Retired Pastor Is Victim of Paralysis

The many friends of the late Rev. J. A. Hopper were saddened when they learned that he had passed away at his home on the Section Line road east of Gresham early Sunday morning, November 27, following a paralytic stroke which he suffered Friday afternoon. Mr. Hopper had been in poor health for several months past, but during the early part of last week had felt unusually well and members of the family had expressed the hope he might ultimately regain his usual health. However, without warning on Friday he was stricken and passed away in less than two days from that time.

Funeral services were held Monday afternoon at the Methodist Episcopal church, with interment in Gresham cemetery. The service was in charge of the Rev. Frank Burns, assisted by the local Free Methodist pastor, the Rev. D. B. Weintz, the Rev. S. F. Pitts, pastor of the Undenominational temple, the Rev. D. M. Cathey and the Rev. O. F. DeFoe. Donald A. MacPhee and Murray Morford of Portland sang as duets, "Jesus Leads" and "An Unclouded Day", while the congregation joined in the singing of "The Eastern Gate".

The Rev. S. F. Pitts spoke of the personal friendship which existed between himself and the deceased, and of the beautiful home life of Mr. Hopper and his family. The Rev. Mr. Burns delivered a most touching discourse from words which Mr. Hopper chose as his funeral text, "I am now ready and the time of my departure is at hand." Some time since, when the deceased had felt his earthly days were numbered, he had selected his text and officiating clergyman, and outlined a sermon, together with beautiful tributes to his wife. These Mr. Burns wove into a funeral address. The pallbearers were the Rev. L. A. Skuzie, F. A. Miller, S. LaGasse, Al Maybee, Clarence Cathey and Virgil Howell. The casket was covered with many beautiful floral offerings.

John Albert Hopper was born in Olathe, Kansas, March 15, 1869. At the age of six he moved with his parents to Springfield, Missouri, where he resided until 18 years old. From Springfield he moved to Hutchinson, Kansas, where he met his future wife, Miss Emma Bushong, to whom he was married February 18, 1893, in Denver, Colorado. To this union were born seven children, four of whom survive, Floyd O. and Mrs. Martha Pierce of Seattle, Washington, Alvin B. of Portland and Howard A. of Gresham. At 19 years of age he was converted and remained a true Christian until his death. In 1896 he began his active ministry in the Free Methodist church where he labored until 1924. At this time, due to ill health, he retired from preaching and has since resided on a small farm east of Gresham.

The Rev. Mr. Hopper was twice

MEETINGS BEING HELD

Evangelist Gust E. Johnson.

Will lead a revival campaign and Bible conference in the Powell Valley Mission church starting Tuesday.

pastor of the Free Methodist church at Gresham. He served his church in various connections, as he himself said in his written message, having the poorest of circuits and, at other times, the best the church had to offer. He accepted cheerfully the life of the itinerancy and bore his heavy burdens without a word of complaint. His family and near friends have sustained a great loss in his passing.

DOCTORS CONSIDER SITUATION GRAVE

Following the death of Miss Julia Kercher last Saturday from infantile paralysis, and the confirmed report of a case in the family of O. A. Myers southeast of Gresham, fear has been expressed by many that the disease might spread in this locality and assume the proportions of an epidemic in this part of the county.

The physicians of Gresham have been interviewed on the subject, and while they urge every possible precaution, they do not at this time consider this vicinity in any particular danger of an epidemic. But two cases have developed so far and it is thought there is no great reason for alarm.

Maxine Myers, three year old daughter of Mr. and Mrs. O. A. Myers living on the Chase road southeast of Powell Valley, was stricken several days ago. The disease has caused but a partial paralysis of the lower limbs, although the child is totally disabled as to walking.

Dr. H. H. Hughes expressed the opinion that no better advice could be given than that in the state health bulletin recently published in the Outlook. Dr. H. V. Adix advises great precaution and a strict adherence to the ordinary rules of hygiene. Dr. A. W. Botkin, who is attending the Myers child, states that the family is in quarantine and the child is isolated from the other children to prevent the disease spreading. Dr. George Ingalls advises particular attention being paid to spraying the throat and nose as the germs of this disease, as well as of many others, enter through this medium.

Judging from the expressions of local physicians, the situation is grave although not alarming.

New Ford Car Introduced to Gresham People This Friday

The full story of the new Ford automobile, described by Henry Ford, as being "superior in design and performance to any now available in the low price, light car field," will be told first in Gresham next Friday, December 2, according to announcement made today by Raker & Son, local dealers.

A public reception is to be held here on Friday, December 2, simultaneously with similar gatherings at every Ford dealer in the United States, thus constituting a part of the greatest automobile show in the history of the industry.

