The Ladies Aid of the Methodist church is planning a family dinner to be given at the church on Friday evening, March 15, at 6:30.

Born to Mr. and Mrs. B. R. Shuey on Thursday, February 24, a 7½-pound daughter at the home of Mrs. J. A. Bushong. The baby has been named Zoeladean.

A delegation composed of Mrs. O. A. Eastman, Mrs. Rose Wilcox of Estacada who was the guest of the American Legion auxiliary on Tuesday evening, Mrs. W. S. Everett president of the Gresham Auxiliary, Mrs. C. C. Yager, Mrs. Edna Brugger, Ted Johnson commander of the Legion, and Adjutant Ernest Brugger attended the district conference of the Legion and auxiliary held at St. Helens Wednesday. All the state officers were in attendance at the conference. All stayed over for the banquet and danced in the evening with the exception of Mrs. Everett and Mrs. Yager.

At the regular meeting of the American Legion Auxiliary on Tuesday evening the organization was honored by having present Mrs. Rose Wilcox, the state vice president, whose home is at Estacada. There was a fine turnout Tuesday evening at the joint meeting of Legion and Auxiliary and Mrs. Wilcox was much pleased with her hearty reception. The Legion now has a membership of 50 and the Auxiliary has 54 members. The interest and attendance are gratifying. After the pot luck supper held in the grange hall Mrs. Wilcox and Mrs. O. A. Eastman, by whom she was entertained for the night, attended the card party given at the home of Mr. and Mrs. C. I. Raker.

Mrs. Annie Hevel had the misfortune Tuesday to dislocate her right ankle and break both the bones of the leg above the ankle when she slipped on the bottom step of a flight of stairs and fell a distance of only eight inches. The limb was placed in a cast and everything possible done to induce a speedy knitting of the bones. Her sister-in-law, Mrs. Frank Wostell of Eugene, is assisting in her care.

The many friends of Grandma (Mrs. J. H.) Wood will be pleased to learn she is somewhat improved from her recent severe illness. Mr. Wood has also been ill but has recovered much of his usual strength. Mrs. L. A. Mitchell is taking care of them at their home.

Dr. and Mrs. O. A. Thornton have both been ill and in Good Samaritan hospital within the past week or ten days. Dr. Thornton came home Wednesday but his wife remained for further treatment.

Gordon Gibson's milk truck mixed with a county truck at the intersection of Main and Powell streets on Wednesday morning. The damage consisted of a wrecked front fender on the milk truck.

High school students and others who wish may have the opportunity of listening to an exceedingly entertaining speaker next Monday morning at 9 o'clock when Dr. U. G. Dubach, dean of men at Oregon Agricultural college, will be present to address the morning assembly at high school. Principal Cannon is personally acquainted with Dr. Dubach and says there is a treat in store for those who may have the opportunity of listening to him.

Messrs. Gleason and Taylor of Portland were here Wednesday in an official capacity as fire inspectors of public buildings. They re-

port conditions as very satisfactory in Gresham as far as relates to fire hazards. The grade school received their fullest commendation, according to the local fire chief, M. J. Allshouse. The gentlemen pronounced this as fine a building of its kind as they had ever been in. Some slight defects were noted in the boiler room at the high school. An exit light was ordered to be placed on the fire escape of the Masonic building, and a similar light at the back door of the theater.

The Woman's Home Missionary society will meet with Mrs. Curtis Johnson Wednesday afternoon, March 2, at 2:30. The program will be in charge of Mrs. B. L. Walrad. Mrs. O. A. Eastman, Mrs. J. V. Cogswell and Mrs. C. A. Rogers will serve. All are welcome to attend.

Guests at Chas. A. Coe's home for several days have been his brother, Jay H. Coe of Klamath Falls and his sister, Mrs. Ange McBroom of Chicago, who came to attend the funeral of their brother, the late Dr. Henry Waldo Coe. Mr. Coe returned to his home on Wednesday but Mrs. McBroom will remain for a short time. Mrs. Mary J. Coe, the aged mother, is reported much improved in health.

Mrs. C. M. Quicksall is serving on the jury in Portland.

B. J. Duffy and family moved from Portland to Gresham Wednesday, making the exchange of their city property to John Christner who purchased the Robert Hauswirth house and five acres about a year ago. Mr. Duffy, who has five children, says he has an acre apiece for them. The three older ones, Martha, Charlotte and Dorothy, will enroll as students of the Gresham grade school for the remainder of the school year.

W. D. Kinder is evidently trying to qualify for a head position on the fire department judging by the fiery steed he is driving in place of his usual sedan. He is using the bright red flivver for a few days while his machine is undergoing a few necessary repairs.

Gordon Steffen of Philadelphia is a guest at the home of his aunt, Mrs. M. J. Allshouse. He is a painter by trade and may decide to remain in Gresham permanently if the outlook in his line is promising.

## The Test of the Progress of Mankind

said an English contemporary, "will be in the appreciation of the character of Washington."

By this true test, mankind is ever marching forward.

Everywhere, the peoples of the world today honor the memory of Washington.

Everywhere, those who have freedom and those who seek it, are insisting upon his ideal of "the practice of a virtuous policy" that the end and purpose of all Governments may be "the aggregate happiness of society."

His influence lives on through the years. His words and deeds are ever an inspiration to forward-looking people.
