(To be continued.) OLIVER G. GILL WEDS PORTLAND GIRL.

A wedding of interest to the many friends of the groom in Gresham and vicinity took place in Portland at the home of the bride, Miss Eunice R. Pease, who on Wednesday evening, August 17, was united in wedlock to Oliver G. Gill, the Rev. Mr. Kirkwood, pastor of the Presbyterian church at Estacada, officiating. Only near friends and relatives of the contracting parties witnessed the ceremony. The bride was attired in a dress of white flat crepe and wore a wreath of orange blossoms. She carried a bouquet of white sweet peas and Ophelia roses.

Proceeding the ceremony Walter Beckindorf sang, "O Promise Me", accompanied at the piano by Mrs. Keith Brown, a sister of the groom. She also played Mendelssohn's wedding march during the entrance of the bridal party. "At Dawning" was played during the ceremony. The house was decorated in gladioli and ferns. A number of pleasing gifts was received by the couple.

After the ceremony the couple left for an auto trip to Vancouver, B. C., expecting to be gone about three weeks. They plan to remain at the home of the bride's parents until the coming session of the Methodist Episcopal conference. The bride has been employed as a stenographer for a Portland firm. Mr. Gill is a graduate of a Salem, Missouri, high school and later attended Willamette University. He was a graduate of this year's class of the Kimball School of Theology at Salem. Mr. Gill saw service two years overseas and took part in a number of active engagements. Later he was with the army of occupation in Germany.

Munhinotu Receives Mention. The 1927 "Munhinotu", the annual published by Gresham Union high school, was one of four annuals to receive first honorable mention in the second division of the Sigma Delta Chi annual contest, conducted by the Oregon state chapter of Sigma Delta Chi, national professional journalistic fraternity. A certificate of merit will be awarded the high school at Gresham as a result of the high rating made by the Munhinotu. The G. U. H. S. annual ranked first in honors both last year and the preceding year in its division, but this year was obliged to relinquish the cup to McLaughlin high school at Milton-Freewater.

Mrs. Vera Tucker and School Man Wed

Mrs. Vera Tucker, well known to residents of Gresham and vicinity, and Levi M. Gilbert of Woodburn were quietly married last Sunday at the conclusion of the Sunday morning service of the First Christian church of Portland. The ceremony took place in the study of the pastor, Dr. Harold H. Griffis, and was witnessed by the immediate members of the two families.

After a ten-day trip to Seattle, Mt. Rainier park and other points of interest, Mr. and Mrs. Gilbert will return to Woodburn where the former is employed as superintendent of the state training school for boys, which has recently been moved from Salem to Woodburn. Mrs. Gilbert, who for the past year has been matron of the institution, will continue her position in that capacity. Mrs. Gilbert was formerly the successful owner and manager of the Tuckerhill Dahlia gardens south of Gresham. She has many friends here who extend their best wishes for her continued happiness.

CITIZEN CRITICIZES GAMBLING AT FAIR

Troutdale, Aug. 15. — Editor Gresham Outlook:—In your issue of August 12, on the first page and column one, the headline reads, "Recent County Fair Unqualified Success." Undoubtedly and unqualifiedly a success in every particular.

From what I have heard and read there was at the fair all manner of gambling devices and some of them at least were worked with dishonesty, so that it was impossible for any one to get anything of value for their money. If a fair is intended to get the money for the stockholders regardless of how they get it, then the fair was an unqualified success, indeed.

These gambling concessions are sold for a small percentage of the money that is taken by trickery from our own neighbors and our own children, the balance to be carried off by the tricksters. Now my idea of a fair is to try to get as good an exhibit of useful farm products as possible as well as manufactured goods.

There was a time when fast horses were useful but that time has gone forever. Just as well offer a prize for the best exhibit of cockleburrs or Canada thistle as for useless dogs and fast horses. Let us have a good, clean fair once for a change and I feel sure that it will be a greater success even though we lose the patronage of the sporting class.