No detailed descriptions of the new car have been previously given out by local dealers, but the Ford Motor Company, from its headquarters in Detroit, had announced that the new Ford car would be as far in advance of present public demand for speed, flexibility, control in traffic and economy of operation as the famous Model T was in advance of public demand when it was introduced in 1908.

Dealers have not yet been advised as to the prices at which the new Ford line will sell, but definite assurance has come from Detroit that the prices will be entirely in accord with the policy of the Ford Motor Company to provide the best possible automobile at the lowest possible price.

Elaborate arrangements are being made for the public reception here on the above date. City officials and prominent business men of Gresham and vicinity have been invited and preparations have been made to give every caller at the show a thorough understanding of this car which is expected to make a new chapter in automobile history.

Partial Description Given.

Four-wheel brakes, standard selective gear transmission, extraordinary acceleration, a speed of 60 miles an hour and more, a practically vibrationless engine, and unusual beauty in line and color are among the outstanding features of

the new Ford cars, the first of which will be shown in many parts of the country next Friday. The generator, oiling system, steering gear and rear axle are of new Ford design, it is announced. And its 40 horsepower engine has been so designed that it runs 20 to 30 miles an hour on a gallon of gasoline.

This car, which is to succeed the famous Model T line, will be shown on Friday by Ford dealers in many of the larger cities of the country. In Gresham photographs and descriptive charts of the new cars will be on display at Raker & Son showrooms, where the public will be given the complete story of the new Ford car. Later various models of the new Ford line will be on display here.

So far the new cars have been examined only by those who will have charge of the first showings and demonstrations. Salesmen and demonstrators are studying charts and diagrams which will be used in explaining the various details of design, appearance and performance.

For months factory models of the new car have been undergoing severe performance tests in and around Detroit. One of these factory models recently made a road run of 120 miles in 124 minutes. This run, it is said, was made on an ordinary paved highway near Detroit. Local dealers, in commenting on the forthcoming show, said their first view of the new Ford car had substantiated Henry Ford's statement that "there is nothing quite like it in quality and price."

"Mr. Ford's statement had prepared us for a surprise," said a local dealer, "but the new Ford car is better even than we had hoped for. It is certain to make history in the automotive industry, just as its predecessor, the famous Model T, has made history for 20 years. We are proud of the new car and feel certain that its appearance and performance will attract unprecedented attention among automobile owners."

Rockwood Women Plan Entertainment

"Down By the Sea," a two-act comedy, will be given by the Ladies Aid of the Rockwood church on Saturday evening, December 3, in connection with the annual chicken dinner and bazaar. The play will be under the direction of Dr. C. L. Haynes and musical selections will be given by the Rockwood orchestra.

The cast of characters for the play is as follows: Abner Raymond, a city merchant, W. O. Shaver; Captain Dandelion, city florist, Oscar Olds; John Gale, a fisherman, Reuben Kaser; September Gale, Dr. C. L. Haynes, and March Gale, Orrie Eckert, proteges of John Gale; Jean Grapeau, an old French peddler, J. W. Eckert; Kate Raymond, a city belle, Miss Ardella Dunlop; Mrs. Gale, John Gale's wife, Mildred Johnson; Kitty Gale, John Gale's daughter, Miss Edith Olney.

Articles will be on sale suitable for Christmas gifts. Chicken dinner will be served, beginning at 6 o'clock.

The Want Ad way is the way to success.

MRS. ELLA HORNISH SERIOUSLY INJURED

Mrs. Ella Hornish, a former Gresham resident, was seriously injured Sunday when the automobile in which she was riding crashed into a parked machine on Sandy boulevard near the All States Auto Camp. Mrs. Hornish was taken to Good Samaritan hospital where she is being treated for a fractured arm and severe cuts about the face and head which may result in the loss of her right eye.

The automobile was being driven by her son Arlie Hornish and, besides herself, contained her sister Mrs. Mary Gregg. They were on their way to Portland and were approaching a car coming from that direction. A parked car was standing on the pavement and, to avoid striking either that or the oncoming auto, young Hornish applied the brakes suddenly, skidding into the parked machine. Mrs. Hornish fell out when the door opened suddenly on the right of the front seat which she occupied.

Since leaving Gresham Mrs. Hornish has been the caretaker of the Springdale home of her brother, Grant Bell, who is absent in California. She still retains the ownership of the Hornish apartment house in Gresham.

