

CROWDS ATTEND BROWN OPENING

A good attendance marked the formal opening of the Brown building last Friday evening and a new era in the progress of building activities has been established in this end of Multnomah county. The room occupied by the Gresham meat market was made more beautiful by the presence of numerous baskets and bouquets of seasonal flowers, some of gifts of local business firms and friends and others sent from Portland by wholesale houses with which Mr. Brown has dealings. A useful souvenir, consisting of an erasable writing pad, was presented to each of the ladies. The Gresham band was seated in one of the vacant store buildings and played during the evening to an appreciative audience, most of which stood on the sidewalk outside the entrance.

Visitors, probably 250 in number and many from the outlying districts for a distance of several miles, wandered up and down stairs, from top floor to sub-basement, and thoroughly inspected the well-lighted clean rooms, especially the meat market where every modern convenience has been installed to make possible the delivery of meat to the customer in a perfect condition.

Many were the comments bestowed on the slightly business block which has risen during the past year through the foresight and optimism of one of Gresham's leading business men. Only unusual loyalty to one's home town and the surrounding farming community and an unwavering faith in the future could prompt the expenditure of \$25,000 in the erection of this handsome building which was dedicated on Friday evening. Mr. and Mrs. A. J. W. Brown are being congratulated on their achievement and they are deserving of the continued patronage of the community.

YOUNG MOTHER'S DEATH SAD LOSS TO FAMILY

A personal sense of grief and sympathy was voiced by many in the community on Sunday morning when it was learned that early that day Mrs. Pearl Exley, member of a prominent pioneer family, had passed away at the age of 38 years. The immediate cause of her death was pneumonia, although she had been suffering for some time from attacks of inflammatory rheumatism. There is left to mourn their loss her husband, Joseph Exley, to whom she was married in 1910, six children, Helen, Joe, Adelbert, Wilbur, Margaret and Robert her mother, Mrs. Clementine Metzger, three brothers, William C., Frank and Adelbert W. and a sister, Mrs. Elsie Deardorff, besides many other relatives and friends who will regret deeply her early passing.

Mrs. Exley, who was the daughter of the late Henry Metzger, was born in Gresham and reared to young womanhood here. She attended the Gresham schools and later a Portland business college. She was modest and retiring in her disposition, warmly attached to her family and home and a friend and neighbor of whom no one had aught but good to say.

Funeral services were held this afternoon at the Methodist church under the direction of the Gresham Funeral parlors, with commitment rites at the Gresham cemetery.

Sheridan Young Man Dies Here.

Claud Elmer Shandy, aged 23, died Thursday, September 30, at the home of E. M. Camp, from acute dilation of the heart. Funeral services were held Saturday at the Gates Funeral home, the Rev. E. G. Judd officiating. The young man had come here from Sheridan, Oregon, about two weeks ago with his parents and had been undergoing treatment from a local physician. They had been staying at the Camp home and were there when the patient passed away. Besides his parents, the deceased is survived by nine brothers and three sisters. Interment was made in Douglas cemetery.

CAUCUS NOMINATES FULL TICKET; FOUR FILE FOR MARSHAL'S OFFICE

Nominees at Last Night's Meeting.

For Mayor—Chas. Cleveland.
For Treasurer—John Metzger.
For Recorder—Clifford G. Schneider.
For Marshal—Richard Jennings, E. H. Kelly, Alex. Gullikson, A. W. Griffis.
For Councilmen—J. V. Cogswell, B. W. Thorne, Russell Akin, A. W. Botkin, F. J. Beechill, Cecil Metzger, E. M. Thomas.

The nominating mass meeting for a citizen's ticket held last night in the city hall brought out a rather small attendance and resulted in the re-nomination of all the present incumbents whose offices expire about January 1.

In addition to the present office holders several new names were put forward. For the office of marshal especially there is prospect of quite a sharp contest as four nominations were made last night and there may be another one or two made by petition.

Chas. Cleveland, who has been mayor for the past term of two years was renominated. He will likely be the only nominee. Mr. Cleveland is influential, well qualified and has time to devote to the office.

