W. F. Honey returned Sunday night from a trip which took him into the northern states as far as Minneapolis and through the southwestern Canadian provinces. He reported the weather cold and wet but found financial conditions better than they were two years ago. Mr. Honey was away two months.

Extensive plans are under way for the Armistice Day dance to be given at the Masonic hall on the evening of November 11 by the Areme club. Special stunts and lighting effects are being planned, and the decorations will be appropriate to the occasion. Gigray's orchestra will furnish the music. The Areme club dances are always popular because of social opportunities which they offer and the care exercised in all of the arrangements.

Wednesday, December 1, has been chosen as the date for the dinner and bazaar which will be given by the Ladies Aid at the Methodist Episcopal church.

Mrs. Albert Krueger, Miss Ruth Bowron and Miss Rachel Chezem were hostesses Wednesday evening in honor of Miss Adele Schenk, whose engagement was announced at that time to Cris Zurcher of Portland. A real cat was let out of a bag, bearing a card on which were the words, "A teacher of 32 finds she has too much to do, so she has decided to change her school and take a school of one to rule." The evening was spent in playing 500 and refreshments were served. Mrs. George Hayden carried off first honors with cards and Miss Lillian Lekander, consolation. The affair was given at the home of Mrs. Krueger and was attended by the grade school teachers, with the addition of Miss Florence Schenk. Miss Schenk is in her third year as a teacher in the Gresham grade school. Mr. Zurcher is employed as a compositor on the Oregonian.

The regular meeting of the Areme club will be held next Monday afternoon at the home of Mrs. E. W. Aylsworth, who will be assisted by Mrs. S. B. Hall, Mrs. W. D. Kinder, and Mrs. George Page. All O.E.S. women are invited to be present.

Mrs. Harriet Timmerman entertained California friends on Thursday afternoon, J. O. Boggs and his sister, Miss Alice Boggs of San Francisco, who were on their way home from Washington. Mr. Boggs is a lumber dealer in California and has been on a tour of inspection of his timber interests in northern California, Oregon and Washington. They also visited Mrs. Timmerman in September as they were on their way north.

Mr. and Mrs. Frank Knox of Fossil, Oregon, are house guests at the home of Mr. and Mrs. W. E. Beagle.

Mr. and Mrs. G. S. Campbell have moved from Portland to Gresham and are located in the Morrison house on Maple avenue. Mr. Campbell is employed as meat cutter in the new shop which opened yesterday in the T. R. Howitt store.

Mr. and Mrs. W. E. Beagle celebrated the 11th anniversary of their marriage recently by a happy home gathering. The children and grandchildren of each were present with the exception of the son-in-law and daughter of Mr. Beagle. Mr. and Mrs. Heyne, of Waterloo, Oregon. The children not only brought good things to eat but presented the parents with a beautiful Bible.

Mrs. A. F. Hoover entertained charmingly last Friday at a noon luncheon in honor of the fifth birthday of her niece, Betty Jean Donley, daughter of Mr. and Mrs. Gus Donley. Three tiny guests, Bonnie Belle Smith, Janet Johnson and Aline Stanley, thoroughly enjoyed the Hallowe'en decorations and the beautiful birthday cake ornamented with five candles. The mothers of the little girls and also three lady guests from Portland were present at the luncheon.

Mr. and Mrs. Burl Haight and child have arrived from Winifred, Montana, for a few days' visit with former Montana friends, Mr. and Mrs. D. D. Smith. Mr. and Mrs. Haight are much pleased with the Oregon country and around Gresham in particular and are thinking of locating in this vicinity.

A case of scarlet fever has made its appearance at the high school, Clifford Nasshahn, a freshman in the Orient school district being the student affected. The boy was immediately removed to his home and the residence placed under quarantine. Another member of the family, the boy's sister, is obliged to remain home until the ban is lifted, although she has not come down with the disease. Principal Cannon states that every possible precaution is being taken to prevent the spread of the malady and it is hoped an epidemic may be avoided.

Mrs. Thomas Duncan left for her home at Ashland, Oregon, Wednesday after a week's visit with her son, C. E. Johnson and family. His Chance.

Young Preacher (to profiteering landlord)—"I think it is very unjust that you should raise the rent of my poor parishioners over a hundred per cent."

Irate Landlord—"If I want to hear you preach, sir, I'll attend your regular services where you should do your preaching."

Young Preacher—"You may have that privilege next Sunday. I'm going to preach at the penitentiary."

Fair Enough.

Mother tucked her little daughter into bed and after kissing her was about to leave the room.

"It's awfully cold in here mummy."
"Yes, dear, but just cuddle down—an angel will keep you warm."
After mother had returned to the living room and was reading—Mary called down.
"It's still awfully cold mummy. Couldn't I exchange my angel for the hot water bottle, please?"

The cause for limber neck in fowls is eating spoiled food of some kind—in most cases in this section by eating spoiled canned food, particularly corn, asparagus, and beans. Heating the food thoroughly for about 10 minutes destroys the poison.

HOWITT'S NEW STORE REPLACES GROCERY

Store No. 3 of the Newberg Packing & Produce company, under the management of T. R. Howitt, opened for business Thursday morning in the quarters formerly occupied by the Cecil Metzger grocery in the Bank of Gresham building. Mr. Howitt recently purchased the Metzger stock of groceries and after disposing of them by means of a low-priced removal sale, intends to install a complete new line of staples, together with vegetables, fruit, feed and delicatessen in addition to a first-class meat shop and a line of hardware.

The interior of the building has been completely renovated with additional shelving and a new arrangement of furnishings. The front has been set in to provide an outside market for fresh vegetables and fruits and a flood lighting system installed.

Mr. Howitt, on account of varied interests, will not devote all of his time to the Gresham store, it is understood, but the business will be carried on by his son-in-law, Homer Aret and Clair Gullikson. Cecil Metzger is assisting at the

store temporarily and G. S. Campbell, of Portland, is in charge of the meat shop.
