Severe Storm Does Slight Damage Here

A thunder storm of unusual severity, the accompanying rain of which was said to be the worst downpour in the history of the Portland weather bureau, visited this section on Tuesday evening. The storm slowly approached from the east and struck at the close of a sultry afternoon. Vivid flashes of lightning and roars of thunder that shook houses gave the storm a true eastern aspect. A torrential flood of rain fell for more than an hour and continued, somewhat abated, throughout the night.

The storm seemed suddenly to shift from east to southwest and the wind took on considerable velocity for a time, but no particular damage has been reported from that score. Lightning of the forked variety played around for an hour or more and distracted the nerves of the fearful. Alex Hanson and Joe Saggatto, employes of the Bentley Logging company, 25 miles east of here, were injured when a bolt of lightning hastened a charge of dynamite with which the men were blasting. As a result of the explosion Hanson was brought to the Thomas sanitarium and his companion sent to Good Samaritan hospital. It is thought that although Saggatto has a fractured skull and sustained injuries to his shoulder and leg, he will recover.

Work on the new fair building on the county fair grounds and improvements being made on the race track have been set back somewhat by the immense quantity of rain which fell Tuesday evening. Considerable damage is reported around Linnemann Junction by the Portland Electric Power company whose telephones here have been kept busy answering inquiries in regard to disconnected wiring. Roger Newcombe, service man for the P. E. P., was slightly burned on the hands Wednesday while repairing a burned-out transformer at the intersection of Rockwood and Powell Valley roads. The transformer had been blown out by lightning and when Newcombe started to re-use it, it short-circuited and blew back. He escaped injury to his face, however.

To native "Webfooters" the storm of Tuesday afternoon appeared a terrific one, but to real Minnesota folks, three families of whom are represented on the Outlook force to say nothing of a real Nebraskan and an Iowan, this storm lacked considerable of being the real article. At times, however, it approached a fair sample of what a thunder storm might be like.

Residents south of Gresham observed a burning snag on top of Wilson's hill which had been struck by lightning and which was still burning yesterday.

New Dodge Six Now on Display in Gresham

One of the few new sixes of the Dodge Brothers Senior Line in this part of Oregon is to be seen at the display room in the new Brockway & Nelson building on Powell street, Gresham.

Local Dodge Dealers Display New Six

This week marks one of the most important events in Dodge Brothers history, the introduction of the first model of the company's new line of fine six cylinder motor cars. The car now on display by Brockway & Nelson, local Dodge Brothers dealers, is a four-door sedan, an impressive looking vehicle which is said to possess a truly remarkable motor.

The public has been apprised during recent weeks of the coming of this new car and all are desirous of viewing it. Brockway & Nelson, now occupying their new plant on Powell street, invite the public to visit their place and inspect the Senior Line Six afternoons and evenings.

Within a few weeks two additional body types, a four-passenger coupe and a new type of cabriolet roadster, will be added to the new line of "sixes."

The new line of "sixes" has been named Dodge Brothers Senior Line to distinguish it from Dodge Brothers Standard Line of four cylinder cars with which the company has built up its world-wide reputation.

Senior Line is Impressive.
While the Senior Line embodies nothing freakish, either in construction or performance, it is presented by Dodge Brothers as the last word in comfort and performance for cars in or near this price class. Beauty of design, exceptional performance, style and comfort of interior appointments, and ease and economy of operation are major attributes.

Cranksaft Heavier Than in Similar Motors.

One of the most impressive features of the motor is the extremely heavy cranksaft and unusually large bearing area. The cranksaft is machined all over and weighs 69 pounds. Heavier than is used in any other engine of similar capacity, it is supported by seven extra large bearings. This fact, combined with exceeding rigidity, results in a smoothness of operation that is said to be excelled by no car, regardless of price.

The motor is of the L-head type, chosen by Dodge Brothers engineers because of the simplicity of the valve mechanism and relatively infrequent need of adjustment. The bore is 3 1/4 inches and the stroke 4 1/4 inches, with 223.98 cubic inches displacement.

The pistons are of an advanced type, designed to give rapid pickup, greater power, smooth performance, exceptionally low expansion and long life.