There will likely be no other nominees for treasurer or recorder than those made at the citizens' meeting last night. Both John Metzger, treasurer, and C. G. Schneider, recorder, are capable, experienced and are believed to be entirely acceptable. They will likely be re-elected.

Gresham Marshal Hurt.

Marshal E. H. Kelly narrowly escaped serious injury on Friday afternoon about 5 o'clock when he fell through an opening in the sidewalk in front of the new Brown building, a distance of about nine feet, and evidently struck on his head, inflicting several cuts on his face and hands and minor injuries to the back of his neck.

L. J. Winter was engaged in cutting a square hole in the sidewalk to provide for an entrance through to the basement where the water meter is located. Mr. Kelly was guarding the aperture to keep pedestrians away when his attention was momentarily called to a defect in the water meter. He started to investigate the condition and absent-mindedly stepped onto the boards which had been sawed and were just ready to drop. As a result he received a bad fall and was for a short time unconscious. He was first taken to a physician's office and later removed by M. M. Squire to his home, where he is still confined to his bed.

Mr. Kelly is of the opinion the condition would have been much more serious had he not caught at the opening as he fell. His hand was strained badly and he thinks he broke the force of the fall by clutching at a board. Alex. Gullikson is wearing the official star and is acting marshal during the enforced absence of Mr. Kelly from his duties.

The marshal's office offers a contest. E. H. Kelly is the present marshal and was nominated for re-election. But there are at least three others who want the job or their friends want it for them and how the election will result with such a field to select from is hard to predict. The contenders are Richard Jennings, A. W. Griffis, and Alex. Gullikson. The latter is acting marshal while Mr. Kelly is recovering from his recent accident.

The recorder announced that nominations could be made by petition up to 10 days before the date of election. Following the nomination Mayor Chas. Cleveland, who acted as chairman of the meeting, announced that the meeting was open for discussion of any timely subjects.

Information was asked regarding the method to pursue to make the marshal's office appointive instead of elective. It was said it would require a charter amendment and this could be presented by a proper petition. It will likely be prepared and go on the ballot.

The subject of parks was up for its usual airing and the possibilities and needs were presented by several speakers. A vote was taken as an expression of the sentiment of those present and it was unanimously favorable to the securing in the way the council thought best a tract or tracts for park purposes.

The uncertainty of lights and bad condition of streets and crossings in certain locations was called to the attention of the officials present, and the meeting adjourned.

In order to have their names appear on the ballot for the election on November 2 it is necessary that the nominees sign a certificate of acceptance, it was stated by the recorder.

The councilmen who were nominated for re-election are B. W. Thorne, Russell Akin and Dr. A. W. Botkin.

LETTERMEN'S CLUB TO SPONSOR SMOKER

The Letterman's club of Gresham Union high school is sponsoring a smoker to be given at the high school gymnasium next Friday, October 8, at 8 o'clock. The program will be replete with stunts a-plenty, but the smoke will be conspicuous by its absence.

The main event of the evening will be the big six-round boxing match between Wirth and Judd Pullen. These guys are both experienced and bitter fighters. Duncan and McCann, each 130 pounds, promise something spicy in the boxing line. Duncan is speedy, with a neat little left hook, while McCann is more of the stolid type of fighter, with the stamina to take a lot of punishment.

Mink vs. Smith will be a light and fast three-round match, and Chalker and Whilon, two huskies, are planning a three-round showdown that will beat the band.

In addition to the boxing some dandy wrestling matches will be staged. Rusher and Okuda, 130 pounds each on the floor, are competent wrestlers, with Okuda given a slight edge because of his knowledge of the Japanese art of jui jitsu, which is apt to give him some extra holds.

Probably the big event in the wrestling bouts will be between Squire and Whetzel, the two largest men on the football team. Two sophomore huskies, Brown and Brink, will wipe the dirt off the floor, and considerable interest is centered around Fleming and Tallman.

Admittance is open to all and the admission charges will be used for the benefit of the Letterman's club.

