DEFEAT

The Fish-Wheel, Trap, Seine Bill

VOTE 333 X NO

It will place a monopoly of fishing in the hands of one class, most of whom are not citizens, and who have already repeatedly sought to raise the price of raw fish so as to place it beyond the reach of the average consumer.

Fishing has seldom, if ever, been better. There is no occasion for factional discrimination and confiscatory legislation.

THIS BILL IS OPPOSED BY

The Astoria Chamber of Commerce (the home of the principal sponsors)
The Clatsop County Press.
The U. S. Bureau of Fisheries.

By all fair-minded citizens respecting the rights of property and believing in common justice;

THE BILL, IF PASSED, WILL---

- Further increase taxes;
Raise the price of fish to the consumer;
Violate a solemn treaty with the State of Washington, making it a scrap of paper;
Confiscate hundreds of thousands of dollars worth of property, without process of law;
Throw many people out of employment in Wasco, Hood River, and Multnomah counties;
Destroy industries and valuable taxable properties in these Counties;
Leave the Columbia River a boundry stream subject to concurrent jurisdiction with the State of Washington in a legal chaos—without law or regulation.

In the interest of the consumers of salmon, the already overburdened taxpayers, of common sense, fairness, and justice.

This names five inexperienced people to spend your money.
This mortgages all your property to politics
This leaves the taxpayer to foot the bills.
This would ALL go into the Constitution of Oregon
