

GRESHAM LOCALS

Miss Joyce Kidder came home from Willamette University to spend the week end with her parents, Mr. and Mrs. L. L. Kidder.

Mrs. Bertha Pennington of Portland, a graduate of the Art Institute of Chicago, has organized a class in art industries in Gresham to meet at the home of Mrs. Annie Hevel. The first meeting will be held on Wednesday afternoon, October 13. There are 12 lessons in the course, covering, kodak coloring, aurora cone, painting on fabrics, lamp shades, etc. Evening classes may also be formed.

Mrs. Pearl Mack has returned from Bremerton, Wash., where she visited for several weeks with her brother and sister-in-law, Mr. and Mrs. Etsel Jones. She brought home her little daughter, Helen, who has been there for several months. Mrs. Mack is improved in health and is now staying in her own home.

Miss Alma Smith of Portland is the guest of Mrs. Mina McKinney.

Mrs. M. V. Findley, who formerly resided in Gresham and who later was employed at Bull Run as a cook, has purchased a tea shop in Portland and is being assisted in the work by her two daughters, Edna and Thelma, who were employed in Gresham before going to Portland.

Mrs. Martella Parks, a granddaughter of Mrs. Isabel Leland, underwent an operation at St. Vincent's hospital yesterday morning which has been pronounced successful. Mrs. Parks is a sister of Miss Rose Potter.

The members of the Free Methodist Sunday school will meet at the home of David Cathey this evening to practice songs from a new book which was recently purchased and used for the first time Sunday.

Arnold Rogers and R. S. Acers have returned from a hunting trip in the Cascade mountains near the head waters of the Santiam river, where they spent more than two weeks. The time was spent in strenuous tramps from their camp about 26 miles from Gates, but was thoroughly enjoyed, especially as they brought home a fine black bear, weighing 350 pounds. They saw three other bears, but they were out of range of the hunters' rifles.

Mrs. Frank Gibbs was most agreeably surprised Saturday evening when a party of 20 relatives and near friends came in to help celebrate her birthday. The time was spent socially and delicious refreshments were served. A number were present from Portland.

Sam Smith is having dirt hauled to his premises with which to begin the development of a lawn. He will have it well filled in and leveled and later planted to grass.

Mrs. Fred Southard, who has been ailing for several months with rheumatic trouble, is now much improved.

Mr. and Mrs. R. W. Gibbs and Mr. and Mrs. E. A. Taylor went to Seaside Wednesday, to spend a week or two in deep sea fishing and other recreations.

The Gresham circle of the Evangelical Women's Union will meet for an all-day meeting with Mrs. E. Schwedler Thursday. The members of the Victory circle are also invited. A pot-luck luncheon will be served at noon.

Frank Gibbs is having an Eastman pipeless furnace installed in the basement of his residence. The furnace was purchased through the Kidder Hardware company and is being set in place by its workmen.

Miss Sarah Metzger began work Friday on the local operating exchange boards of the Mutual Telephone company.

A daughter was born September 26 to Mr. and Mrs. C. E. Putnam who reside on route 2, Gresham.

Mrs. C. A. Johnson gave a surprise party Saturday afternoon in honor of her daughter Laura's, 12th birthday. Nine girls were present and spent the afternoon playing games, after which the hostess served refreshments.

Miss Margaret White is absent from her work at the Welling restaurant for a few days on account of an attack of grip.

The east is being selected for the senior class play, "Cappy Ricks" which will be presented at the high school in November.

Mr. and Mrs. R. J. King and four children, Dorothy, Donald, Martha and Ruth have moved to their new residence which they recently acquired from I. A. Baker in exchange for their Portland home. Miss Dorothy King registered in the sophomore class at Gresham Union high school yesterday and Martha has enrolled at the grade school. The family lived here two years ago in the Cedar district. Mr. King is a sheet metal worker in Portland and will make the trip to and from the city daily.

E. H. Kelly, who suffered minor injuries ten days ago when he fell through an opening in the sidewalk in front of the Brown building, is still confined to his bed, although he is thought to be slowly improving.

E. N. Ward, manager of the 30th Century grocery, ought to be able to qualify from now on as a first class farmer, although he says he is in danger of having his veracity questioned. He has been exhibiting a good-sized box nearly full of potatoes, the product of one hill raised in his spud patch on the two lots of A. M. Wilkenson. The hill contributed 30 potatoes and their combined weight was 23 pounds. He estimates there will be 40 sacks in the patch and many of the hills have run nearly as high in number as this one record hill. The ground was in poor condition as he had to combat the wiry Johnson grass, and he gave them but ordinary care during the summer. The seed for the patch was purchased for Burbanks, but these fine samples would indicate a different variety.

