CHOOSING A CONGRESSMAN

Governor Patterson will name the date of an election for congressional district No. 3, Multnomah county, to fill the term of the late Maurice Crumpacker. The precinct committee of the county will be called together to choose a republican nominee from the various actual or possible candidates.

It is very probable the democrats will concentrate on Elton Watkins, former congressman, though there are one or two other names proposed. It therefore behooves the republicans to center their support one one good candidate, if possible, and that will undoubtedly mean his election.

RAPS OUR FAIR.

Th Washington County News-Times says some very uncomplimentary things about the Multnomah county fair. Some may be deserved but in the main picture is overdrawn and the criticism unfair. The editor evidently visited the fair and got sore over something for he says "one is left in a highly critical mood after paying admission to the Multnomah county fair itself and other admissions to virtually everything inside the gates."

A greatly overdrawn statement. As is also this: "As an agricultural exhibition this could not compete with the vegetable and fruit display in the average county grocery store."

We ask is any other statement an editor might make worth serious consideration following such extravagant and unreasonable asseverations?

But in order that our readers may know what some, whether rightly or wrongly, think of our recent fair we continue this editor's statement. He says:

"Otherwise, it was a shoddy carnival seemingly designed in large part to fleece innocent children out of their savings.

"A few horse races; a rodeo that would shame the corral of an eastern Oregon ranch; a few chickens, a few rabbits and a few dogs made up separate departments and mingled odors with a few flowers in a flower show. Even the few horses shown were in barn stalls where only their fancifully braided tails were visible.

"Beyond this, the fair was a cheap carnival and shell game, a glimpse of which may be had for 10 cents, was a diminutive monkey. Such falsehood, deceit and double-dealing are the only appeal offered by the late Multnomah county fair.

"The good name of Willamette valley counties demands an immediate discontinuance of county fairs if it has become necessary for them to stoop to such things as these that make up the 'great' exhibition of the state's a few dog county.

"The Multnomah county fair was 35 per cent hot dogs and hamburger; 35 per cent games of chance in which the only chance is that taken by the patron; 10 per cent agriculture and livestock; 10 per cent dirt and disgust."

If all observed Sunday in the quiet, religious way our grandparents did the Monday papers wouldn't be filled with reports of so many accidents and deaths.

No one can live without faith for the common relationships of life depend upon it.

TROUTDALE

A few close friends of Mrs. Margaret Burns surprised her on August 2 by gathering at her home to help celebrate her 79th birthday. A pleasant afternoon was spent. Dainty refreshments were served. Mr. and Mrs. Carl Zeebeck went to Walla Walla recently for a few days' visit with friends.

Mrs. Clara Larsson and Mrs. Mary Parsons made a recent visit to Government Mineral Springs, where they spent several days. Guests at the Wallace Spence home are Mrs. Spence's mother, Mrs. George Baker of Spokane, Washington, and Mr. and Mrs. Chas. Ellis and sons Arthur and Richard of Walla Walla.

Mrs. Russell Wilson accompanied her parents, Mr. and Mrs. A. Selling of Portland, on a two weeks' vacation at Seaview, Washington.

C. C. Bush and his nephew, Billy Andrews, are living in Portland at present. They expect to leave soon on a prospecting tour in the mountains near Grants Pass. Mr. Bush recently sold the Ford garage at this place to Raker & Son of Gresham, who took possession on Aug. 5.

Mrs. Will Crawford is spending two weeks with her daughter, Mrs. Alma Hensley, at their summer cottage at Netarts.

Miss Johanna Burns and her niece, Margaret Kerslake and nephews, Creighton, Arthur and Ian Burns, are spending two weeks at Twin Rock beach.

Mrs. Electa Parsons attended the Bramhall reunion on Sunday, August 14, at the home of Mr. and Mrs. John Bramhall in Portland.

A. D. Kendall won first, second and third prizes on varieties of gladioli at the show held by the Northwestern Gladioli association at Multnomah hotel in Portland on Wednesday and Thursday of last week.

