

### Friends Celebrate 50th Anniversary

A most enjoyable social affair for all who participated, was the surprise party tendered Mr. and Mrs. Frederick William Canning on Monday evening in celebration of their golden wedding anniversary, which occurred on December 25. The spacious Canning farm home was filled with friends and neighbors who came to offer congratulations to these respected pioneers of the community in which they have lived for over 40 years. Mr. and Mrs. Canning gave many interesting reminiscences of the hardships of early days. Yet, through hard work and efficiency they have developed one of the finest farms of the community, and have reared and educated a large family, eight of whom are living, and very successful in their chosen lines of work. A huge, beautifully decorated golden wedding cake was the main feature of the delicious refreshments served. The "bride and groom" carry the accumulation of years lightly and still shoulder the duties of home and farm with grace and dignity. The community joins in wishing them many happy returns of the day.
