Booster Club Dinner Monday, Grange Hall

Plans are well under way for the commercial club meeting and dinner to be held next Monday evening in the Gresham Grange hall. This will be a 50 cent dinner, tickets for which are now being sold. Arrangements are in the hands of the committee, consisting of Roy E. Cannon, Herbert Barnes, and Jack Shultz.

The dinner will be prepared and served by the Women's Home Missionary society of the Methodist church of which Mrs. George Honey is president. This is assurance that the meal will be first class, the service excellent and the benefit go to a worthy cause.

It was intended when the tickets were printed to hold the meeting in the social room of the church but conditions later developed making the change to the grange hall advisable.

The committee is working hard on the early sale of tickets so that the ladies can be notified the exact number to be provided for. This is very important and all citizens are urged to cooperate with the committee in this matter. If you are not called on by the committee and desire to reserve a plate call up any member of the above-named committee or call at the Outlook office or Mr. Mealey's store where extra tickets are placed for convenience. Except in case of extreme emergency Saturday forenoon must be considered the limit for making reservations. The ladies are urged to attend.

The evening's program will be very instructive and entertaining and it is determined to make the program snappy. The dinner will be served promptly at 7, followed by short speeches and entertainment.

The St. Johns Commercial Club will furnish the speakers and musical numbers. About 50 from St. Johns will arrive at 8 o'clock, including a 30-piece band, which will furnish music. In addition there will be a xylophone number, two vocalists and a violinist.

The principal speakers will be L. M. Lepper, prominent attorney, and County Commissioner Clay S. Morse.

It was found that most of the St. Johns visitors could not arrive in time to participate in the dinner. The St. John's visitors will come 50 or 60 strong and local people should take pride in attending.

Dairy Herd Brings Good Price.
Colonel Wood & Son held a very successful sale yesterday for Jos. Anderegg on Sandy road, the whole herd of 46 cows averaging \$142.11 per head, the highest going for \$195. Calves sold as high as \$18.50. All the machinery sold at good figures. Eighteen of the highest priced cows went to G. A. Rock of Tillamook county. Several went to different points in Washington.

ENLARGED VOCATIONAL EDUCATION FAVORED

The following telegram from Senator Chas. L. McNary, Washington, D. C., was received by the Outlook in response to a letter urging support of senate bill 1731 which proposes to increase the federal fund for vocational training in high schools, supplementing the provisions of the Smith-Hughes act under which the agricultural department of the high schools has been maintained. The telegram reads:

"H. L. St. Clair, President Gresham Outlook, Gresham, Oregon, hearings were held before senate committee on agriculture and forestry on senate bill seventeen thirty-one, providing for more complete development of vocational education in the several states. As chairman of the committee I shall use every effort to obtain early and favorable report and work for its enactment into law. As soon as hearings are printed will be glad to send you copy."

COMMERCIAL CLUB ELECTS NEW OFFICERS

An entire new set of officers for the Gresham Commercial Club was elected at a meeting of the board of directors held last Tuesday evening at the office of the secretary. They are as follows:

President, A. H. Mealey.
Vice President, Ivan Swift.
Treasurer, Elton Eastman.
W. J. Cooper was re-elected secretary.

A good spirit of cooperation was manifested and it is believed the commercial club is entering upon a year of more energetic activity. The secretary read several letters received from prospective settlers in response to the new Gresham folder being mailed to a selected list of inquiries. These will be followed up with more detailed information intended to answer the questions usually asked regarding farming conditions, prices of land, etc.

The hearty cooperation of all business men and citizens interested in the upbuilding of this locality is asked by the new officers. A normal membership of 75 to 100 members should be maintained. The membership dues are nominal, only \$3 a year. The money is well spent.

Old-Time School Is Success at Fairview

An old fashioned school, with County Superintendent W. C. Alderson as the "teacher" and a group of "little" boys and girls as pupils was the principal attraction in connection with the chicken dinner given on Wednesday evening for the benefit of the Fairview Parent-Teacher circle.

Col. A. E. Clark gave an address on George Washington, after which Mr. Alderson "called school" by the ringing of a hand bell, and proceeded to call the roll. Those who responded were Dean Collins of the Portland Telegram, Fred Boalt, editor of the Portland News; Judge Fred Stadter, Judge Mary Jane Spurlin, Anthony Euwer and Miss Vivian Cooley, all of Portland; Harry St. Clair, editor of the Gresham Outlook; and Janet Lumsden of Fairview. Others, who failed to respond to the roll call, were George Baker, Calvin Coolidge, Frank Lowden and Al Smith. Their absence was explained by other members of the school in an amusing manner. George was building political fences, Calvin did not choose to come, Al was afraid it was too wet, etc.

Each pupil was given a chance to recite, and each gave a talk or "spoke pieces." There wasn't a dull moment. The audience was particularly pleased with Anthony Euwer's presentation of several of his poems.

Interesting musical numbers were interspersed with the program. Members of the 7th and 8th grades sang "School Days." Dr. H. H. Ott of Gresham gave a group of euphonium numbers, accompanied at the piano by Miss Florence Honey. Miss Augusta Hahn whistled two charming numbers, accompanied by Miss Melba Sanders. Miss Sanders gave a piano solo, and Miss Esther Swygart of Russellville school sang.