Efficient Carburetion System.
The carburetion system used is the latest type, designed to secure maximum efficiency in combustion and power. The fuel intake manifold is cleanly designed and has no sharp curves or bends to retard the flow of fuel from the carburetor.

GRESHAM OUTLOOK

STORE TO HAVE FORMAL OPENING

Much interest is evinced in the formal opening of the new store of George W. Page & Company at the 12-mile corner on Saturday, June 11. Elaborate preparations are being made by the enterprising merchants for the event and it is likely that the force will be kept busy from morning until night. The climax will come at 7:30 when many prizes will be given. The oldest lady, the oldest gentleman, the best looking of each, the person coming the farthest and the largest family present will each receive a present, also the farmer bringing in the least number of strawberries which will weigh a pound. These are only a few of the attractions, as prizes will be awarded each hour during the day, the last of which will be a large cake made by the City Bakery of Gresham.

George W. Page and Wm. Ferris are the members of the firm which has completed the arrangements for this new store, which is conceded to be one of the best appointed country stores in the county.

GRESHAM STORE TO RELAY RADIO TALK

The local business establishment of the J. E. Metzger Furniture company has been listed as one of the places where on Saturday morning KGW will broadcast the greetings of Colonel Charles Lindbergh, air hero, upon his arrival in Washington, D.C. While every radio receiving set will have a message, a loud speaker on the equipment at the furniture store will render that place a convenient headquarters for the reception of the program of the forenoon.

The announcers at Washington are scheduled to start promptly at 9 o'clock. Not only will the voice of the beloved "Lindy" be heard, but the voice of the nation's chief executive, President Calvin Coolidge, will be on the air in a greeting to the American people.

At the municipal auditorium in Portland motion pictures will accompany the broadcasting from the amplifier, the result of an arrangement completed by the Morning Oregonian.

Club Boys and Girls Go to Summer School

The annual session of the club members' summer school, which will be represented by all sections of the state, will begin next Monday at Corvallis in the rooms of the Oregon Agricultural college and will claim 63 bright boys and girls of Multnomah county as its quota of attendance. The club members will be accompanied by County Club Agent W. D. Kinder and his wife who will assist in various ways in getting the young folks safely to and from their destination, and in their instruction and welfare while guests at the school for the two weeks.

Thirteen of the students enrolled are making the trip as the result of scholarships awarded them for outstanding work and they will enjoy the benefits of the session without any expense to themselves. The club members who will attend from the county as state winners are, Walter, Tracey and Lena Anderegg, Lynch; Bernice Bunn, Lynch; Anna and Paul Boeckli, Brooks; Lewis and Harold Dahl, Victory; John Fleming, Victory; Alice Ingram, Maplewood; Vera and Floyd Stafford, Victory; John Welbes, Fairview.

Members who will attend from Gresham are Lawrence Aylsworth, Ruth Holmes, Kermet and Douglas Johnson, Lucile and Clyde Jennings, Cathryn Metzger and Alice Shelley.

Others are as follows: Ruby Arvidson, Delbert Carrell, Carl Ekstrom, Osie Howell, Alice Nelson, Annetta Read, Lester and Edith Stroufe and Nova Williams, all of Powell Valley district; Mary Blatchford, Charlotte Bradford, Ralph Costner, Herschel Davis and Myrtle Lockwood, of Gilbert; Cleora Cooke, Carolyn and Helen Hessemér, LaVonia Kelly and Charles Neville, Powellhurst; Dorothy Clarke and Hazel Matson, Columbia; Helen Clark, Ray Dykstra, Leona Reuber and Arthur McKay, Russellville; Charlotte Dahlquist and Rose Roessier, Pleasant Valley; Charles Edwards, Willard Fortner, Joyce Gilbert, Kenneth Ide, Orval Locke, Helen Smith, Alvin Sheller and Donald Steel, Lynch; Catherine Haynes, Verdella Lamb and Lola Wallin, Rockwood; Florence Rich, Lufsted; Nola Smith, Troutdale; Charlotte Mulenhoff, Orient; Roberta Wilhelm, Victory.

