unharmed. After visiting relatives in Gresham last month Mr. and Mrs. Cushman and two children went to Miami to visit Mr. Cushman's parents. They were en route to Brooklyn, New York, their future home.

Writing of the storm Mrs. Cushman says: "None of our relatives were hurt at all, and only suffered comparatively small loss to property—garage collapsed and servants' quarters damaged. Due to the force of the wind, the water came through the roof almost as though there had been none over our heads. I do not believe there is a house in town that is not damaged to some extent, thousands are roofless and a great many are flat. Awnings, screens, etc., were demolished everywhere. Every part of Miami got it. We still do not have electricity and probably will not have for weeks as wires and poles are flat all over town."
