

GRESHAM LOCALS

The American Legion and Auxiliary will meet in the grange hall Tuesday evening, November 23. Pot luck supper will be served at 7 o'clock, followed by election of officers of both organizations.

Engineers were busy yesterday running surveys for the building site on the property recently purchased from Mrs. Annie Hevel by Brockway & Nelson for the erection of the Dodge Brothers sales and service building. Marshall Brothers of Portland have the contract for the new building which is to be one story in height and 50x100 feet in size.

Barnes & Son have commenced the delivery of material for the erection of a rustic house at Blue lake which is being put up for Dr. Thomas Jolley. G. L. Winter of Gresham is doing the carpenter work. Dr. Jolley is at present occupying the cottage of J. F. Barnes at the lake.

M. E. Williams was called to Roseburg by the death of his sister, Mrs. Lucy Ollivant, who passed away last night. He will remain in Roseburg until after the funeral. Tommy Williams, a brother, is seriously ill at his home in Roseburg. The late Mrs. R. M. Wade of Portland was a sister.

Guests at the home of Mr. and Mrs. Rob Lambert on Tuesday of this week were Mr. and Mrs. Theodore Bear of Buckley avenue and Mr. and Mrs. Mark Mitchell of the Dalles.

Mr. and Mrs. F. Volbrecht moved into their new six-room modern house on Monday. For the past four years they have lived in the garage on their lot on Wallula Heights and only recently completed their residence. Part of the equipment of the new home will be a Hot Point electric range. They came from Montana to Gresham 12 years ago.

The children of Joe Exley have now been returned to his home and a competent housekeeper secured in the person of Mrs. J. P. McMurry, formerly from Wanic, Oregon. Mrs. McMurry has been in Gresham for some time at the homes of her sons and families who reside here.

Mr. and Mrs. John Calkins, and small son Marvin, the former a brother of C. H. Calkins, are in Gresham on their way from their home at Hermiston, Oregon, to California. They are making an extended tour of the country en route in a house mounted on a truck chassis and equipped with conveniences for housekeeping. Mr. Calkins is engaged in saw filing, scissors sharpening, etc., while in Gresham.

The Methodist Ladies Aid will be held Tuesday afternoon at 2:30 at the church and the Southeast circle will be the hostess for the occasion. Ordinarily the meetings are held on Wednesday afternoons, but on account of the Thanksgiving holiday on Thursday, it was decided to have the general Aid meeting on Tuesday.

Mrs. Iona McColl accompanied her daughter, Mrs. W. C. Belt, to the latter's home at Newport, where she will remain until after Thanksgiving.

Encouraging reports have come concerning the condition of Mrs. Elizabeth Johnson, who underwent an operation at St. Vincents hospital in Portland last Tuesday. Miss Elizabeth Johnson has remained with her mother the greater part of the week.

Mrs. Howard Johnson who lives near Ventura park is in St. Vincents hospital where she has undergone an operation. Mrs. C. H. Calkins, the mother of Mrs. Johnson, will stay at her daughter's home for a week to assist in the care of the six small grandchildren. C. H. Calkins is now able to be out again after being under a physician's care for the past five weeks. It is thought his illness has resulted from too much lifting in the wood business with which he has been employed for years.

The annual dinner of the Areome club will be given at the Masonic hall this evening.

A number of students of the senior high school class appeared at the Gresham grade school this morning and, as a forerunner of the play, "Cappy Ricks" to be presented next Tuesday and Wednesday evenings at the high school gymnasium, put on skits of the grade school students. They visited Columbian high at Corbett this afternoon for the same purpose. Everything is progressing evenly in the rehearsals and all are anticipating an evening of fine entertainment.

The Gresham Ministerial association met Saturday for election of officers and to discuss matters of interest to the community. The Rev. E. G. Judd was elected president, and the Rev. H. V. Wilhelm, secretary-treasurer.

Miss Mayme Hoss was absent from her duties at the telephone office today on account of illness.

The intersection of Main and Powell streets was the scene of another collision this morning, when the White Rose Dairy milk truck going south on Main driven by young Karlen was struck by a truck being driven east on Powell by a Portland man. Witnesses of the accident said that both drivers seemed to be at fault, as the dairy truck driver was trying to take the right of way from the other driver, which he admitted, while the Portland man's truck could not stop soon enough on account of defective brakes. Neither truck seemed to be badly damaged. There was some breakage of bottles and loss of milk.

A Tip From Nature

Nature made her WILD CREATURES wise. The Bee stores up honey for the winter; the Beaver ricks up his woodpile; the Squirrel hoards his nuts.

The Squirrel that lives in comfort during the winter of life did not eat all his nuts as fast as he found them. The Bee, the Beaver, the Squirrel all live within their income—and Bank the difference.

Are you preparing for the winter of life by banking something out of every pay-check or are you eating your nuts as fast as you gather them?

Anybody can make money; any one can spend it; it takes a wise man to SAVE it.