An adjourned meeting of the Gresham Grange will be held at the grange hall on Wednesday evening for the conferring of degrees to a large number of candidates. The members are requested to be there by 7 o'clock.

A meeting has been called at the high school this evening for the purpose of organizing a Parent-Teacher association if enough interest is manifested in the matter. Not only parents and teachers are invited, but all who are interested in the welfare of the school are asked to be there.

MISSIONARY SOCIETY BEGINS NEW BOOK

The Woman's Home Missionary society of the Methodist Episcopal church will meet on Wednesday afternoon, October 13, at 2:30 at the home of Mrs. J. V. Cogswell for the regular meeting. Mrs. W. L. Gorsage will be the leader of the lesson for the afternoon and the hostess will be assisted by Mrs. C. E. Rusher, Mrs. Mina McKinney and Mrs. R. H. Todd.

The society is taking up the new study book, "The Templed Hills," the first chapter of which will be dramatized at the meeting on Wednesday. The roles will be impersonated by the following: Mrs. Galen Faucher and Mrs. Roba Hengstler, brides; Mrs. James Eirington, the grandmother; Mrs. L. L. Kidder, the small granddaughter; Mrs. James Sterling, the daughter; and Mrs. J. R. Horz the grown granddaughter; Mrs. James Sterling, the farmer and Mrs. Geo. Honey, the farmer's wife; Mrs. Marion Johnson, the Spirit of Christianity. All members and friends of the society are cordially invited to attend.

Vital Topics

WHAT'S IN A NAME? No matter what name you give it, disease is just the same. Chiropractic deals with causes not with names. It removes disease at its Source.

Make Chiropractic your Habit.

Mrs. George Duncan received word Monday that her father at Newport was badly burned about the face and head yesterday when a gasoline tank on his fishing boat exploded.

Rudolph Kuhn, who purchased ten acres of C. A. Johnson on Cleveland avenue, has erected a three-room house, and planted two acres to strawberries. He has now gone to Hood River and will later leave for Utah to work in the mines during the winter, returning to Gresham in the spring.

H. W. Strong is driving a new Chevrolet coach purchased through the W. W. Metzger agency.

Two Gresham young men were apprehended by W. W. Metzger Sunday night about 8:30 and charged with the theft of a new automobile tire from the rear of a Ford roadster which was parked in front of the Metzger Buick agency on Main street. At first the men stoutly denied any knowledge of the tire, but on continued threats of Metzger finally admitted taking it and took him out where it had been

ditched about two miles east of Gresham. Mr. Metzger became suspicious of their actions when they loitered around the premises and on complaint of the owner of the roadster started the chase which resulted in the recovery of the tire

MUNSING Wear Hosiery for Children

A Better Range

The Colonial Jr. range is a serviceable, moderately priced range which embodies a number of splendid features which make it easy to care for and at the same time an ornament to the kitchen. It is economical in fuel consumption, too. It has a polished top, sliding damper and duplex grates for coal or wood. Two styles, enamel trimmed and plain black with nickel trim.

\$65 and \$85
We also carry the Bridge-Beach SUPERIOR gas range with combination wood and coal kitchen heater, gray enamel trimmed and priced at \$115.

Seasoned Lumber

If we put too much pep into these advertisements you can take them with a grain of salt. But it's a solemn fact that we take pride in the lumber we handle and you won't find a lot of green stuff in your order if we fill it. We like to surprise our customers with just a little bit better lumber than they expected. That policy is what has built up our business. We can't afford to slip—now.

The Opportunity of a Lifetime

WHAT would you give, Mr. Farmer, to have set before you for inspection and study the very finest and best bred livestock in all America? A year of your life or ten acres of your best land, wouldn't you? The lessons learned would be worth it.

Yet, you can have that opportunity without the sacrifice. At Portland, October 30-November 6, the 16th Annual Pacific International Livestock Exposition will exhibit the largest and greatest assemblage of livestock ever shown under one roof or at one time in the land. Dairy and Beef Cattle, Horses, Hogs, Sheep, Goats, competing for the largest premium list ever published—\$100,000. Also you will see the great Fox exhibits. There will be the world-famous Horse Show, too, and a Land, Industrial and Dairy Products Exposition.

a lifetime for every farmer in this vicinity, and we say: GO! The First State bank deems the Pacific International an opportunity of
