

Gresham Locals

J. T. Horr, who has been confined to his room by illness for sev-

eral weeks past, was taken to Good Samaritan hospital yesterday for a thorough examination.

Word has been received from Oakland, California, of the death of Mrs. Howard Chalker, which occurred in that city on Wednesday

of this week. Howard Chalker, a former resident of this place, will be remembered by many friends. The couple had been married but little over a year.

The regular meeting of the American Legion and the Auxiliary will be held at the grange hall Tuesday evening, October 25. Potluck supper will be served at 7 o'clock.

Miss Evelyn Felton spent the week end with friends in Portland. The Gresham grade school football team is achieving victory these days on the grid. Friday the team went to Gladstone where it defeated that bunch of players 36 to 0. The Gresham boys are at Estacada today.

In a recent letter from Mrs. Delle D. Smith she states she and her husband and Bonnie Belle are located at Spokane, Washington, for the winter, where the small daughter has entered school. Mr. Smith has charge of a mine at Orient, near the Canadian line.

Pat White, John Roberts and Cleo Blevens of Portland were out Wednesday evening and had dinner with Mr. White's brother, M. L. White, proprietor of the White Way.

The Oregon Smith-Hughes teachers, with whom is numbered Edward B. Starkey, agricultural instructor of Gresham high school, are planning a practice judging trip for October 27 and will be working part of the time in the vicinity of Gresham. This is a united effort to strengthen the Oregon teams for the great contest of three states at the Portland International Livestock exposition on Saturday, October 29.

Mr. and Mrs. Gus Donley and daughter Betty Jean went to Portland Monday evening where they attended the wedding of Mr. Donley's niece, Miss Madge Donley, who was married to Lloyd Brown at the Piedmont Presbyterian church. A reception was given at the home of the bride following the ceremony. She is a graduate of the nurses' training course of Emanuel hospital.

Mr. and Mrs. F. G. Anicker are building a new 8-room frame house on their land on Gresham butte. The structure, which will be of the bungalow type, will be plastered and will have dormer windows. Full concrete basement, a fireplace and furnace will be some of the desirable features of the new building. The house will be located on one of the finest and sightliest locations to be found anywhere. Mr. Anicker is doing the work and expects to have the new building under roof this week.

M. D. Kern was greeting Gresham friends today. Mr. Kern returned this week from Twin Falls, Idaho, where he spent the past two months with his son-in-law and daughter, Mr. and Mrs. W. J. Holenbeck. He reports immense crops of wheat, apples, alfalfa, honey and other products, with good prices. He is making his home in Portland at 1380 East Lincoln street.

D. M. Roberts and son Kenneth are spending a few days in southern Oregon near Riddle hunting deer. Mr. and Mrs. D. M. Roberts returned last Friday from Bond where they visited a cousin S. E. Roberts and also hunted deer in the vicinity.

Miss Thelma Koppang is here from Chicago, Illinois, to make her home with her sister Mrs. M. O. Duffy on Cleveland avenue.

Mrs. H. S. Alexander is in Wichita, Kansas, where she is visiting with her son Roger and family. She went by way of California and Colorado, visiting with relatives in both states. She plans to remain east indefinitely.

As a result of the recent drive for canned goods in behalf of the Mississippi flood sufferers five cases, or 126 cans in all, of fruit and vegetables were sent from Gresham through the efforts of the local unit of the American Legion auxiliary. Of the amount sent, two cases were contributed by the Berry Growers Packing company, a case of prunes and another of pears.

Mrs. George Tacheron, Mrs. Alice Vuilleumier, Mrs. O. W. Boring and Mrs. G. H. Bickford, the two latter from Boring, were the luncheon guests Wednesday of Dr. and Mrs. H. H. Ott.

George Alexander of Portland, general manager and supervisor of the 20th Century system of grocery stores, was out a few hours yesterday inspecting the local branch and giving suggestions of a general character. The 20th Century chain of groceries now includes about 95 stores which are located in the states of Oregon and Washington. The local 20th Century is making preparation for its annual fall canned goods sale and the interior of the store is being re-arranged for this purpose.