It is believed by the members of the Parent-Teacher association that the net proceeds of the supper will be between \$35 and \$40. Citizens of Fairview were out in force, proud of their beautiful new schoolhouse and working in every way to make the evening a success. Mrs. George Shaw is president of the Parent-Teacher circle. The teachers are Mrs. Annie Tegart, principal; Miss Beryl King, Mrs. Helen Camp and Miss Leah Bourgeois.

The entertainment was considered a marked success, socially, financially and politically.

SUDDEN DEATH TAKES FAIRVIEW RESIDENT

Charles Smith, aged 57, who for the past 18 years had made his home on the Anna Swank farm near Fairview, died on Saturday, February 18, of an attack of heart failure and will be buried tomorrow in the Hall cemetery, following funeral services at the Metzger undertaking chapel.

Mr. Smith is survived by a son, Kenneth who could not be located during the week following his father's death. Other survivors are two brothers, Frank of Union City, Michigan, and Fred E. of Oakland, California; two sisters, Mrs. Edith Fisher of Miami, Florida, and Mrs. Eunice Crisp of Hillsdale, Mich.

FAIRVIEW

A large and appreciative audience attended the union services which were held last Sunday at the Smith Memorial Presbyterian church. The Rev. E. R. D. Hollensted, pastor of the church, celebrated his 60th birthday on that day using as his sermon topic, "Three Score Years," in which he narrated in an interesting manner the events of his past life. The Rev. Mr. Foard, pastor of the M. E. church who celebrated his birthday the previous week, was present and assisted with the services.

Two vocal duets were rendered, one by Mrs. Floyd Surface and Mrs. L. R. Diesch and the other by W. E. and L. H. Stone. Mrs. Lester Campbell and Mrs. Minnie Stone rendered a piano duet. The boys from the Bealey Military academy were present and also many members from Fairview grange. Immediately following the church services about 75 neighbors and friends enjoyed a bounteous dinner at the grange hall. A special feature of the dinner was a large birthday cake which was baked by Mrs. Katie Jonas, worthy master of Fairview grange. A social time was enjoyed by all and each one departed wishing the Rev. Mr. Hollensted and the Rev. Mr. Foard many happy returns of the day.

Chas. Smith passed away Friday evening, February 17, from an attack of heart failure. He has been engaged at farming at the Anna Swank farm for the past 18 years. Mr. Smith would have been 57 years of age in March but always appeared to be a much younger man. The remains are at Metzger's undertaking parlors awaiting word from relatives in the east. He is survived by one son and leaves many friends in this locality.

Mrs. J. W. Townsend and daughter Mrs. Josephine Quesinbury, who is teaching in the Russellville school this year, attended the chicken supper Wednesday evening.

Mrs. Lena Anderson, Mrs. Lola Copeland and Mrs. H. C. Moore spent Thursday at the home of the latter's daughter, Mrs. Harry Andrade in Portland.

The social committee of Fairview grange will entertain with a card party at the grange hall on Friday evening, March 2. Refreshments will be served. A cordial invitation is extended to all.

Mr. and Mrs. Andy Siverson have returned home after spending the past week in Portland.

Chaplain William S. Gilbert, D. D., will preach at Smith Memorial Presbyterian church Sunday morning at 11 o'clock. A very important congregational meeting will be held immediately after the morning service. All members and friends are urged to be present. Sunday school will meet at 10 o'clock.

Cooking School Will Feature Left-Overs

"Delectable left-overs!" Who ever heard of such a thing? Everybody has had left-overs, but few have fond memories of them.

Nevertheless "delectable left-overs" will be featured by Rose Bartlett at the Gresham Outlook annual free cooking school which will open Tuesday, February 28, at 2:30 p. m. at the Methodist Episcopal church. Come and learn how it is done!

This will be the first of four free lectures and demonstrations given by Rose Bartlett under the auspices of the Outlook assisted by the home service department of the Portland Gas and Coke company. The other dates will be Thursday, March 1, Tuesday, March 6, and Thursday, March 8, from 2:30 to 4 o'clock each afternoon.

Appetizing new dishes, well within the means of the average family, will be prepared. Something different will be demonstrated every day, and an entirely new program from that of last year will be given. Those ladies who attended the school in previous years know how much valuable information is obtained and how interesting these talks are.

You have heard the story of the baker's boy who, when told to roll jelly rolls with a hot towel, rolled the towel into the jelly roll. At the Tuesday class Mrs. Bartlett will demonstrate a quick, easy and inexpensive jelly roll that doesn't crack, that is, unless it becomes "temperamental." If you have ever argued with a "temperamental" jelly roll, you will appreciate a recipe with the "temper" removed. As usual Rose Bartlett will tell you of various changes to be made in this recipe, a chocolate roll or a change in filling.

The menu Tuesday will also include tea rolls, a fancy biscuit all dressed up with fruit and nuts; prune nut bread especially planned for Oregon with its prune orchards; the luncheon loaf, a meat substitute wherein prunes again figure prominently; and then to fill the ever-present need of something quick and appetizing for lunch, a cheese fondue and cottage cheese sausages.