Word was received this morning of the death of Richard Forbes, aged 94, who died Monday afternoon at his home at Cedarville where he had lived for many years. The aged man had been confined to his bed but two weeks and was seen on the streets of Gresham only a week before becoming bedfast. His wife died six years ago and since that time he has been cared for by his sons, Norman and Walter A. and wife. Other surviving children are Mrs. Emma C. Lewis, of San Francisco, Richard W., of Spokane, and Andrew and James, of Portland. The funeral arrangements are in the hands of Finley & Son, Fifth and Montgomery, Portland.

Union High School

Principal R. E. Cannon recently sent out inquiries to each family represented in the high school asking if the organization of a father's and mother's club or a Parent-Teacher association was desired. If enough interest is shown in the subject, efforts will be made to perfect such an organization.

The high school district has put on its ninth bus to care for the overflow of students finding their way to the doors of G. U. H. S. This car will run on the Section Line road and will probably be handled by one of the members of the faculty, Charles Saverude. Owing to the crowded condition on the busses a Buick car driven by Edward Mink, transports eight students from the Hillsview and Boring district. Peter Weiland, of Rockwood, has been hauling 40 students in a machine which has a capacity of 28. Mr. Cannon, K. A. Miller and C. I. Raker have been contributing their services lately, a week each, driving out for students who had no other means of getting in. This congested condition will be relieved by the latest bus to be added to the fleet.

It may be of interest to parents to know that the bus drivers having charge of the students have the same jurisdiction over them that the instructors do in the classrooms. The busses are ordered to come to complete stops to take on and discharge students, also at the railroad crossings. The rule has been made that the busses shall remain down town but ten minutes in the evening. In case a student gets left, the driver is to report to the parents to this effect. The machines load at the same place at the schoolhouse each night and arrive at the building as near 8:40 each morning as possible, to allow the children more time at home.

The new bus was furnished by the Fields Motor company, of Portland, which submitted the lowest bid on the machine. W. R. Johnson will begin immediately the erection of some additional auto sheds to provide for the proper housing of the machines at the high school.

The registration of the school has now reached 329 by the addition of five students from the Gilbert district. The enrollment at the beginning of the next semester will probably be materially increased, as the mid term class coming is expected to exceed the number dropping out of school. The assembly room is full of seats, the seats are full of boys and girls and the overflow has extended to the Munhino office where five are seated. According to the principal, another teacher is needed, but there is no room for another at present. The future housing accommodation of the high school is becoming problematical.

Aged Man Dies at Cedarville.

Word was received this morning of the death of Richard Forbes, aged 94, who died Monday afternoon at his home at Cedarville where he had lived for many years. The aged man had been confined to his bed but two weeks and was seen on the streets of Gresham only a week before becoming bedfast. His wife died six years ago and since that time he has been cared for by his sons, Norman and Walter A. and wife. Other surviving children are Mrs. Emma C. Lewis, of San Francisco, Richard W., of Spokane, and Andrew and James, of Portland. The funeral arrangements are in the hands of Finley & Son, Fifth and Montgomery, Portland.

Adventists Have New Meeting Place.

The meeting place of the Seventh Day Adventists has been discontinued from the Bible Standard church on East Powell Valley road and, until the denomination proceeds with the erection of the church building which is being planned, the congregation will meet on Saturdays in the old Davies residence, on Third street at the south end of Hood avenue. The church has made the initial payment on a lot in the Clannahan addition belonging to C. H. Calkins and it is the present plan to begin the erection of a building about the first of the year. For some years a church membership was maintained at Troutdale in a building which they owned, but as a majority had moved away, the meeting place was abandoned and this church has now been sold and the proceeds will be devoted to the new building in Gresham. The old residence of Mrs. L. A. Davies has been neatly fitted up with seats and will answer the purpose for a few months as a room in which to worship.

GRESHAM COUPLE HAPPILY WEDDED

A pretty home wedding was celebrated at the residence of Dr. and Mrs. A. W. Botkin on Sunday afternoon at 5 o'clock when their son Maurice and Miss Florence Rosen were united in the bonds of matrimony. Dr. William G. Elliot, pastor of the First Unitarian church of Portland, officiating. Nearly 40 guests were present, the relatives and intimate friends of the young couple.