James Bushong has been on the sick list for several days. He is obliged to be absent from his classes at high school.

The Rev. and Mrs. D. B. Weintz, Mrs. B. W. Emery, Mrs. C. D. Cathey and Miss Edith Howell drove Wednesday to Portland where they attended the annual box packing for missionaries of Japan and India held at the First Free Methodist church.

George Simonson of Seattle, a nephew of E. Giberson, is at the Giberson home for the winter. He has enrolled as a student at Gresham Union high school.

Sunday guests at the home of Mr. and Mrs. George Hayden were Mrs. Hayden's parents Mr. and Mrs. G. W. Alder, her sister Miss Iva Alder, and a friend Mr. Kitchen, Mr. and Mrs. O. A. Stafford and two children and Mr. and Mrs. J. E. Gaskill and two children. Mr. and Mrs. John Elias visited over the week end with a niece, Mrs. Henry Waldner, and family at Silverton.

The Ladies Aid of the Methodist church will meet on Wednesday afternoon, October 26, at the home of Mrs. H. H. Ott on Main street. A pleasing program is being arranged and a good attendance is desired.

"Church Night" at the Methodist church last night was well attended and very interesting. About 70 persons joined in the pot luck supper early in the evening, and nearly as many took part later in the group studies and the devotional service. The pastor led the class in Bible study, W. J. Cooper that in teacher training, and Lyle Mason the mission study. Miss Mabel Winters led junior age boys and girls in pageantry, and Mrs. J. R. Hoor conducted a story hour for the small children.

The north half of the showroom of the Brockway & Nelson sales and service has been converted into an autumn woodland scene, where a carpeting of real moss and a setting of gaily-colored foliage form a pleasing background for the superb new four DeLuxe Dodge Brothers sedan, one of the show cars of the Gresham agency. The effect is especially beautiful at night when a flood light throws a mellow radiance over the entire scene.

ROCKWOOD

Elva Eckert is back at school again after a week's absence due to an infected foot. She was playing in a new building when she stepped on a nail which caused the poisoning.

Herbert Dunlop is at home again after spending the summer at Neskonwilt where he was employed by the general mercantile store. He is now working for the Skaggs chain stores in Portland.

The "tea" to be given at the community church on Wednesday evening, October 26, will take a little different form than those given to date. There will be a motion picture program including a short drama, a comedy and some musical numbers, after which refreshments will be served and a social hour enjoyed.

Dr. A. S. Hisey was a visitor at the Methodist parsonage Thursday. Services at the community church will be usual on Sunday, Sabbath school at 10 a. m. and morning services at 11. The Rev. J. F. Dunlop will preach on the subject, "Blazing the Trail". In the evening "The Third Commandment" will be the subject. Services will convene at 7:30 p. m.

Mrs. Laura Pullen is at home again after an absence of some length in Portland.

Mrs. Elsie Grimshaw came home last Sunday. She has been in Yakima picking apples on her father's

farm, but was taken sick and had to return.

A Symbol of Saving and Thrift

Much attention has been given to instilling into the minds of children in schools respect and reverence for the flag, and at nearly all schools over the country, in the "Salute to the Flag", the children stand at attention, salute, and repeat the following pledge:

"I pledge allegiance to my flag, and to the Republic for which it stands; one nation, indivisible, with liberty and justice for all."

It is interesting to note that the territory over which "Old Glory" now floats is more than 3,700,000 square miles; that the people who claim the "Stars and Stripes" as their flag number over 110,000,000.

No child can repeat the pledge with sincerity without thinking of the sacrifices of our forefathers and the careful conserving of property many times during the history of our flag. In order that the flag may be safe for all time, children should have careful training in the conservation of property.

A flag 3 x 5 feet with jointed pole, halliards and bracket goes with each new depositor making a deposit of \$5 before December 1st, 1927.
