

PLEASANT HOME

The regular order of service will be followed at the Pleasant Home Baptist church on Sunday. The Sunday school convenes promptly at 10 o'clock, Assistant Supt. H. C. Nelson in charge. The pastor, the Rev. Wm. Fairweather, will preach at 11 o'clock. In the afternoon the Happy Hour class meets at 3 o'clock. The evening service begins at 7:30 when the B. Y. P. U. has charge of the service, followed by preaching by the pastor at 8.

The Happy Hour class members have been holding a contest, which was won by the Reds, and the Blues will entertain them at an indoor picnic on Saturday afternoon at 2:30 in the church basement. The young people of the Baptist church are meeting every Wednesday and Thursday evening for practice of their Christmas program, which promises to be of an unusual order.

Mrs. F. B. Lake is reported somewhat improved from her recent attack of bronchitis. Albert Quay has been ill for some time, first suffering from an attack of quinsy and at present being afflicted with rheumatism.

D. D. Jack is able to be up a part of the day but still unable to be outside. Mrs. Jack has been laid up with a sprained ankle for two weeks. Mrs. Pearl Pendleton of Tacoma, a niece of Mrs. Jack, is caring for the invalids at present. Mrs. B. C. Altman still remains at the bedside of her mother, Mrs. J. A. Stephens of Portland, whose condition is growing worse.

The Ladies Aid of the M. E. church is about the "busiest body" around town this week, arranging for the bazaar which will be held in the basement of the church on Saturday evening, December 11. Mrs. Frank McKinney was a Portland visitor Wednesday.

Howard House is able to be out again after an operation for removal of adenoids and tonsils. Multnomah grange will hold its regular December meeting on the third Saturday, December 18, instead of the fourth, as Christmas falls on that day this year. This meeting will be election of officers and a full attendance of members is desired.

HILLSVIEW

Services will be held in the Damascus Mission church next Saturday evening, December 11, at 7:30 and on Sunday morning at 11 o'clock. On both occasions the Rev. M. E. Anderson of Tacoma will preach. Sunday school will meet at 10 o'clock on Sunday morning. The Rev. O. F. Larson is pastor.

Miss H. A. Dahlberg of Lafayette, Indiana, is visiting with her sister, Mrs. O. F. Larson.

POWELL VALLEY

The Home and Foreign Missionary society of the Saran Lutheran church will meet on Sunday evening instead of afternoon as formerly announced. Refreshments will be served after the program. There will be no morning service. Herman Carlson of Portland, well known chorus director in Pacific coast cities, has been secured by the congregation of the Mission church to direct the chorus. Rehearsals will be held each Wednesday evening. The usual services will be held next Sunday, beginning with Sunday school at 9:50, followed by preaching at 11 in Swedish. At 7:30 in the evening the Rev. M. E. Anderson of Tacoma will preach. The young people's service will be held on Tuesday evening at Damascus. Choir rehearsal will be held on Wednesday evening and regular prayer service of Thursday evening.

A Christmas cantata will be rendered by the pupils of the Powell Valley school on the evening of December 17, beginning at 8:30. A program of interest is being prepared which will be followed by a bake sale and refreshments. All are given a cordial invitation to attend.

Word has been received from Frank Gustafson who, with his son Wendall, left for Sweden November 9th, that they arrived safely at their destination on the 18th. The family looks for them home about the 1st of January.

SPRINGDALE

The cafeteria supper and bazaar given at the Springdale schoolhouse Monday night by the Parent-Teacher association was a fine success. Following the supper a program was put on, including some plays and songs by the two rooms and a few numbers by Mr. and Mrs. W. D. Kinder of Gresham. Rosetta Henkle played the saxophone accompanied at the piano by Thelma Davies. Mrs. Woods, a very competent lady of this community made several clever articles for the bazaar, among them being two large oil cloth cats. These dolls brought a good sum. The net amount realized from the bazaar was over \$70,000, part of which will be used for a community Christmas tree to be held at the schoolhouse on Thursday evening, December 23.

Brakes Relined

Not in the old fashioned way, with a chisel, punch, hammer and anvil—a method which is fast becoming obsolete, but with the surer, quicker and better Rockford brake re-lining machine.

The Rockford counter-sinks the rivet head through the brake lining to eliminate scoring the drum when the lining becomes old and worn. It also prevents the brake lining from pulling off when it gets old and thin.

Ford Owners

Your hands will not chatter if you have your brakes relined with the Rockford. The counter-sunk rivet head through the brake lining creates an oil pocket which keeps them always well lubricated and prevents rivet heads coming in contact with drums. One trial will make you a booster.

We use John-Mansville brake lining.
