

Gresham Locals

At a meeting of the Eastern Star last Tuesday evening a committee was appointed to ask for donations of various kinds for several families in Gresham that are deserving of aid. It is suggested that money, furniture, foodstuffs, toys or anything that could be used by a family of children would be acceptable. All desiring to render such assistance are asked to leave their donations at the office of the county agricultural agent, S. B. Hall, who will see they are properly disbursed. The committee appointed Tuesday evening consists of Mrs. S. B. Hall, Mrs. W. S. Everett and C. G. Schneider.

She was met at Seattle by her sister Mrs. Lillian Samuel of Portland, who accompanied her to Gresham. Miss Shoemaker is thought to be slowly improving and no plans have been thought of in regard to her return to her work in China.

The Ladies Auxiliary of the American Legion will sponsor a display of baskets and leather goods from the veterans' hospital in Portland, in one of the new stores of the A. J. W. The articles will be made by the patients of the hospital and their sale will assist in supporting the families of the veterans.

The Gresham chapter of the O. E. S. is planning to visit the Shriner's hospital for crippled children on Sunday afternoon, December 19, and the members of the chapter are asking for donations of jellies and canned fruit to take to the inmates of the hospital. Such donations can be left at the A. J. W. Brown meat market during the coming week. Cars will leave the Masonic hall in Gresham at 2 o'clock Sunday afternoon for the hospital. A car driven by Ralph Baker of Rockwood, proceeding north on Main street Thursday evening, collided with the one driven by Mrs. W. L. Gorsage who was attempting to make the turn east at the intersection of Main and Second streets. Both machines were proceeding cautiously and only slight damage was inflicted on each. The mud guard and running board on Baker's machine were bent by the impact, while the Gorsage machine had only a dent made in the bumper. The collision occurred from the failure of Baker to catch the signal to turn made by Mrs. Gorsage and the fact of her making too short a turn at the corner.

Sweet Potatoes and Apples. Did you ever try sweet potatoes and apples cooked together? First cook the sweet potatoes in their skins in boiling salted water for about 15 minutes. Pare, core, and slice the apples. Skin and slice the sweet potatoes. Place alternate layers of sweet potatoes and apples in a buttered baking dish, sprinkling each layer with sugar and dots of butter. Add a little water, and bake until the apples and potatoes are soft. Brown sugar is liked by many people for this combination.
