GRESHAM OUTLOOK

TUESDAYS AND FRIDAYS

VOL. 17, NO. 31

GRESHAM, MULTNOMAH COUNTY, OREGON, TUESDAY, JUNE 14, 1927

\$2.00 Per Year

Speed Bowl to Open at 12-Mile Corners

Speed, speed, speed. This is the age of speed. The ordinary auto must be capable of making a speed of 50 miles or more an hour...

The opening of this great enterprise which has been in preparation for several months is announced for Saturday and Sunday, June 18 and 19.

The announced program for the two days is as follows:

- Saturday's Program. 1 p.m. Concert by the full Gresham band. 1:30 p.m. Opening exercises. 1:45 p.m. Flag raising. Mayor George L. Baker has been announced to speak...

Fred T. Merrill, who with the co-operation of Claude Stockton has developed this enterprise, has made provision for the crowds of people expected from near and far.

A factory demonstrator of the Westinghouse electric range will be present at the local office of the Portland Electric Power company on Saturday afternoon of this week from 2 to 5 o'clock to explain the advantages of this make of stove.

Fairview Grange Entertains Master

The entertainment given last Saturday night at the new Fairview Grange hall in honor of National Grange Master Louis J. Tabor was well attended and was an event of great interest to the grangers who had the privilege of listening to the noted visitor.

Fairview Grange furnished a fine musical program and the greater part of the sumptuous supper which was served. Besides the guest of honor those seated at the special table for the speakers were the masters of the subordinate granges of the county, their wives or husbands, Pomona Master Fred Crane and Mrs. Crane and District Deputy T. J. Kreuder.

Following the supper a short time was spent in social converse, when Mr. Tabor mingled with the crowd, chatting about matters of interest to grangers, after which he gave a most interesting address in which he emphasized cooperation and grange service, and told of his trip to Europe.

APPLY STRAWBERRY WEEVIL BAIT NOW

The time for the application of the bait to control strawberry root weevil is at hand. Application should be made immediately on the lighter gravel soils, and not later than the middle or the last of this week on the heavier soils and higher altitudes in eastern and western Multnomah county.

It is advisable to apply the weevil bait to all strawberry plantings where weevil are present, also on raspberry fields where weevil can be found, as it has been discovered by the county agent's office that the strawberry root weevil is responsible for a great deal of the injury on raspberry and loganberry plantings.

In fields where there seems to be a wide variation in the time of their appearance, it is advisable to apply bait the second time, about two weeks after the first application. Especially is this true if heavy rains are experienced after the first application has been made.

ONE HUNDRED AND FIFTIETH ANNIVERSARY OF "OLD GLORY"

One hundred and fifty years have passed since the day "Old Glory" received its first baptism of fire, and with every succeeding generation, it has led its armies and navies to victory on land and sea.

"And the Star-Spangled Banner in triumph shall wave O'er the land of the free and the home of the brave!"

SPEAKERS ARE AGAINST CONSOLIDATION PLAN

City and county consolidation, and especially the bill by that name referred to the people by the last legislative session, came in for strenuous opposition by speakers at the meeting of the Base Line Improvement club held at Rockwood Grange hall last night.

Mr. Gill characterized the bill as unfair and entirely selfish on the part of the promoters. The city has reached its limit of tax burden, he said, and this move is an effort to gain new territory to assume the burden of taxation.

Stanley Myers went into the legal aspects of the case. He said that all the consolidation of offices practicable has already been brought about. The sheriff is also the tax collector, the county clerk and city auditor's office are already consolidated and the county clerk is clerk of the circuit court.

The Rev. and Mrs. J. A. Hopper and son Howard left this morning for Seattle where Mr. and Mrs. Hopper's only daughter Martha is to be married tomorrow evening to Burton Pierce of Seattle.

The Gresham circle of the Evangelical Women's union is planning a strawberry and ice cream social to be given on the church grounds on Roberts avenue on Tuesday evening, June 21. A cordial invitation is extended to all to attend.

A jolly birthday party was held Monday at the home of Mrs. John Bliss in honor of her mother Mrs. Anna Engels who celebrated her 88th birthday.

The Rev. William Fairweather preached the funeral sermon and there were several appropriate musical numbers. An abundance of beautiful flowers testified to the high regard felt for the deceased.

Cherries Promise to Be Profitable

With the cherry crop light and prices good it is believed that the prospects are better than usual for good returns, and cherry growers are urged by the Berry Growers association to make every effort to conserve such cherries as ripen.

A contract has been made by the Berry Growers association with Young & Wells of Portland to handle all black cherry shipments and with their sales connections it is assured that the highest prices possible will be realized on the crop, a share of which will go to the growers.