The house was beautifully decorated in pink and lavender Michaelmas daisies and the fireplace was converted into a bower of brilliant autumn leaves. Miss Genevieve Graham, of Portland, sang a late composition, "My Heart Is a Haven," accompanied by George Black. Mrs. R. V. Sluman, aunt of the groom, played Mendelssohn's wedding march. The bride was most attractive in powder blue georgette over an orchid slip and carried a bouquet of bride's roses. Miss Willene Botkin was the bridesmaid and was gowned in flowered tan georgette over a satin slip of the same color and carried pink roses. Dr. Howard Stearns, of Portland, a close friend of the family, was the groom's best man. At the close of the ceremony refreshments of cake and ices were served. Mr. and Mrs. Botkin will be at home to their friends in their Wallina Heights residence which they have recently renovated and furnished.

Both Mr. Botkin and his bride have hosts of friends in Gresham who will join in wishing them a long life of happiness. He was a graduate of the Gresham Union high school class of 1921 and has been engaged in various lines of business for the past few years. He is part owner of the Gresham-Portland bus line over the Section Line road. After graduating from the high school at Gresham, Mr. Botkin spent a year at Stanford University. Mrs. Botkin graduated with the class of '22 at G. U. H. S. and since that time has been employed at the Bank of Gresham, which position she has filled very creditably. She expects to resume her work with the bank in a short time.

Considerable sentiment is connected with the presence of Dr. William Elliot, the officiating clergyman, at the wedding on Sunday afternoon. He united Dr. and Mrs. Botkin, and his father officiated at the wedding of Mrs. Botkin's parents. At that time Dr. Elliot was a small boy of seven and had the honor of presenting the bride with a bouquet of flowers. The two families have long been closely associated.

GRESHAM LUMBER FIRM ANNOUNCES CHANGE

The firm of Barnes & Morrison, which last February bought the Gresham branch of the Jones Lumber company, announces a change in the personnel of firm which went into effect on October 1. H. A. Barnes, eldest son of J. F. Barnes, senior member of the firm, has bought the interest of Sam R. Morrison, and is expected here within a few days with his family from Bothell, Washington.

The new firm member is an experienced lumberman, having worked for several years with his father, later becoming manager for the Columbia Valley Lumber company of Douglas county, Washington, which position he held for four years.

Mr. Morrison will return to Seattle in a short time, where he expects to resume the garage business.

Courtesies Appreciated.

We wish to convey our sincere thanks to our fellow business men for their kind wishes and congratulations, also to our many fellow citizens and those from a distance who came to join in the celebration on our opening night. We appreciate the many lovely flowers which were sent. These kindly expressions, we can assure you, touched us deeply, and at the time we did not feel we could adequately express ourselves. We also wish to publicly thank our excellent band for the fine musical numbers which were enjoyed by all. One gentleman from Portland said our little city should be proud of a band that was capable of rendering such excellent music.

MR. and MRS. A. J. W. BROWN.

COMING EVENTS.

Local and Statewide.
Week of October 18 to 23. Semi-centennial celebration of founding of U. of O. and inauguration of new president, with great football game, Stanford vs. Oregon, on Saturday, at Eugene.

Tuesday, Nov. 2. General election.

W. C. T. U. state convention beginning Oct. 19, at Gresham.

Pacific International Livestock show, Portland, Oct. 30 to Nov. 6.

SPECIAL!

Round-trip to Portland for One Way Fare

To See

"STELLA DALLAS"

Now in the sixth week of its record-breaking run
at the PEOPLE'S THEATER

By arrangements with the P. E. P. company, special return checks will be issued to all passengers on interurban cars from Gresham and intermediate points on WEDNESDAY, THURSDAY AND FRIDAY of this week.

These checks will be validated by the People's Theater for all holders purchasing admission tickets to "Stella Dallas" and will then be accepted by the P. E. P. company as fare for the return trip.

Of course, Stella Dallas will play later in Gresham, but without the splendid accompaniment and concert by CHUCK WHITEHEAD'S famous "Hoot Owl" orchestra or singing by Dolph Thomas, the "Voice of KOIN."