High school busses have been placed at the disposal of the club members in transferring them to and from Corvallis. This year there is to be but one loading place and that will be at Gresham. Those attending have planned to leave Sunday morning, June 12, at 9:30 a. m. W. D. Kinder has expressed the wish that the local leaders of clubs make an effort to attend the summer school a day or so if possible. Russellville, Troutdale, Springdale and Gilbert each put on an achievement day program this year, exhibiting work by home economics clubs. The work was judged and the delegates for summer school decided upon. Beautiful work was displayed by the members.

Three new clubs with an enrollment of 25 were organized in the county during the month of May. These were two canning clubs, one at Gilbert under the leadership of Miss Bonita Maxwell and the other at Lusted under the leadership of Miss Edith Baker. The third was a calf club at Pleasant Valley.

GRESHAM MAN WEDS COLLEGE CLASSMATE

In the presence of 50 guests a pretty home wedding took place Tuesday morning at 9 o'clock when Miss Fern Perry, daughter of Dr. and Mrs. J. H. Carrico of Portland, became the bride of Joseph W. Peak, son of Dr. and Mrs. Frank Peak of Gresham. Dr. E. H. Pence performed the ceremony in the presence of immediate members of the families and a group of intimate friends.

Preceding the ceremony Mrs. Nina Dressel Leavy sang, "Because". Miss Blanche Williston was bridesmaid and little Miss Elizabeth Hardenbrook was flower girl. Francis Peak, a brother of the bridegroom, acted as best man. The bride wore a gown of Capri blue crepe, with a corsage bouquet of pink sweet peas.

Both young people are graduates of the University of Oregon, where Mrs. Peak was a member of Alpha Chi Omega and Mr. Peak of Alpha Tau Omega. For the past year the bride filled the position of music instructor in the Hubbard high school. Mr. Peak has secured the appointment of director of physical education in the five grade schools of Klamath Falls and the couple will move there this fall to make that city their future home. Mr. and Mrs. Peak left after the ceremony for Klamath Falls to be gone a short time.

GRANGES TO GREET NATIONAL MASTER

The subordinate granges throughout the county are taking a great interest in the plans going forward for the reception to be given the national grange master Louis Taber of Columbus, Ohio, who will be the guest of honor Saturday evening at Fairview grange hall. It is expected the various granges will be well represented at the gathering, according to District Deputy Kreuder who has succeeded in arousing considerable interest in the meeting.

The Multnomah county Pomona Grange, which is sponsoring the dinner and reception of Mr. Taber, desires a large attendance. Not only are all grangers urged to be present, but it is greatly desired that all interested in agriculture and those actively engaged in that pursuit be present. It is assured that the national master will deliver an address of interest.

IMPROVEMENT CLUB ANNOUNCES MEETING

An important meeting of the Base Line Improvement association will be held at the Rockwood Grange hall on Monday evening, June 13, when matters of considerable moment will be discussed and reports of committees will be heard.

One matter which will be given an airing at that time will be the enabling act passed by the legislature at its last session and referred to the people for a vote on June 23, which act is the especial target of the Rockwood club, Multnomah Pomona Grange and hundreds of others outside the city of Portland, as well as large numbers within the city.

Among the speakers who will speak in opposition to the measure will be District Attorney Stanley Meyers, Attorney O. A. Neal and Ray W. Gill.

month Mr. Kinder says, "We are anxious for all the girls whose clubs were organized early to finish the work and file the reports. This must be our banner year. Our percentage of completion has been good before, but we must make our county 100 per cent."

Church Services

CHILDREN'S DAY WILL BE OBSERVED

Children's Day will be observed in the Baptist church next Sunday evening. A special program prepared by the children and young people of the Bible school and the choir will be presented during the time of the regular preaching service beginning at 8 p. m. The other services of the day will be at the usual hours. The Bible school will begin at 9:45 a. m. and the morning church service at 11 o'clock. The pastor will have as his subject for the morning sermon "The Seven Rewards of the Christian". There will be special music by the choir in the morning service.

All are invited to attend the services of the Baptist Young Peoples Union Sunday evening beginning at 7 o'clock under the leadership of Group 1. The subject, "Learning How to Talk" is one filled with interest for all who have occasion to talk. The prayer meeting will be held Wednesday evening beginning at 7:30.

