Mr. Ekstrom has filled this position very acceptably for the past six years. Services will be held at the Pleasant Valley community church on Sunday, December 11, the subject to be, "The Wonderful Power of God." O. A. and May Giltner, missionaries, will speak. The public is cordially invited to be present.

Fairview Boy Gets Military Promotion

Cadet officers and promotions in the Reserve Officers Training corps at the college, numbering 72, including one student from Fairview have been announced by Colonel Geo. W. Moses, commandant, and approved by Dr. W. J. Kerr, president of the college. Edward H. Heslin was appointed Cadet Second Lieutenant, one of the high honors given to students in the military department.

Heslin is finishing his third year in military training at O. A. C. He is a junior and is majoring in pharmacy. Men are required to take only two years of military work, but may obtain a commission in the reserve officers corps by continuing for two more years. Four branches of military training are offered at the college—infantry, cavalry, engineers and field artillery. Heslin is a member of the infantry unit.

The Sunday school at Haley Baptist church will convene on Sunday at 10 o'clock and will be followed at 11 by preaching in English. Junior meeting will be at 6:45 and evening service at 7:30. The Rev. John S. Nordell is pastor.

The bazaar will open at 7:30 p. m. and the card party will begin at 8:30 o'clock. Also there will be a fish pond for the children and a candy booth, and refreshments will be served.

The bazaar will give many excellent ideas for Christmas as well as an opportunity to purchase presents at reasonable prices. The articles are both beautiful and useful.

HOGAN

An accident which might easily have resulted in the death of A. E. Forsythe and his family, occurred Wednesday evening while they were on their way to Portland. While descending the Beers' hill near Hogan station, something went wrong with the brakes, rendering them useless and as the car was reaching a dangerous rate of speed, it was due only to the presence of mind of Mr. Forsythe in turning the car into the upper bank of the road, that they were saved from being precipitated down a steep drop into Johnson creek. The impact of the car in striking the bank caused it to turn completely over, and it was necessary to cut the top out to extricate the family. Fortunately no one was seriously hurt.

Mrs. Chas. Klingenschmidt of San Pedro, California, arrived this week for an extended visit with her mother, Mrs. Richard Conn, and other relatives and friends in Gresham and Portland.
