TWO SISTERS ARE BRIDES OF THE WEEK

Two sisters, the Misses Edna and Lois Wilson, daughters of Mr. and Mrs. Edwin Wilson who recently moved to Gresham, have each left during the past few days for homes of their own. On Tuesday Miss Edna Wilson was married at Vancouver, Washington, to Ace Ferguson, son of Mr. and Mrs. Fred Ferguson who live in the Clananah addition. The ceremony was performed by the justice of the peace at Vancouver. The couple will reside for the present at the home of the groom's parents.

Miss Lois Wilson and Gerald Land, the latter an employe of the Ruby Country club, were quietly married at Vancouver on Thursday of this week. They will reside near the Ruby golf links where the groom holds a position as assistant overseer.

Another daughter of the family was married in eastern Oregon two months ago.

Acceleration Tests Staged For Whippet Automobiles

Since the Whippet was first introduced to the public a little less than 12 months ago, it has made notable records in fuel and oil economy, speed, power and stamina tests and its general performance has set a new high standard in the light four cylinder field, according to Hessel Implement company.

Acceleration tests staged since the period of introduction have time and again demonstrated the remarkable pickup of the Whippet. Its makers, Willys-Overland claim it will accelerate from 5 to 30 miles an hour in 13 seconds. This rapid pickup, it is said together with the safety factor of four-wheel brakes, gives the Whippet an unusual advantage over all other cars in heavy city traffic where the car with the fast pickup and getaway is first to get underway when the traffic light flashes "go."

The question of acceleration has been widely discussed by traffic experts throughout the nation and it is almost the universal opinion of these men that the car with the rapid acceleration, such as the Whippet, is a great aid in relieving traffic congestion.

COMPANY PIES FOR EVERY DAY TASTES

By CAROLINE B. KING, Culinary expert and lecturer on household science.

PRUNE meringue pie is a delicious dessert. Soak and stew as usual one pound of prunes, cool, drain and remove the stones. To the pulp add two-thirds of a cup of sugar, a pinch of salt, a tablespoonful of melted butter, a tablespoonful of orange juice, and the prune juice reduced by cooking to one cupful. Line a pie pan with pastry and place the prune mixture in it, bake until the pastry begins to brown slightly, top with a meringue made by whipping the whites of two eggs to a stiff froth, then add four tablespoonfuls of sugar, beat again vigorously and finally fold in four additional tablespoonfuls sugar and a tablespoonful of orange juice. Arrange over the pie, and brown in a very slow oven, 250 to 300 degrees.

Cocoanut Apple Pie. Peel and slice thin, four large tart apples, place in a sauce pan with one-fourth cupful water, half a cup of sugar and a tablespoonful of butter. Simmer gently, until just tender, cool, line a pie pan with flaky pastry and fill with the cooked apples, sprinkle thickly with shredded cocoanut, cover in lattice fashion with criss cross strips of pastry, bake in a moderately hot oven. Just before serving, dot here and there with halved marshchino cherries.

Lemon Cream Pie. Cream together one-fourth cupful butter and one cupful sugar, beat in

one-half pint of water a pound of prunes. Cool, drain and remove pits, arrange the prunes in a pastry lined pan. Bring the prune juice to boiling point and thicken with two teaspoonfuls cornstarch blended with one-fourth cup of cold water, add three-fourths cupful sugar, and a tablespoonful of butter, pour over the pie and bake in a moderate oven. Cool and top with whipped cream sweetened and flavored to taste.

Prune Cream Pie. Wash, soak and cook in one and one-half pints of water a pound of prunes. Cool, drain and remove pits, arrange the prunes in a pastry lined pan. Bring the prune juice to boiling point and thicken with two teaspoonfuls cornstarch blended with one-fourth cup of cold water, add three-fourths cupful sugar, and a tablespoonful of butter, pour over the pie and bake in a moderate oven. Cool and top with whipped cream sweetened and flavored to taste.

Coffee Nut Pie. Scald two cupfuls milk and pour it over half a cupful of sugar mixed with three tablespoonfuls cornstarch, one-fourth teaspoonful salt, and add one cupful clear strong black coffee. Cook over hot water till slightly thickened, then add two eggs beaten with one-fourth cupful sugar, cook five minutes longer, add half a cupful chopped nut meats and a teaspoonful vanilla. Pour into pastry lined pie shell, scatter granulated sugar and chopped nuts over surface, and bake in a moderate oven.

FAIRVIEW

Sunday school will convene at 10 o'clock at the Smith Memorial Presbyterian church, but there will be no preaching service, as the pastor the Rev. E. R. D. Hollensted is away on his vacation. He is expected to return and will occupy his pulpit the following Sunday, August 21.

There will be no meeting of the grange on Saturday evening, the regular meeting night.

Mr. and Mrs. Lawrence Harvey and son of Portland left Monday morning for an extended trip through the middle west states. They expect to visit relatives in Iowa. Mrs. Harvey is a daughter of Mrs. H. C. Moore of Fairview.

Mr. and Mrs. George Lumsden are in a gala state of mind this week due to the fact that their automobile, which was stolen from the Sellwood park the latter part of July, was recovered by the police department at Front and Couch streets on Tuesday, practically undamaged but with the speedometer showing that the car had traveled 3,416 miles during the two weeks. It had been kept well oiled and greased and various changes had been made. Camping equipment was found in the machine and all indications were that the "horrors" had put in two weeks of travel in various parts of the state.

Mr. and Mrs. Lumsden had planned their vacation to the Tillamook beaches to begin next Monday and their car has arrived in the nick of time.

Donald Grant, a student in law at Willamette University, has been awarded a prize of 19 volumes of valuable works on law by the American Law Book company, for his standing in first place in the course of legal research of his junior year.