The Blue Ribbon Kraut factory owned by Martin Federspiel & Son has started operations in full swing.

Edward Austin Van Buskirk and Nellie Genevieve Marble were married at Vancouver, Washington, on August 12 by the Rev. Mr. Skaggs of that place.

Mr. and Mrs. Pat White and daughters, Grazel and Marcella and son Arthur of Seattle spent Wednesday and Thursday at the home of Mr. and Mrs. A. D. Kendall.

Mrs. Errol Ide was called to Corvallis Monday by the sudden illness of her sister.

Mrs. James Spence, who has been in the Timmerman sanitarium in Gresham, has returned to her home with her little daughter, Patricia Anne.

PLEASANT HOME

All grangers are cordially invited to attend the H. E. C. picnic at Laurelhurst park next Thursday, bring well filled lunch baskets and enjoy the day which will be filled with varied amusements.

E. E. Brink and sons Henry and John, Arthur Nassehahn and Roland Erickson left Monday morning by auto for Montana, where they will work in the harvest fields, later going into Canada to work during the season there. They expect to be away about three months.

There will be preaching at the Baptist church next Sunday morning and evening by the Rev. E. W. Albaugh of Hillsboro. The B. Y. P. U. will meet at 7:30 and Sunday school at 10 o'clock. Last Sunday evening the young people elected the following officers to serve for six months: president, Wilma Chase; vice president, Wilbur Altman; secretary-treasurer, Bertha Werner; pianist, Florence Rich.

Multnomah grange will meet at the hall at Orient next Saturday evening, August 27, at 8 o'clock. The exhibit prepared by this grange for the recent county fair scored 72 points, placing fifth out of a class of seven granges showing.

The low score was on vegetables as the members live farther east than other grangers and can not get the early vegetables needed for such an early fair. It is hoped that next year the fair board can arrange to have a later date in order to make a better showing of what this county can produce.

Arthur Rich and family enjoyed an outing over the week-end in the huckleberry patch near Mt. Hood, laying in a good supply of pie fruit for next winter. Bob Shumway and Frank McKinney were also visitors in the huckleberry fields.

Grandma Waybill returned on Sunday from Sherwood where she has spent the last three months visiting her daughter, Mrs. James Knight. Although 86 years of age Mrs. Waybill is well and active, doing much of the work about the home and taking much outdoor exercise. Mr. and Mrs. James Melton drove to Sherwood to bring grandma home.

Maurice Wheeler left by auto Monday morning to spend some time at St. Martins' Springs. Mr. Wheeler has been a sufferer for several years with a skin eruption and he hopes to get some relief from his ailment while there.

Answers to questions elsewhere in today's Outlook. "Wise up" on the Want Ads. also.

ANSWERS.

1. A recent careful measurement of the growth of corn on the farm of W. H. Peck, near Jasper, Minn., showed a growth of three inches in 24 hours and five inches more in the following 24 hours, making a growth of eight inches in 48 hours. The corn was about knee high when the measurement began.

2. A papal bull is an edict issued by the Pope. It is called a bull from the Latin word bulla, meaning a boss, that is a round ornament, or a seal. The Pope used a seal of lead made in the form of a boss and called a "bulla".

3. Land's End, the most western point of England, and Finisterre, the most western point of Spain have the same meaning—finis, meaning the end and terre, meaning the land.

4. Portland cement, the manufacture of which was first carried on in England makes a product that resembles a well known quarry stone at Portland, England, and for that reason was called by the name it bears.

5. The United States produces annually about 300,000,000 pounds of wool and consumes about 500,000,000 pounds. But of this amount about 116,000,000 pounds is a coarse wool used in carpets and is imported. It is such a cheap wool that American sheepmen do not care to produce it.

6. The Allies did not use dogs to search out and aid the wounded in the World war, though some histories so state.

7. John Greenleaf Whittier and James Whitcomb Riley were America's most distinguished bachelor poets.

8. The old English name for a demon was "mare", the nightmare was an evil spirit that throttled people in their sleep.