PASTOR TO CONCLUDE SERIES ON "PRAYER"

The concluding sermon in the series on "Prayer" at the Free Methodist church will be delivered Sunday morning. The pastor says, "Not saying that there is nothing more to be said, but simply to create interest in the greatest medium, to bring results and solve problems in the lives of the people we know. The theme will be, 'Today's Praying Men'. They are men whose names will be cherished as long as time endures. Lincoln at one time said during the Civil War, 'I have been driven many times to my knees by the overwhelming conviction that I had nowhere else to go. My own wisdom and those about me seemed insufficient for the day'. The late President Wilson won his way to the hearts of the people when they heard his voice in secret prayer.

The evening will be given over to the interests of the young people, after their hour with W. W. Loomis in the mysteries of the Bible.

METHODISTS ARRANGE ATTRACTIVE PROGRAM

Next Sunday evening at 8 o'clock the play, "Gretchen's Wondrous Adventure" will be presented as a part of the annual observance of Children's Day. Something like 50 of the children of the Sunday school, in beautiful costumes, will have part in this play, practice on which has been in full swing for some time. Beyond doubt, it will be splendid, and greatly enjoyed.

The play has a deep spiritual significance, emphasizing the value of Christian education. An offering will be taken at this time, in common with all Methodist Episcopal churches, for the student loan fund for the aid of students in the schools of the church. In 1873 when the plan was inaugurated, 23 students received aid. Up to April 1, 1927, 36,756 students had received help from the fund.

At the morning hour the pastor of the church preaches on the topic, "Your Child and Mine". A feature of this service will be the baptism of babies. An invitation is extended to any parents in the community who have children they wish baptized, to present them at this service.

CHILDREN'S DAY TO BE OBSERVED

Regular preaching services will be held at the Zion Evangelical church Sunday morning at 11 o'clock. Children's Day and also Elmhurst Sunday will be observed. A sermon fitting the occasion will

Opening of Speedway Booked for June 18

The dream of Fred T. Merrill is at last about to be realized in the completion of the great modern speedway at his Twelve-mile place on the Base Line highway. Intensive effort during the past two months and the cooperation of Claude Stockton, contractor of Gresham, who has had full charge of the construction, has produced one of the finest speedways and, it is said, the only auto speed bowl in the northwest. The newly constructed grandstand will seat many thousands.

The formal opening of this amusement enterprise is announced for next week Saturday and Sunday, June 18 and 19. There will be lots of attractions and thrills that will raise the hair on bald heads. The announcement that Daredevil Craig will do his stunting stunts is enough to attract the crowds from near and far. He leaps from airplanes, from speeding autos, from high buildings and lands like a cat.

The Gresham band has been engaged for the two days. Mayor Baker will speak at the formal opening exercises and flag raising at 1 p. m. Saturday, followed by time trials for 50 autos. Amplifiers will be used so the exercises can be heard anywhere on the grounds. On Saturday afternoon autos with passengers will be admitted free to the infield.

A fine concert by the band will feature the program of races and stunts on Sunday.

be delivered by the pastor the Rev. E. Horstmann on the topic, "Heeding the Master's Call". All children attending the Sunday school are urged to remain for the preaching service. Sunday school session will be held at 10 o'clock.

ADVENTIST CHURCH ANNOUNCES SERVICES

A good attendance is noticed at the services of the Seventh Day Adventists in their new church in Gresham. The Young People's Missionary Volunteer society will meet Friday evening at 8 o'clock and will be led by Earl Calkins. Sabbath school will be held at 10 a. m. and preaching at 11. An exposition of the third chapter of II. Corinthians will be given by Elder T. F. Soule. All are invited to these services.

EVANGELIST TO PREACH SUNDAY

Mrs. Genevieve Booth-Clibborn, who has filled the pulpit of the Gresham United denominational temple the past two Sundays in the absence of the regular pastor, the Rev. S. F. Pitts, will preach her concluding sermon next Sunday afternoon at 2 o'clock from the subject, "Modern Heart Failure". Sunday school will be held at 10 o'clock in the morning and there will be preaching again Sunday evening. All are invited to attend.

Coming Events

Friday Evening, June 10—Victory Baseball club strawberry and ice cream social Fleming's grove.

June 11—Southeast circle bake sale at A. W. Metzger store.