The Berry Growers are planning to can Royal Anne cherries and will take shipment of that variety for that purpose.

Concerning the cherry prospects Manager D. E. Towle of the Berry Growers association says:

"The greatest menace to successful cherry growing is weather conditions at blooming and harvest time. If the pollen does not spread, the fruit does not set and if we get rain as the fruit is ripening, the cherries will split and spoil. These two causes of failure we have no power to control, but there is a third cause of loss that we can control—that is the cherry fly maggot.

"Growers should watch for the appearance of the flies, which is usually about the time the cherries start to turn towards ripening. The standard spray formula is well adapted to use for dopping the trees as only a pint is necessary at a time. We carry these pumps in stock. We also have the O. A. C. circular No. 35, which you can get at Mr. Hall's office or at the cannery."

MANY HONOR MEMORY OF MRS. LITTLEPAGE

The funeral of Mrs. Annie Littlepage, who died at her home near Boring on June 8, was held from the Sandy community church Sunday afternoon at 1 o'clock and was one of the largest ever conducted by the Gresham Funeral parlors.

The Rev. William Fairweather preached the funeral sermon and there were several appropriate musical numbers. An abundance of beautiful flowers testified to the high regard felt for the deceased.

The Rev. William Fairweather preached the funeral sermon and there were several appropriate musical numbers. An abundance of beautiful flowers testified to the high regard felt for the deceased.

FUNERAL HELD FOR MRS. EFFIE BEEGLE

A large number of Gresham friends and relatives attended the funeral of Mrs. Effie Beegle held in Portland Sunday afternoon at the First Free Methodist church. Her pastor at Lents, the Rev. F. W. Oliver, preached the funeral sermon in the presence of a large audience.

Mrs. Beegle died in Seattle Wednesday, June 8, while visiting a son in that city. The body was brought to Gresham for interment in the same lot with the Rev. and Mrs. B. C. Dewey.

Effie Corine Smith was born in Ottawa, Illinois, February 16, 1856. She was united in marriage to Edwin S. Beegle June 11, 1875. To this union were born nine children, one of whom died in infancy.

Mrs. Beegle had been a devoted Christian since early womanhood. She was reared in an atmosphere of piety and the years of her long life were filled with deeds of kindness and thoughtfulness for others. Especially did she remember the unfortunate with whom she came in contact.

We wish to thank all for their kindness and sympathy extended to us during our bereavement through the loss of our precious mother, also for the beautiful floral offerings. We especially wish to thank the telephone girls for courteous treatment and good service in the many calls we made.

Mrs. G. A. Cox, Mrs. E. W. Gibson, Miss Ada Beegle, William, Raymond, Leroy, Ernest and Burton Beegle.

LISTEN, FATHERS AND MOTHERS.

A gentleman and father of a 9-year-old daughter said to the president of this bank a few days ago: "Do you know those habits of savings are wonderful character builders. Our 9-year-old daughter has accumulated nearly \$50 and when she reaches that she will set a higher goal. She was given \$2.00 last Christmas and inducements held out for her to spend it. Do you think she would do so. No, sir; that was too good an opportunity to increase her savings."

To induce the children to get started and form habits such as his girl acquired we will until this advertisement is discontinued give to each boy or girl who has no account at this bank but would like to get started and will open an account with \$5.00 pledging himself or herself to leave for a period of six months, an American flag outfit consisting of a well made flag 3 x 5 feet, jointed pole and halyards ABSOLUTELY FREE.

Flag Day and the Fourth of July are near at hand and such a flag will delight the children. Get them started right. It must be done while they are young. FIRST STATE BANK, Gresham, Ore. A Strong Bank

Funds Increase for Kiddies' Playground

Encouraging progress has been made in gathering funds for the purpose of establishing a free playground for the children of Gresham and vicinity. Two-thirds of the amount necessary to procure some equipment and to pay a trained director has been pledged and the playground is believed to be assured.

The plan is entirely local and is the outgrowth of efforts made a few months ago to establish activities for boys and girls to be affiliated with the Y. M. C. A. and Y. W. C. A. The time did not seem ripe for the formation of those organizations, but the committees backing that move wished to do something for the children and decided to work toward supervised play.

The members of the school board have expressed their willingness to have the school grounds and the play shed used for the purpose and have expressed themselves as in sympathy with the movement. Children from 5 to 15 years of age would have the privilege of making use of the grounds under competent supervision afternoons, six days in the week for several weeks during the summer.