LAST RITES SAID FOR AGED PIONEER

A beautiful service was conducted at the Baptist church in Pleasant Home on Sunday afternoon for Mrs. Jennie Stephens, who passed away at the home of her daughter, Mrs. Amy Altman on Thanksgiving Day after a year of patient suffering. Her pastor, the Rev. S. G. Fohentstock of the Church of the Brethren in Portland, conducted the service in well chosen words which made a deep impression. A quartet from the same church sang, with Miss Wilma Chase at the piano.

Jennie A. Murray was born at Troy, Ohio, June 24, 1856, being the youngest daughter of Dr. and Mrs. James W. Murray. Her early life was spent in Troy where she received her education. In 1867 she was married to Iven Stephens who was a Civil war veteran of the 71st Ohio Volunteers. Three years later the young couple arrived in Oregon and settled at Pleasant Home opposite the present location of the Methodist church. In 1874 Mr. Stephens established a store and later the Pleasant Home post-office was opened under his management and which he conducted for 18 years. Upon his death, his wife was appointed postmistress, which office she held and successfully conducted for a number of years. Mrs. Stephens was perhaps the first correspondent to the Portland papers from this part of the county. She was a good neighbor and did her part to maintain her home during the long illness of her husband, and to rear the nine children who have grown to maturity and some of whom hold prominent places in the life of the community where each resides. In her early years she united with the Dunkard church and was a faithful member till her death.

On Thanksgiving Day, 1926, Mrs. Stephens attended a reunion of the family at the home of her daughter, Mrs. Amy Altman. A few days later she was found in her Portland home, stricken with paralysis. She was brought to the daughter's home where she was tenderly cared for during the long year of patient waiting for the final summons to meet her Lord whom she had loved devotedly during the many years of her life. She died the morning of November 24, being 77 years and 5 months of age. She is survived by her nine children, Ivan and Warren of Andrews, Oregon; Clarence of Portland; Joseph of Torrence, California; Frank of Dufur; Lent of Rochester, Wash.; Mrs. Amy Altman, Pleasant Home; Mrs. Blanch Fitzgerald, Boring, and Mrs. Alice Wolters of Auburn, besides several grandchildren and great grandchildren.

The automobile was being driven by her son Arlie Hornish and, besides herself, contained her sister Mrs. Mary Gregg. They were on their way to Portland and were approaching a car coming from that direction. A parked car was standing on the pavement and, to avoid striking either that or the oncoming auto, young Hornish applied the brakes suddenly, skidding into the parked machine. Mrs. Hornish fell out when the door opened suddenly on the right of the front seat which she occupied.

SANDY

Roy Mallory, principal of the Sandy grade school, recently underwent an operation at Good Samaritan hospital for the removal of his tonsils. Mrs. Blanche Shelley is teaching in his place.

The Sandy grange will give an all-day bazaar Saturday in the grange hall. Dinner and supper will be served and there will be dancing in the evening.

The Sunday school of the Sandy community church has been reorganized. There is a good attendance and interest.

August Bedenstein of Cherryville underwent a successful operation for hernia at St. Vincent's hospital last Saturday. He was injured recently while in the employ of the Alder Creek Logging company.

Dave Douglas of Cherryville is still in a Portland hospital where he was taken several weeks ago to be treated for injuries sustained in work on the road.

Mrs. Thomas McGuire was taken to St. Vincent's hospital Sunday where she is receiving treatment for pneumonia.

Mr. and Mrs. L. Lehndel, who were married 50 years ago by a justice of the peace, were re-married Sunday at the Sandy Catholic church by the priest of that place. The ring ceremony was used. Jack Scales and Charles Schanke officiated as witnesses.

The Franz Elling place on the highway three miles east of Sandy was sold a short time ago to a Salem man for \$8,000, and the new owner is now taking possession. The place was the summer home during the lifetime of Mr. Elling, who died about a year ago.

BORING

The death of S. J. Garrison took place at the I. O. O. F. home in Portland on November 24, the direct result of a fall on November 18, when he suffered a compound fracture of the hip. Funeral services were held in Portland on Monday at the East Side Funeral parlors. Mr. Garrison was 82 years of age. He was a resident of Clackamas station and Boring for about 40 years. He is survived by two daughters, Mrs. Herman Naas of Boring, Mrs. Beebe of Chico, California, and a son, Bert of Portland. He was a member of Sandy I. O. O. F. and Rebekah lodge.

A seven-pound son was born to Mr. and Mrs. Charles Randolph of Boring on Friday, November 25. The regular services at the church on Sunday morning were in charge of the pastor. A very attentive audience was present for worship. The Sunday school was well attended following the church service. The Sunday school board met at 9:30 for a short business session, when plans were laid for the betterment of the Sunday school. Committees have been appointed by the superintendent, O. W. Boring, and are working on a program for Christmas.

