

Farm Leaders in the Making

Harold C. Stimson, Donor Annually, of a Fine Heifer; Club Girl, Carmen Daniel — 1926 Winner — And Her Prize.

Each year Harold C. Stimson, owner of the famous Redwood Farm of Washington, presents a splendid Holstein heifer for the best work in livestock activities, done by Club boys and girls in the Northwest. Carmen Daniel of Cove, Oregon, outstanding Club girl in Holstein activities in the United States for 1926, was the winner of last year's award.

Over 11,000 boys and girls are doing Club work in Oregon, an equally large number in Washington, and

over 600,000 in the United States at large.

Boys' and Girls' Club Work is found at its best at Camp Plummer during the week of the Annual Pacific International Livestock Exposition at Portland, to be held this year October 29 to November 5, inclusive. Here the Northwest's future agricultural and livestock leaders obtain one week's practical instruction in the science of farming. Boys and girls come from all parts of the Northwest to participate in the inspiring exercises held annually at the Camp.

Over \$100,000 in premiums are given each year for the Pacific International for exhibits of Purebred Livestock and Agricultural Products. The Exposition combines great Livestock Show, Dairy Products Show, Land and Manufacturers' Show, Northwest Fox Show, Wool Show, Industrial Exposition, and the world's greatest Horse Show.

That the Pacific International is one of the great assets of Agriculture and Livestock interests in this western country is now conceded without question. 150,000 people from all parts of the nation are expected to attend this year. Special fare-and-one-third rates to Portland during the Exposition are to be in effect on all the leading railroads of the Northwest.

Troutdale P.-T. A. Starts Year's Work

The Troutdale Parent-Teacher association has opened its activities with renewed enthusiasm and 36 members enjoyed a very interesting meeting Friday afternoon Oct. 14. Mrs. Eunice Robinson, newly elected president, presided and much business was transacted.

The association voted, as is its custom, to pay all expenses of the president to the annual state convention, which is to be held October 25 to 28 at LaGrande. Mrs. Morris McGinnis, vice president, was elected as alternate. The association is entitled to three delegates. Mrs. A. D. Kendall may go also.

The regular Hallowe'en party will be held at the schoolhouse. This is an annual affair—the evening is given over to entertain the children and keep them occupied with games and fun, thus keeping them from spending the evening otherwise. It consists of a masquerade for the children, with games and refreshments and prizes given for the boy or girl of each room and of pre-school age who best impersonates a character. The P.-T. A. bears all expenses.

The association has purchased Compton's encyclopedia and presented same to the school. The study decided upon for the year's work will be "Western Persons of Prominence." Principal R. D. Hewitt began the study Friday with a most interesting talk on "Joaquin Miller," closing by reciting Miller's "Columbia." At the November meeting Mrs. C. I. Thomas will speak on some western writer.

At Friday's meeting Mrs. L. A. Harlow spoke to the association of the 16 different markers that have been placed throughout the state by the D. A. R. chapters of Oregon in commemoration of historical spots. This was in line with the history of Oregon taken up in last year's study.

School and home visiting committees reported, as did the Sunshine committee, whose duty it is to visit homes during sickness or distress.

The primary grades opened the meeting with songs and recitations appropriate to Columbus day. Troutdale Parent-Teacher association is one of the oldest in the state being the first to organize in Multnomah county outside of Portland. It has enjoyed nearly 20 years of continuous activity. At the close of the meeting Mrs. W. C. Spence and Mrs. A. D. Kendall, as hostesses for the day, served hot biscuits, honey and coffee.

Mrs. Olivia Leland and Mr. and Mrs. Lewis Reed Sunday.

Mr. and Mrs. V. Gibhart visited in their son William's home the first of the week.

Mrs. Ethel Smith Stewart of Portland spent the week end with her mother at Ferndale Place.

Mrs. Fred Etling has gone to Beaverton to help harvest the grapes at her brother's place. Mr. Miller also has a black fig tree orchard, but the short summer has proven unsatisfactory for the fruit to ripen well.

Several wild animals have been seen recently up around Eagle Creek. Bears are plentiful and two cougars were seen a few days ago by several hunters who were not able to get a shot at them. Wild cats and coyotes are also numerous. Carl Etling has chased a black bear several times and no doubt he will get him yet, as he is a good shot.

COLUMBIA HEIGHTS

Albert Salzman has a new residence under course of construction at Corbett.

Mrs. Jasper Crane and Mrs. Henderson have just returned from a motor trip to Bend, where Mrs. Henderson visited with her son and daughter-in-law and friends.

The many friends of Fred Etling will be glad to know that he has been accepted as a clarinet player in the Junior Symphony orchestra in Portland.

LYNCH

The Parent-Teacher association of the Lynch school will give a reception in the schoolhouse Friday evening, October 21. The reception will have the cooperation of County Superintendent W. C. Alderson who annually welcomes the teachers of the Lynch school. Speakers will be present from Portland and musical numbers will be given. The new schoolhouse is expected to be completed by Friday evening and school will begin in a few days. The instructors for the Lynch school for the coming year are Miss Elizabeth Canning, principal and teacher of 7th and 8th grades; Miss Bernice Swanson, 5th and 6th grades; Miss Ida Luote, 3d and 4th; Miss Willene Botkin, 1st and 2d.

UNION

The Union Parent-Teacher association held its second meeting of the year Friday evening, October 14, with an attendance of 75. Owing to the absence of the president and vice president, the secretary, Mrs. Stella Lingle, had charge of the meeting. Miss Hoffmeister, the chairman, can not leave her regular work, and no other delegate being chosen, the circle will not be represented at LaGrande. The bazaar committee announced that the annual affair would be held Friday evening, November 4. Preparations are being made for the program, sale and supper. The evening's program was a real treat to all music lovers. It consisted of several violin selections by Miss Lemon, accompanied at the piano by