The members of the committees are Mrs. Mark Nickerson, Mrs. Paul Stone, Miss Elizabeth Johnson, Mrs. H. L. St. Clair, Mrs. E. Schwedler, the Rev. E. Horstmann, the Rev. H. V. Wilhelm and C. M. Quicksall. Contributions are solicited for this project, especially from families who have children to benefit from it. Amounts pledged to date are as follows:

- Emma B. Johnson \$2.00, Gresham Outlook 2.00, Mr. and Mrs. Mark Nickerson 2.00, George F. Honey 2.00, Dr. and Mrs. W. J. Ott 1.00, Mrs. L. L. Kidder 1.00, Florence Honey 2.00, Mrs. E. Schwedler 2.00, Mrs. A. D. Camp 1.00, Mrs. Mary Welch 1.00, Elizabeth Johnson 2.00, Brockway & Nelson 2.00, Ekstrom Truck Service 2.00, Barnes & Son 2.00, Gresham Battery & Tire Shop 2.00, W. Metzger & Co. 2.00, Myers Bakery 1.00, Todd's Paint Shop 1.00, Piggly Wiggly Co. 2.00, Gresham Meat Market 2.00, Gresham Garage 2.00, Gresham Drug Co. 2.00, C. D. Hillyard 1.00, Dr. H. C. Band Fund

The following have contributed toward the summer open-air band concerts. Is your name in the list? Brockway & Nelson \$15.00, Bank of Gresham 10.00, W. R. Hicks Co. 10.00, Dr. H. H. Hughes 5.00, Bjur Electric Store 15.00, L. L. Kidder Hdwe. Co. 10.00, Walrad Merc. Co. 10.00, Outlook Publishing Co. 10.00, C. J. Lundquist 1.00, Gresham Battery & Tire Shop 3.00, A. J. W. Brown 5.00, Ivy Filling Station 3.00, Gresham Drug Co. 15.00, Hepp's Racket Store 5.00, Aylsworth & Martin 15.00, J. E. Metzger 6.00, Insurance funds for farm loans. No commission or brokerage. Very easy terms. B. W. Thorne—Adv.

National Guard Will Entrain for Clatsop

Members of the local headquarters company, 1st Battalion, 186th Infantry of the United States National Guards are busy today in final plans preparatory to leaving tomorrow morning for their annual two-weeks' encampment, to be held at Camp Clatsop midway between Seaside and Astoria.

This year, in addition to the regular field training and camp instruction, there will be the features attendant on a real vacation as Camp Clatsop is ideally located, especially as regards climatic conditions. Last year the boys sweltered at Medford in a 100-degree sun, but quite the reverse will be the cause this year. The site is not in the sand, but is covered by a thick spring turf. It is but a third of a mile to the open sand hills that fringe the shores of the ocean.

It is reported that Clatsop county is planning a cordial reception for the entire command of over 3000 men. From a vacation point of view the camp will be the best ever held, as training and recreation will be agreeably combined. Permanent kitchens are being installed, one to each company. Water and sewer systems and shower baths will be a part of the necessary equipment which will be in shape for the convenience of the men on their arrival.

The following officers and men are members of the local unit: First Lieutenant Cleveland A. Bliss, Second Lieut. James R. Horr, First Staff Sergeant Jackson F. Jones, Sergeants Harrison M. Squire, Ralph L. Davidson, Dewey A. Gibbs and William C. Wiscup; Corporals Clair W. Burch, Arden A. Squire, William C. Shelley, Richard H. Lane and William R. Maybee; Privates, first class, Henry H. Brown, Harold H. Lynch, Edwin C. Shelley and Quinton H. Kummel; Privates Anicker, Baker, Frace, Griffin, Hewes, Ide, Lindrooth, Norquist, Pollock, Rodman, Ruhlin and Wood.

The members of the company attended "Rosaria" last evening in a uniformed body.

NEW BARBER SHOP TO OPEN FRIDAY

The last store of the Brown building has now been leased, G. W. Klavenaugh of Seattle closing a contract yesterday for the building to be used as a first-class barber shop. The fixtures are arriving and it is expected everything will be in readiness by Friday for the opening of the shop. The place will be ready for business Saturday morning.

Mr. Klavenaugh is well experienced in this line and plans to install a barber shop that is fully up to date in every detail. The furnishings are to be exclusive and the latest in design. The entire place will conform to every law of sanitation, according to Mr. Klavenaugh. Three chairs are being installed for the opening and there will be two assistants. Later plans include the opening of a beauty shop to be operated in connection with the tonsorial parlor.

Mr. Klavenaugh announces that souvenirs will be distributed at the opening of the shop Friday afternoon.

New Shoes for Ladies, \$4.95. No where will you find such splendid slippers at so low a price. Ask to see our ladies' shoes at \$2.95 and \$3.95. Aylsworth & Martin, Gresham—Adv.