Recipe sheets, covering the full details of each item on the program, will be handed out to all attending the class lectures. In like manner, the recipe sheets will be furnished later classes and should be preserved for future use in the home.

Rose Bartlett will prepare all the recipes used for demonstration during the class period. The ladies present will have the pleasure of seeing the food prepared, placed on the modern gas range or in the oven with automatic control and removed on schedule time, perfectly cooked.

While preparations have been made for seating a large attendance, it is suggested that the ladies come as early as possible to be sure of getting a good seat and admittance to the class.

Benefit Card Party Scheduled.

A benefit card party sponsored by the Arboleda club, the Camp Hill Woman's club and the Parent-Teacher circle of Lynch school will be given in the Arboleda clubhouse on Friday afternoon, March 2, at 1:30. The proceeds will be used to help pay for the hot lunches being served to the children of the Lynch school.

Church Services

ZION EVANGELICAL SERVICES ANNOUNCED

Preaching services will be held Sunday at the Evangelical church at 11 a. m. and 8 p. m. The sermon topic for the morning services will be, "Searching for True Values." The sermon will be based on the story of the withered fig tree. Empty words and sham religion were vehemently denounced by the Master. He is eternally searching for the true values of character. Especially during this lenten season should christians, under the direction and guidance of the Holy Spirit, seek the deeper meaning of life, the true values in every day christian living, shunning sham and hypocrisy.

The topic for the evening lenten meditation will be, "The Alabaster Box." All friends and strangers are cordially invited to our services.

The Bible school will meet at 10 a. m. Mite boxes will be distributed again to all members of the Sunday school for the special offering for missionary purposes during the lenten season.

FUTURE LIFE TO BE TOPIC OF SERMON

The sermon as scheduled for next Sunday morning at the Methodist church is entitled, "Beyond the Grave." Many wonder just what the future life is like. Little is known and there is much that can only be surmised. But, on the other hand, there are some things told that are definite, says the pastor, the Rev. H. V. Wilhelm. The topic will be one of great interest. A "surprise" service is planned for the evening hour. That is, the special feature of the service is not being announced in advance of the service itself. The sermon is entitled "The Main Issue."

The Sunday school attendance last Sunday was much better than it has been for some time, and the interest is splendid. The work done is very worth while for young and old.

The Epworth League topic for the 6:30 hour is, "How We Got Our Gospels." Wm. Schmierer is scheduled to lead the meeting.

USUAL ORDER OF SERVICES AT TEMPLE

"The Reward of Christian Victory" is the topic for the afternoon sermon at the Gresham Undenominational temple. The services to begin at 2 o'clock. The pastor, the Rev. S. F. Pitts, will preach both afternoon and evening. Sunday school will begin at 10 a. m. Prayer service will be held Tuesday evening and the young people's Bible study class will meet Friday evening at 7:30. A cordial welcome is extended to all.

Grade School Bonds Voted on Tomorrow

Qualified voters in Gresham grade school district No. 4 are preparing to cast their votes tomorrow on the issuance of \$15,000 worth of bonds, the money to be devoted to the building of four additional rooms to the present grammar school building.

Some question has arisen as to what constitutes a voter on the proposed bond issue, some having the idea the same qualifications exist as did for those who voted on the union high school bonds some months ago. Such, however, is not the case, as in the election tomorrow only property holders in the district or those owning stock in any tax-paying corporation are entitled to a vote. This is the rule applying to bond elections in the case of second-class school districts, which classification the Gresham school district comes under.

Three judges and a clerk will be selected prior to the opening of the polls at the grade school at 2 o'clock, only those eligible to vote being considered as candidates for these positions. The polls will be open until 7 o'clock.

The need is urgent for the additional rooms, money for which will be available if the election of tomorrow afternoon carries. The basement is being utilized for classrooms, and with the increase of enrollment which is sure to take place at the beginning of another school year, the situation will be tense unless needed relief is given.

SPRINGDALE WOMAN DIES IN HOSPITAL

Mrs. Katie Canzler, aged 67, an old-time resident of the Springdale locality, passed away this morning at Good Samaritan hospital after an extended illness. Funeral services will be conducted Monday afternoon at 1 o'clock from the Gospel hall at Springdale, with interment in Douglas cemetery, all arrangements being under the direction of the Metzger undertaking parlors.

The deceased is survived by her widower, H. W. Canzler; three daughters, Miss Lillian Canzler at the family home, Mrs. Clara Colby, of Hood River, and Mrs. Laura Lucas, of Springdale; two sons, George A. and Arthur L. of Springdale; and a brother Henry E., of Sparta, Michigan.

Mr. and Mrs. C. E. Bramhall, Mr. and Mrs. T. A. Lowe, Mr. and Mrs. L. M. Kummer of Portland, and Lester Ashworth. The guests presented Mr. and Mrs. Knarr with a potted plant.

A number from here attended the meeting of the Lettuce and Cauliflower Growers association at Springdale last Wednesday.
