

Gresham Locals

The Rev. and Mrs. H. V. Wilhelm and daughter Margaret left Thursday for a visit of a couple of days with Mr. Wilhelm's mother at Tumwater, Washington.

Mrs. E. H. Myers, who lives east of Gresham, suffered a slight paralytic stroke Tuesday evening which has affected her left side. Her condition is now improved. D. E. Myers, a son living in Elgin, with his little son is here for a few days' stay with his parents.

The pleasing news was received this morning that Rachel Headley, 18-year-old daughter of Mr. and Mrs. R. M. Headley and a senior in Gresham Union high school, was brought home yesterday from a Portland hospital where she was taken on February 16 suffering with an attack of rheumatic fever. Miss Headley, who was an honor student, will not return to school but expects to take the final examinations.

Not to be outdone in the matter of descendants, Mrs. Emma Gilmore has entered her claim, announcing the birth of her twelfth great grandchild, the son of Mr. and Mrs. Vern Shultz, of Warrenton, born May 2. Mrs. Gilmore, who will be 72 years old on Mother's Day, has 39 grandchildren and 6 children. Mrs. E. Boughner, who recently reported her ninth great grandchild, says the number should have been ten instead of nine.

Mr. and Mrs. A. E. Speck, the latter a niece of Mr. and Mrs. C. E. Van Slyke, with their two children, have come from Great Falls, Montana, to make their home near Ruby Junction. They have purchased the four-acre Matt Troy ranch adjoining the Van Slyke place on the north and are planning to put the acreage into berries. Mr. Speck and son have returned to Montana to dispose of their fuel business and other property.

The W. C. T. U. will hold its regular meeting at the home of Mrs. H. S. Clow Thursday afternoon, May 12. All are invited to attend.

Mrs. Mary Robertson and Mrs. Dwight Alderman of Portland were dinner guests Tuesday at the home of Mr. and Mrs. John Bliss.

Arnold Ruegg, superintendent of the Gresham water district, has just completed the installation of a manhole, 5 x 7 feet in size, on the east side of Main street north of the Rexall drugstore. This will provide a much needed access to the city's water main, five joints of which diverge at this point, one of them the main leading to the city reservoir. Heretofore, in determining the origin of leaks in the pipes, it has been necessary to dig through several feet of earth to reach the main. The top of the manhole is of concrete, the work of the concrete contractors on the new telephone building.

The Misses Ruth Bowron and Alice Leekley entertained Monday evening at the residence of Mrs. Oscar Johnson for the corps of grade school teachers, all of whom were present with the exception of Miss Lillian Lekander who is in Colorado. Mrs. C. M. Quicksall and Mrs. M. L. Looker, the latter the mother of Mrs. Albert J. Krueger,

were also present. The evening was spent in cards, followed by refreshments. Mrs. Beuna Stone won first honors, Mrs. Pearl Hayden second honors and Miss Rachel Chezem consolation.

Miss Lillian Lekander left hurriedly Friday for Denver, Colorado, on receipt of a message that her sister residing in that city was seriously ill. Mrs. James Elkington is taking her place as teacher at the Gresham grade school.

Dr. and Mrs. A. Thompson drove to The Dalles Thursday to spend a few days with their son and wife Dr. and Mrs. Fred Thompson. They will remain over Mother's Day.

The Areme club will meet at the home of Mrs. C. I. Raker Monday afternoon, May 9. The hostess will be assisted by Mrs. George Honey, Mrs. U. G. Smith and Mrs. James Sterling. All O. E. S. ladies are invited to be present.

Mr. and Mrs. O. F. Peterson have moved from the Todd apartments into the cottage belonging to

the Hornish apartments on First street, recently vacated by F. J. Lovegren.

Mr. and Mrs. George Ball, who have been living in the house belonging to Mrs. Eleanor Boughner, have moved to Portland.

A sewing meeting will be held by the ladies of the Legion Auxiliary at the home of Mrs. C. C. Gray on Second street next Tuesday afternoon at 2 o'clock. At that time poppies will be made for wreaths which will be used to decorate the graves of ex-service men on Memorial day.

The Ekstrom Truck service, of which P. E. Stone is the proprietor, has purchased a new 2 1/2-ton truck to replace one of the old ones.

Wairad & Wright have one of their trucks in the paint shops of the Walter Metzger agency where it is receiving a coat of duco.

Mrs. Brownhill, former wife of Timothy Brownhill, was in Gresham Wednesday in attendance at the

meeting of the Willamette Baptist association, and incidentally called on a number of old neighbors here. The Brownhill family moved 19 years ago from Gresham to McMinnville where their children were educated and where Mrs. Brownhill has a permanent home. She is in Portland temporarily but expects to return to her home soon.
