

Fairview Election Arouses Interest

In the general municipal election for the city of Fairview last Tuesday more than ordinary interest was taken in affairs pertaining to city, county and state and accordingly a heavy vote was polled. In the race between W. H. Cook and E. E. Heslin for the mayoralty office, the latter won 70 to 16. G. P. Lumsden received 82 votes for recorder and John Moller 75 for treasurer. G. O. Dolph won out in the contest for marshal two to one over his opponent, James Burlingame.

For the office of councilman for the three-year term the count stood, D. W. McKay, 83; C. N. Buckner, 82 and John Jonas, 80; and for the two-year term George Shaw received a vote of 80 and J. Mahaffey 76.

The Fairview vote cast for the governor of the state was a spirited one, the result standing Pierce 72 and Patterson 68. The candidate of the liquor interests, Stalard, received a meager 8 votes.

Steiner led Haney by a margin of three votes for United States senator, with Stanfield in third place and Adams with four votes in his favor. Crumpacker received 96 votes for congressman and Carson 64. For district attorney C. G. Schneider won over his opponent, Stanley Myers, by three votes and for county commissioners Phegley received 83 votes, Taft 76 and Morse 69. The grange state income tax bill was well received in Fairview, the vote standing 71 for and 45 against.

Home Pointers.

Canned fruits, such as pears, are colored effectively if left to stand over night in their own juice to which a little fruit coloring has been added.

In making bread or rolls, the crust keeps smooth and tender by putting a saucepan of boiling water into the oven.

When cooking green vegetables a small particle of soda added to the boiling water keeps them in fresh color.

A pound of home-made baking powder is readily made with one-fourth pound of baking soda, one-half pound of cream tartar, and one-fourth pound of cornstarch. The ingredients are sifted together at least four times and placed in an air-tight jar. This baking powder costs a trifle less than Royal baking powder.

THAT'S the tremendous growth of our own Pacific International Livestock Exposition of Portland in 16 years—from an insignificant beginning to the largest and most important combined livestock exposition in America.

It is a monument to every farm and farmer in the Northwest—an achievement of which we all may be proud. This year the Exposition takes place October 30-November 6, and reports indicate even a bigger, greater Exposition than ever before—with the finest Dairy and Beef Cattle, Horses, Hogs, Sheep and Goats in all America competing for the largest premium list ever published—\$100,000. Combined with it are the world-famous Horse Show, Land and Dairy Products Show, Industrial exhibits and the great Fox exhibits.

The Bank of Gresham believes in and encourages the raising of more and better livestock. Therefore, we say GO to the Pacific International and profit by what you learn.