There will be a young peoples service at the church on next Sunday evening at 7. The young people will gather at the church at 6:15 and have a social time together before the regular service.

The Ladies Aid will meet at the church on Thursday in all-day session for the purpose of quilting. All ladies are invited to attend.

A very pleasant birthday party was given on November 19 at the home of David Hedermann in honor of his housekeeper, Mrs. Raddebush, who was celebrating her 81st birthday. Those present were Mr. and Mrs. Fred Werner and family from Pleasant Home, Mr. and Mrs. Andrew Hedermann from Portland, Mr. and Mrs. Henry Raddebush from Sandy, Mr. and Mrs. Fred Staeger, D. Hedermann and Mrs. Raddebush. The evening was spent in a social time, after which all sat down to a table laden with all the good things that the ladies had arranged for the occasion. The following day about 25 gathered at the same place and a birthday dinner was given for Mr. Hedermann's son-in-law, Fred Werner.

Frank Gregson recently had his roadster wrecked when he collided with a parked car near Sandy. The parked car was without lights. The force of the collision turned his car over and Frank and his companion, Scotty Siefert, were cut by flying glass.

Thanksgiving dinner guests at the home of Mrs. E. J. Gregson were Mr. and Mrs. Roy Cochran and son Leland, Mr. and Mrs. Sam Gregson, Mr. and Mrs. Carl Gregson and sons Lee, Norman and Carl Jr., and John Juvenile.

Mr. and Mrs. O. M. Richey and family had Thanksgiving dinner at the home of Mrs. Richey's father John Douglass of Eagle Creek.

Mr. and Mrs. O. W. Boring and son Willard spent Thanksgiving in Gresham at the home of Dr. and Mrs. H. H. Ott.

D. Hedermann and Mrs. Raddebush spent Thanksgiving in Portland at the home of Andrew Hedermann.

Melville Richey and Eldore Johnson were down from Corvallis and spent the Thanksgiving vacation with their home folks. Melville witnessed the Gresham-Estacada football game on Thursday and the Oregon State and Carnegie Tec. game on Saturday.

John Osburn and Joe Shaw spent Thursday in a Portland visiting friends and relatives.

W. W. Cummings spent Friday in Portland.

The severe rain of the past week has stopped the digging of potatoes in some places. "Here the ground is low a person would need a flat boat to salvage the crop."

H. A. Beck, who has been in a Portland hospital for some time with a dislocated knee, is able to be home again and can get about with the aid of crutches. He has to go to Portland and take treatments. It will be some time before he will be able to go to work.

Mr. and Mrs. Lester Boring called at the home of his parents one evening last week.

Gresham Football Team Now Champs

Probably the weather man came in for a good share of disapproval Thursday morning about 10:30 when the last game of football for the high school season was scheduled to take place on Stapleton field between the Gresham team and Estacada. The Thanksgiving game is always looked forward to eagerly as the big game of the year, but Thursday the rain fell in torrents and wind and rain combined in the most outstanding storm of the fall.

However, they played football just the same, and while the sloppy condition of the field prevented many trick plays or open football, line plays predominated and both sides played a dandy game. The final score standing 14 to 0 in Gresham's favor.

No scores were made in the first half. In the second half Gresham completely outplayed Estacada. In the third quarter, after an exchange of punts, Gresham rushed the ball down to Estacada's 20-yard line. In the next play Squire made a beautiful cutback, running 20 yards for the touchdown.

Squire played an outstanding game of football, his punting being above the average. Stafford played a wonderful defensive game, breaking through the line on every play to keep Estacada in hot water.

The game Thursday ended the most successful football season Gresham Union high school has ever participated in. They have won every game of the year, seven in all, the scores standing as follows: Gresham 12, Milwaukie, 0; Gresham 38, Sandy 0; Gresham 12, Beaverton 7; Gresham 19, Oregon City 6; Gresham 32, Sandy 0; Gresham 13, Molalla 7; Gresham 14, Estacada 0. The Gresham team now holds the championship of eastern Multnomah county.

Fourteen lettermen are now numbered in the ranks of the team, 11 of these being the regular players and three of them substitutes. They are: Squire, halfback; Whetzell, fullback; Whilon, halfback; Okuda, quarterback; Wedin, right end; Timmerman, left end; Brown, left tackle; Anicker, left guard; Boring, center on offensive and right halfback on defensive; Carlson, right guard on offensive and center on defensive; Lundy, right tackle; Weiss, left guard; Stafford, right tackle; Duncan, left end.

With the exodus of football from the stage, basketball will next claim the attention of student and patron. Coach Clarence Kruger will make a call for basketball practice in the near future, according to present plans.
